## **Command and Control 2013-09-17**

from famed investigative journalist eric schlosser author of fast food nation comes command and control a ground breaking account of the management of nuclear weapons a groundbreaking account of accidents near misses extraordinary heroism and technological breakthroughs command and control explores the dilemma that has existed since the dawn of the nuclear age how do you deploy weapons of mass destruction without being destroyed by them schlosser reveals that this question has never been resolved and while other headlines dominate the news nuclear weapons still pose a grave risk to mankind at the heart of command and control lies the story of an accident at a missile silo in rural arkansas where a handful of men struggled to prevent the explosion of a ballistic missile carrying the most powerful nuclear warhead ever built by the united states schlosser interweaves this minute by minute account with a historical narrative that spans more than fifty years it depicts the urgent effort by american scientists policymakers and military officers to ensure that nuclear weapons can t be stolen sabotaged used without permission or detonated inadvertently looking at the cold war from a new perspective schlosser offers history from the ground up telling the stories of bomber pilots missile commanders maintenance crews and other ordinary servicemen who risked their lives to avert a nuclear holocaust drawing on recently declassified documents and interviews with men who designed and routinely handled nuclear weapons command and control takes readers into a terrifying but fascinating world that until now has been largely hidden from view it reveals how even the most brilliant of minds can offer us only the illusion of control audacious gripping and unforgettable command and control is a tour de force of investigative journalism eric schlosser is the author of fast food nation and reefer madness as well as the co author of a children s book chew on this his work has appeared in the atlantic monthly the new yorker the nation and vanity fair two of his plays americans 2003 and we the people 2007 have been produced in london a work with the multi layered density of an ambitiously conceived novel john lloyd financial times command and control is how non fiction should be written by a miracle of information management schlosser has synthesized a huge archive of material including government reports scientific papers and a substantial historical and polemical literature on nukes and transformed it into a crisp narrative covering more than fifty years of scientific and political change and he has interwoven that narrative with a hair raising minute by minute account of an accident at a titan ii missile silo in arkansas in 1980 which he renders in the manner of a techno thriller new yorker the strength of schlosser s writing derives from his ability to carry a wealth of startling detail on a confident narrative path ed pilkington guardian disquieting but riveting fascinating schlosser s readers and he deserves a great many will be struck by how frequently the people he cites attribute the absence of accidental explosions and nuclear war to divine intervention or sheer luck rather than to human wisdom and skill whatever was responsible we will clearly need many more of it in the years to come walter russell mead new york times

seminar paper from the year 2008 in the subject didactics english literature works grade 1 3 university of potsdam language english abstract i m not trying to write agitprop telling people exactly what to think i m just trying to make them think says eric schlosser about his aim and style of writing which he intends to be emotionally calm straightforward and deliberately simple part hereof is moreover a modest authorial presence in the text most of the time going without a narrative the very rare use of quotations and the avoidance of polemics all of this aiming at a reading experience where facts and evidences are recognized before style and literary flourishes most of this comes as schlosser stresses himself from reporter john mcphée whom he

## **The Food Industry in Eric Schlosser's Fast Food Nation 2012-11-12**

from the author of fast food nation eric schlosser s reefer madness and other tales from the american underground follows the money to uncover made the country rich porn pot and exploitation in three linked essays eric schlosser uncovers how dirty dealings and secret vices are part of a global black market on which we all depend reefer madness traces the history of the contemporary war on drugs from its origins in reagan s social conservatism through to its profound impact on civil society creating a justice system that punishes marijuana offences more harshly than rape and murder an empire of the obscene tells the story of reuben sturman the billionaire walt disney of porn who most effectively exploited economies of scale to create a business that now saturates america and the world with graphic sexual imagery in the strawberry fields shows how public demand for a soft red fruit is causing mass

migration from central america and changing california s political economy forever an amazing secret history of america s favourite vices independent a shocking journey through the underside of the world s mightiest economy the times schlosser tells us things we already suspect to be true but don t dare think about daily telegraph superb mind blowing quite simply the non fiction book of the year the list eric schlosser is an author and investigative journalist based in new york his first book fast food nation was a major international bestseller his work has appeared in the atlantic monthly rolling stone and the guardian

## **Reefer Madness 2013-10-31**

every book tells a story and the 70 titles in the pocket penguins series are emblematic of the renowned breadth and quality that formed part of the original penguin vision in 1935 and that continue to define our publishing today together they tell one version of the unique story of penguin books eric schlosser s inimitable brand of hard hitting yet always entertaining writing looks beneath the surface of american life to examine issues ranging from the black market to burgers when penguin published his expose fast food nation in 2001 it sparked a storm in the fast food industry this piece on the terrifying true cost of cheap meat shows why schlosser has been instrumental in changing our attitudes to what we eat

## **Fast Food Nation 20pk RGG 2002-05-07**

about the book hundreds of millions of people buy fast food every day without giving it much thought unaware of the subtle and not so subtle ramifications of their purchases they rarely consider where this food came from how it was made what it is doing to the community around them they just grab their tray off the counter find a table take a seat unwrap the paper and dig in the whole experience is transitory and soon forgotten i ve written this book out of a belief that people should know what lies behind the shiny happy surface of every fast food transaction they should know what really lurks between those sesame seed buns published in 2001 eric schlosser s fast food nation the dark side of the all american meal explores the dark underbelly of fast food production in the united states an award winning journalist and contributor to atlantic monthly schlosser developed the book from a series of articles for rolling stone magazine rolling stone asked schlosser to find out where fast food came from as someone who enjoyed indulging in fries and hamburgers schlosser was initially reluctant to take on the assignment as he began to research the history and formation of the fast food industry he became increasingly curious about how the industry gained power and influence on america s agricultural landscape and food culture with over 50 pages of research notes included at the end of the book the author defends his points with thorough analysis from various legal investigations interviews and journal articles schlosser artfully weaves sarcasm with gritty investigative journalism to demonstrate how corporations and greed have corrupted the food system in america schlosser s book was a new york times bestseller for over two years and has sold over 1.4 million print copies in 2006 fast food nation became a fictionalized film directed by richard linklater which was featured at the cannes film festival however the book and film were not met without criticism from trade industry producers of beef potatoes and restaurant chains like mcdonald s the wall street journal reported in 2006 that various organizations were trying to create campaigns against schlosser s allegations in the book that fast food consumption contributes to obesity and fostered corruption in the nation s agricultural system excerpt from the book the author playfully muses that should america be attacked in the future cheyenne mountain may be the only place with artifacts of our civilization burger king wrappers hardened crusts of cheesy bread barbeque wings bones and the red white and blue of a domino s pizza box what started as a small food stand in southern california has now spread all over the nation schlosser says fast food has infiltrated every nook and cranny of american society shockingly americans spend more today on fast food than higher education computers or new cars schlosser estimates on any given day in the united states about one quarter of the country s adult population visits a fast food restaurant the author argues that the powerful rise of fast food industry happened quickly and not only transformed the american diet but also out landscape economy workforce and popular culture importantly schlosser draws parallels between cheyenne mountain and today s fast food industry
