Natural Dyes, Plants & Processes 1972 betsy devonshire full time owner of the crewel world needlework shop and part time sleuth has hooked more than a few crooks in the usa today bestselling needlecraft mysteries now betsy learns the hard way that a murder is still murder any way you color it and then you dye betsy is a natural born yarnsmith so it s only fitting that some of her favorite items to stock come from the dye works of hailey brent but when hailey is found dead in her workshop betsy discovers that there was a lot about hailey she would have never guessed like her penchant for stealing her use of dangerous additives to create her so called all natural fibers and a scheming mind that had made her more than one enemy now betsy must wring the truth from a bevy of colorful suspects because what she knows just might mean the difference between living and dyeing included free in this edition a never before published needlecraft mystery story and a counted cross stitch pattern

The Handbook of Natural Plant Dyes 2011-01-19 like cotton indigo has defied its humble origins left alone it might have been a regional plant with minimal reach a localized way of dyeing textiles paper and other goods with a bit of blue but when blue became the most popular color for the textiles that britain turned out in large quantities in the eighteenth century the south carolina indigo that colored most of this cloth became a major component in transatlantic commodity chains in red white and black make blue andrea feeser tells the stories of all the peoples who made indigo a key part of the colonial south carolina experience as she explores indigo s relationships to land use slave labor textile production and use sartorial expression and fortune building in the eighteenth century indigo played a central role in the development of south carolina the popularity of the color blue among the upper and lower classes ensured a high demand for indigo and the climate in the region proved sound for its cultivation cheap labor by slaves both black and native american made commoditization of indigo possible and due to land grabs by colonists from the enslaved or expelled indigenous peoples the expansion into the backcountry made plenty of land available on which to cultivate the crop feeser recounts specific histories uncovered for the first time during her research of how the native americans and african slaves made the success of indigo in south carolina possible she also emphasizes the material culture around particular objects including maps prints paintings and clothing red white and black make blue is a fraught and compelling history of both exploitation and empowerment revealing the legacy of a modest plant with an outsized impact

And Then You Dye 2012-12-04 now in its third edition scenic art for the theatre history tools and techniques continues to be the most trusted source for both student and professional scenic artists with new information on scenic design using photoshop paint shop pro and other digital imaging softwares this test expands to offer the developing artist more step by step instuction and more practical techniques for work in the field it goes beyond detailing job functions and discussing techniques to serve as a trouble shooting guide for the scenic artist providing practical advice for everyday solutions

Disce Mori: Learne to Dye. A Religious Discourse, Mouing Euery Christian Man to Enter Into a Serious Remembrance of His End 1626 the modern twist on tie dye tie dye has grown up and resurfaced as one of today s most inspired looks whether dip dye shibori ombré or the traditional circle pattern the new take on tie dye is amazingly fresh fashionable and fun in tie dye dye it wear it share it acclaimed fashion designer and artist shabd simon alexander shares her techniques for creating the innovative styles that make her own hand dyed collection so popular packed with shabd s design secrets color guidance expert tips on making each piece distinctly your own and twenty two step by step projects for garments accessories and home décor items this book will soon have you creating sophisticated dresses leggings scarves tees and more once you experience tie dye like this you ll never think of it the same way again

Red, White, and Black Make Blue 2013 for those who work with fiber in weaving spinning crocheting knitting macrame for those who work with cloth in batik tie dying quilting applique soft sculpture sewing with this book you can come one step closer to making it from scratch increasing your involvement and satisfaction in your craft while enhancing the beauty and value of your finished product rich soft subtle colors not easily copied by synthetic man made dyes are commonly obtained from natural dye sources the end reward is beautiful natural colors but equally rewarding is the pleasure to be derived from collecting natural materials and from the dyeing process itself the world around you becomes a treasure house of hidden possibilities with common and readily available plant materials yielding colors that can be as surprising as they are special like the ancient hawaiians who colored their tapa cloth with dyes from kukui ferns and other plants of their islands you become more sensitive to your natural environment a greater respect for craftspeople of the past and a deeper appreciation for the materials are every natural dyer s gain val frieling krohn ching is a distinguished weaving and textile design artist whose curiosity and desire for experimenting has also made her the authority on dyeing with plant materials in hawaii using wool fibers she now shares the results of her years of experimentation and her enthusiasm with others even beginners can use her basic principles and techniques successfully to achieve new results of their own hawaii dye plants and dye recipes is itself an artistic production filled with charming botanically accurate pen and ink drawings to aid in plant identification instructions are concise and easy to follow interesting information about each plant enlivens the text as do personal comments about the author s experimentation and sources of natural materials a color chart photographed from actual wool samples prepared by the author shows more than 300 beautiful results that the natural dyer can achieve using recipes in this book

Scenic Art for the Theatre 2012-11-12 leslie baker and kade kc cavanaugh aren't just former college sweethearts circling each other when they find themselves back in the same town after more than a decade apart leslie owner of potter lake's original hometown beauty shop the curl dye and kade owner of guys dolls a family salon are rivals in competition for the affections of a quaint slow town before they can pick up where they left off leslie and kc land in the center of a power struggle between a corrupt mayor and a town that wants to grow with their livelihoods and the future of the close knit lakeside community at stake they have no choice but to join forces to save the town of potter lake and fan the flames of a love that's been smoldering for more than a decade
