in this book misery to victory i wrote about the many challenges and hardships i faced i wrote about how i ultimately found a path to lasting peace through perseverance and determination despite feeling overwhelmed by misery and suffering i refused to give up and continued to search for ways to improve my life and situation i moved from being the most despised child of my mother into an abusive relationship with my ex wife i lost all my money started all over again and i still found love with a new family in israel through hard work and persistence i eventually turned misery into victory finding happiness and contentment in my life the journey from misery to victory was not easy and it

required a great deal of effort and resilience however staying true to myself and never losing sight of my goals made it possible to overcome even the most difficult of circumstances and find lasting peace whether through personal growth overcoming adversity or simply learning to accept and appreciate the present moment the pathway to finding lasting peace is open to all of us if we are willing to put in the work and determination needed to succeed after you read this book i hope you find the courage to work hard and stay disciplined to start afresh and chase and regain everything you may have lost due to life s circumstances believe me you can start from scratch it is just another way of starting from experience go find friends i am rooting for you find your peace and live it that is the dream

like the age old story of prometheus stealing secret power from mount olympus to help out humanity stealing prosperity's fire pathway to victory reveals the secrets which separate successful entrepreneurs from those who struggle and fail have you ever wondered why some people seem to live a charmed life where everything comes to them easily while others seem to hit every bump in the road stealing prosperity's fire pathway to victory teaches you how to get rid of the self sabotage and to remove the mystery that seems to make life so difficult in a way most people are living life with one foot on the accelerator and the other on the brakes in an automobile the solution would be obvious but after reading this book the solution in business and in life is equally obvious in his groundbreaking book stealing prosperity's fire mh cleckler states in sales especially in real estate in which i have spent my entire life immersed you need to act in order to get solid results we live in a cause and effect universe if you get lazy or remain unmotivated you will get lousy results quite often zero income in a 100 commission business the objective here is to strip away the darkness from the subconscious so you are no longer operating in a primal suffering limited state but a prosperous powerful state a state focused comfortably on prosperity an abundance of time freedom energy

health love and anything else you find valuable it's all a matter of awareness of what to look for and of developing the simple new habits to build a new mental muscle. Cleckler gives you the tools to make the needed changes so you can recognize when you are pushing on the brake while you should be concentrating on the accelerator. The skills you learn in Stealing Prosperity's Fire have universal utility because they are based on core scientific principles. When you know how to be successful on a deeply fundamental level you start to make other areas of your life run more smoothly. It does you no good to be financially well off but miserable in every other area of your life and this isn't merely positive thinking. Thoughts are only the beginning of the process. Stealing Prosperity's Fire teaches you how to open up the control panel on your life and to make all the skillful adjustments needed to send you off in the right direction, a direction of your choosing. While developing any new skill takes patience and persistence, Stealing Prosperity's Fire gives you a number of ways to speed up the process. Soon you will find your mind, body, senses, thoughts, feelings, and beliefs becoming aligned, accelerating toward the destiny you had in mind when you started.

Did you know you can read Jesus's sermon on the mount in about 18 minutes yet packed into this short talk are more life-changing and startlingly original teachings than anywhere else in scripture. In it, Jesus dives past the surface into the heart of what we need and desire from God, ourselves, and one another. It's the spiritual straight talk we need about the things that matter most in life. Drawing from decades of study, Dr. Robert Jeffress breaks down Jesus's most well-known yet least followed teachings about happiness, faith, relationships, sex, reconciliation, prayer, money, and more. He shows how we often misunderstand and misapply these verses and unpacks exactly what Jesus was teaching us about our own hearts and minds. If you long to take your Christian walk to the next level, it's time to
