this landmark volume is the first to bring together leading scholarship on children's and young adult literature from three intersecting disciplines education english and library and information science distinguished by its multidisciplinary approach it describes and analyzes the different aspects of literary reading texts and contexts to illuminate how the book is transformed within and across different academic figurations of reading and interpreting children's literature part one considers perspectives on readers and reading literature in home school library and community settings part two introduces analytic frames for studying young adult novels picturebooks indigenous literature graphic novels and other genres chapters include commentary on literary experiences and creative production from renowned

authors and illustrators part three focuses on the social contexts of literary study with chapters on censorship awards marketing and literary museums the singular contribution of this handbook is to lay the groundwork for colleagues across disciplines to redraw the map of their separately figured worlds thus to enlarge the scope of scholarship and dialogue as well as push ahead into uncharted territory

The Fiction Gateway 2011

many children learn from a young age to tell the truth they also learn that some lies are necessary in order to survive in a world that paradoxically values truth telling but practises deception this book examines this paradox by considering how deception is often a necessary means of survival for individuals families governments and animals

La straordinaria invenzione di Hugo Cabret 2019-04-09

an international research society for children s literature irscl honour book for 2023 this book is a comprehensive and thorough introduction to children s and young adult literature in english language education reading is promoted as central to language education in order to experience perspectives from around the world and the book demonstrates the many opportunities for teaching with compelling story encouraging an active and engaged community of second language readers through challenging picturebooks motivating graphic novels dynamic plays enchanting verse novels and compelling young adult fiction using many examples of literary texts that are well suited to the primary or secondary classroom the book focuses on the advantages of deep reading and the vital importance of in depth learning in depth learning is an approach that involves the students as motivated participants working collaboratively and with empathy while preparing for and confronting the challenges of the 21st century illustrating the approach with a deep reading framework based in research and theory janice bland guides the reader to discover and learn how to make use of literary texts in a way that challenges students to become involved in interculturality creativity and critical literacy throughout the book the emphasis is on an approach that puts the reader and language learner in the centre not a study of literature but a study of how readers learn through compelling story

the stories in this book are organized by age level but we think they are timeless and enjoyable no matter how old you are page 5

The Houdini Box 2011-12-08

hugo cabret é um menino órfão que vive escondido na central de trem de paris dos anos 1930 esgueirando se por passagens secretas hugo cuida dos gigantescos relógios do lugar escuta seus compassos observa os enormes ponteiros e responsabiliza se pelo funcionamento das máquinas a sobrevivência de hugo depende do anonimato ele tenta se manter invisível porque guarda um incrível segredo que é posto em risco quando o severo dono da loja de brinquedos da estação e sua afilhada cruzam o caminho do garoto um desenho enigmático um caderno valioso uma chave roubada e um homem mecânico estão no centro desta história que narrada por texto e imagens procura misturar elementos dos quadrinhos e do cinema

Les secrets du tournage de Hugo Cabret 2014-01-01

two motherless children build a robot from odds and ends in their attic and by using their mother's favorite belonging as its heart bring the creation to life

Brian Selznick 2018-09-25

just as a work of self-reflexive metafiction and the experience of reading it differ from other types of literature the work and the experience of viewing films that adapt metafiction are distinct from those of other films and from other film adaptations of literary works this book explores the adaptation of children's metafictions including works such as Inkheart the invention of Hugo Cabret and the Harry Potter series not only are the plot devices of books and reading explored on screen in these adaptations but so is the nature of transmedial adaptation itself the act of representing one work of art in another medium analysing the work done by children's metafiction and the experience of reading it Casie E. Hermansson situates the adaptations of these types of books to film within contemporary adaptation criticism
