a few hours ago sherry carne would have sworn that vampires didn't exist that's before rogue immortals rampage through her store leaving bloody chaos literally in their wake the kicker comes when sherry learns that one of the vamps on the bad guys trail may be her life mate her head says it's impossible the rest of her takes one look at basileios argeneau and has much more interesting ideas whatever basil expected in a life mate funny outspoken sherry isn't it but mind blowing chemistry and instinct don't lie they tell him something else too that sherry's connection to the immortal world goes deeper than she knows and that she's in the kind of danger only basil can save her from if she'll just trust him now and forever ny

roundhouse publishing editor kate c leever's first letter to her new author was meant to impress upon him the growing demand for vampire romances and even though he'd expressed little to no desire for any publicity book tours or similar it was clear this was an author just waiting to be broken out despite himself if necessary when she suggested attending a romance convention his response unusually quick to arrive was succinct no but kate was adamant mr lucern argeneau was going to attend a romance convention and meet his fans by hook or by crook despite his reclusive nature and odd sleep patterns the surly yet handsome author would attend and she was sure that once there he would reveal himself to be a true charmer of course that was before she realised that his romances were more like biographies and it's literally her neck on the line single white vampire is a hilarious romantic comedy where a vampire finds his habits of a lifetime overturned and an unlikely romance blooms central to every vampire story is the undead's need for human blood but equally compelling is the human ingestion of vampire blood which often creates a bond this blood connection suggests two primal natural desires breastfeeding and communion with god through a blood covenant this analysis of vampire stories explores the benefits of the bonding experiences of breastfeeding and christian and vampire narratives arguing that modern readers and viewers are drawn to this genre because of our innate fascination with the relationship between human and maker for basha argeneau anything is better than facing her estranged family even hiding out in sweltering southern california but when a sexy vamp in black shows up determined to bring her back to the clan she'll do anything to keep far far away from the past she can't outrun marcus notte isn't here to play games especially not with someone as crazy as the infamous blonde asked by lucian argeneau to bring her back for questioning marcus is determined to carry out the request no matter how the seductive little mind reading vamp feels about it basha doesn't mind fighting fire with fire especially with a hot immortal involved but
