collection from a master storyteller

Asian and African Studies 1984 this ground breaking study offers the first full length critical examination of h diel s doxographi graeci 1879 focussing on the doxographer aëtius whose work diels reconstructed from various later sources diel s theory is analysed revised and improved at significant points

Asian and African Studies 1984 this ground breaking study offers the first full length critical examination of h diel s doxographi graeci 1879 focussing on the doxographer aetius whose work diels reconstructed from various later sources diel s theory is analysed revised and improved at significant points

Aëtiana 2016-06-21 the book rediscovers two of the main seeds of western culture the exodus and the odyssey which are entwined within the book by both a common link with egypt and a review of ancient chronology they were both antecedents to the rise of christianity which is at the heart of western culture it was inspired by a desire to understand the spiritual message of the odyssey which required both geographical and spiritual interpretations of the poem linked to this was a desire to understand the political context of the trojan story which required resolving the false hiatus in the archaeology of troy this resulted in a new paradigm for understanding ancient chronology which revealed the stories behind the exodus and the location of the garden of eden writing the book has been a long and eventful journey longer than odysseus 19 years away from home the book is written in five parts low chronology based on the identification of menophres with thutmose iii and of the bubastite portal s reference to shoshenq s participation in the battle of qarqar the egyptian third intermediate period is shortened by 120 years with a pharaoh ruling from tanis and subordinate kings at bubastis and thebes the exodus using the low chronology and genealogical information and dates provided by the bible it is demonstrated that the story of the exodus is a combination of two events being the exodus of the hyksos led by abraham in 1406 bc following the eruption of thera and the exodus of the atenist levite priests led by moses in about the first year of tutankhamun 1204 bc the story of abraham also reveals the location of the garden of eden in the heartland of the levant radiocarbon dating the process that created the dendrochronology based radiocarbon calibration curve is demonstrated to be a flawed non scientific process that relied upon circular arguments the odyssey by comparing the life and work of archilochus to both the odyssey and the iliad it is shown that archilochus must have been the author of the odyssey the allegory within the odyssey is also discussed to provide both geographical and spiritual interpretations of the poem western culture the two main streams of western culture ancient greece and christianity are shown to have had their foundations in the stories surrounding the trojan war the spiritual message of the odyssey and the influences of egypt on greece and judaism it is shown how greek

and jewish religions were fused to create the gospels and contributed towards modern astrology

Aëtiana. 1. The sources 1990 winner of the pulitzer prize and new york times bestseller in the first volume of his monumental trilogy about the liberation of europe in world war ii pulitzer prize winner rick atkinson tells the riveting story of the war in north africa the liberation of europe and the destruction of the third reich is a story of courage and enduring triumph of calamity and miscalculation in this first volume of the liberation trilogy rick atkinson shows why no modern reader can understand the ultimate victory of the allied powers without a grasp of the great drama that unfolded in north africa in 1942 and 1943 that first year of the allied war was a pivotal point in american history the moment when the united states began to act like a great power beginning with the daring amphibious invasion in november 1942 an army at dawn follows the american and british armies as they fight the french in morocco and algeria and then take on the germans and italians in tunisia battle by battle an inexperienced and sometimes poorly led army gradually becomes a superb fighting force central to the tale are the extraordinary but fallible commanders who come to dominate the battlefield eisenhower patton bradley montgomery and rommel brilliantly researched rich with new material and vivid insights atkinson s narrative provides the definitive history of the war in north africa

Seeds of Western Culture 2024-01-01 the essays in this collection are written to make readers re consider what is possible in africa the essays shake the tree of received wisdom and received categories and hone in on the complexities of life under ecological and economic constraints yet throughout this volume people do not emerge as victims but rather as inventors engineers scientists planners writers artists and activists or as children mothers fathers friends or lovers all as future makers it is precisely through agents such as these that africa is futuring rethinking living confronting imagining and relating in the light of its many emerging tomorrows

The Plantation 1957 this is a revised edition of chinua achebe 1980 a critical study of the most widely known african writer which now incorporates a discussion of his most recent work including his major new novel anthills of the savannah the study examines the context in which he writes that complex intermingling of his own igbo society and european colonialism before undertaking a critical discussion of the five main novels his poetry and short stories throughout there is an underlying concern with achebe s system of values and the pressure on them through periods of colonialism independence political disillusionment and civil war the author finally seeks to relate achebe s career to the role of the african writer a subject on which the novelist has written at length

An Army at Dawn 2007-05-15 in this provocative work noted social and economic theorist graeme d snooks exposes fatal flaws in the

and explore every corner with the clearest maps of any guide

Everyday Life in the Muslim Middle East 2002 updates entries already
published and supplements the dictionary of literary biography series
with entries on newly prominent writers

Book Review Digest 1953 paideia romana cicero s tusculan disputations
takes a new look at an unloved text of the western canon to reveal it
as a punchy and profoundly original work arguably cicero s most
ingenious literary response to the tyranny of caesar the book shows
how the tusculans much lambasted literary design critically isolated
prefaces and overlooked didactic plot start to cohere once we read the
dialogue for what it is not a latin treatise on greek philosophy but a
roman drama on education with a strong political subtext the first
chapter the form enigmas and answers tries to make sense of those
features of the work that scholars have found baffling or
disappointing such as the nondescript characters the uncertain genre
or the lack of setting chapter 2 the prologues in tyrannum and
cultural warfare analyses how cicero in his prologues to the five
individual books situates his desire to create and teach a latin
philosophy within wider contexts in particular the dictatorship of
caesar and the intellectual traditions of greece and rome the final
chapter 3 the plot teacher and student explores the pedagogy enacted
in the dialogue as a form of constructive outreach addressed to a
future generation of roman aristocrats with its emphasis on rhetoric

literary artistry and historical context the present volume breaks with earlier scholarship on the tusculans and thereby makes a significant contribution to the on going reassessment of cicero s thought and authorial practice
