## *Deconstructing South Park*

2012

deconstructing south park critical examinations of animated transgression is an edited collection by brian cogan that looks at the long and controversial run of one of the most subversive programs on television south park while denounced by many as simply scatological is actually one of the most nuanced and thoughtful programs on television the contributors to south park reveal that through the lens of four foul mouthed nine year olds trey parker and matt stone have created one of the most astute forms of social and political commentary in television history deconstructing south park itself the most ambitious deconstruction of popular culture to date analyzes how south park is not only entertainment but a commentary on american culture that tackles controversial issues far beyond the depth of most television specifically the medium of animated sitcom allows the show s creators to contribute to cultural conversations regarding disability studies religion sexuality celebrity and more if south park deconstructs american culture then cogan and his contributors deconstruct the deconstructionists and reveal south park in all its hilarious and often contradictory complexity

## ***Deconstructing the Durotriges***

2008

ptolemy s second century geography is the main source traditionally used when dividing pre roman britain into tribal areas in it he describes the durotriges as inhabiting dorset and parts of somerset wiltshire and hampshire this large scale study surveys the durotrigan zone in dorset looking at settlement patterns and types ceramics and coin distribution to ask whether the durotriges can be considered as a homogenous entity as presented by ptolemy in fact settlement forms showed considerable diversity which can also be seen in differing burial customs and belief systems and papworth ultimately sees the area as being inhabited by co existing but distinct communities coin evidence however shows that particularly towards the end of the pre roman period the communities were linked together probably in a form of trading block
