The Story of My Life 1930

autobiographical novel of one of the greatest children's writers that has ever lived Hans Christian Andersen most famous for his versions of classic fairytales such as the little mermaid the ugly duckling Thumbelina and the Snow Queen My Life is a lovely story happy and full of incident if when I was a boy and went forth into the world poor and friendless a good fairy had met me and said choose now thy own course through life and the object for which thou wilt strive and then according to the development of thy mind and as reason requires I will guide and defend thee to its attainment my fate could not even then have been directed more happily more prudently or better the history of my life will say to the world what it says to me there is a loving God who directs all things for the best my life is a lovely story happy and full of incident if when I was a boy and went forth into the world poor and friendless a good fairy had met me and said choose now thy own course through life and the object for which thou wilt strive and then according to the development of thy mind and as reason requires I will guide and defend thee to its attainment my fate could not even then have been directed more happily more prudently or better the history of my life will say to the world what it says to me there is a loving God who directs all things for the best my native land Denmark is a poetical land full of popular traditions old songs and an eventful history which has become bound up with that of Sweden and Norway the Danish islands are possessed of beautiful beech woods and corn and clover fields they resemble gardens on a great scale upon one of these green islands Funen stands Odense the place of my birth Odense is called after the pagan God Odin who as tradition states lived here this place is the capital of the province and lies twenty two Danish miles from Copenhagen

The Story of My Heart: An Autobiography 2022-09-16

learn to find the happiness that is natural to you and enjoy better relationships better health more success and a longer life the peculiar thing about us humans is we spend a lot of time working to find people and things that will make us happy in fact we seem to spend the majority of our time doing this however there is no guarantee that any of this effort will work there are lots of people who have hordes of people around them and who have lots of things but have been unable to make themselves happy the truth is happiness can be had with little effort have you ever been happy for no reason at all of course you have without anything changing in life happiness just appears we see it in young children all the time in fact we expect to see it in children if you happen to ask a smiling child why he or she is so happy at best the answer may be because for an adult this may be an unsatisfying answer but for the child it is the truth happiness exists just because as we age we seem to lose touch with happiness for no reason at all we see a world where everyone is striving for stuff striving for popularity striving striving the natural fount of happiness we once enjoyed disappears as we join them however that happiness is not gone all that happened is we lost our connection to it this book is about recovering that connection we all grow up believing that if we work hard and if we are good people we will enjoy good relationships with others good health success and a long life obviously this is not true there are a lot of rich old people who are not happy what we have what we do and the other circumstances of our lives do not provide authentic happiness instead happiness comes from inside of us and all by itself enables us to have secure relationships good health more success and longer lives so what is the secret of being happy being happy is a little like flipping a switch when it's on you are happy and when it's off you are not it's so easy how else can you explain being happy for no reason what you need to do is learn to turn it on and keep it turned on this book discusses seven practices that help you do that there is a lot of wisdom available about how to be happy most of it is thousands of years old but some is quite new the seven practices we will look at incorporate this wisdom to help you learn how to turn on happiness in your life this kind of happiness does not require changing anything in your life all you have to do is learn to turn it on
