pleasure of learning is indeed better and happier than that of ruling the state 519d answers 1  
socrates says justice is a good that is valued for its own sake not for what it can provide 2 glaucon  
believes men are inherently evil the story of gyges ring illustrates his follow the history and facts  
about plato one of greek s most influential philosopher as he unleashed an intellectual and  
revolutionary way of looking at the world around us the athenian philosopher plato c 428 347 b c is  
one of the most important figures of the ancient greek world and the entire history of western  
thought plato s republic centers on a simple question is it always better to be just than unjust the  
puzzles in book one prepare for this question and glaucon and adeimantus make it explicit at the  
beginning of book two now what s also notable about socrates and his many students including plato  
and aristotle is that they took a departure of how to think about the world from most of the ancient  
world most of the ancient world was focused on the gods and the metaphysical explaining  
everything plato s the allegory of the cave is a meditation on the essence of truth and its paradoxical  
relation to human comportment plato uses this allegory to gradually guide readers toward a personal  
realization of knowledge and philosophy as the key elements for freedom and enlightenment  
building on but also departing from socrates thought he developed a profound and wide ranging  
philosophical system subsequently known as platonism his thought has logical epistemological and  
metaphysical aspects but much of its underlying motivation is ethical according to plato there are  
three parts of the soul each with its own object of desire reason desires truth and the good of the  
whole individual spirit is preoccupied with honour and competitive values and appetite has the  
traditional low tastes for food drink and sex outside of interact jessmyn loves binge watching thriller  
and sci fi shows cuddling with her fluffy dog and traveling to places she s never been before this list  
of quiz questions based on plato s theaetetus will test your understanding of the dialogue s central  
themes characters and arguments at least three of these arguments the argument from recollection  
and its prelude 65a 67a and 72e 78b the affinity argument 78b 84b and the final argument 102a

107a and its prelude 95a 102a are crucial for understanding plato s initial thoughts on metaphysics and epistemology who was plato ancient greek philosopher plato was a student of socrates and a teacher of aristotle his writings explored justice beauty and equality and also contained discussions in
