publications acquired from afghanistan bangladesh bhutan india maldives nepal pakistan and sri lanka by the u s library of congress offices in new delhi india and karachi pakistan vol 2 coed by carol g rosen vol 3 ed by paul m postal and brian d joseph for the first time in a single volume this book presents the various arguments in the indo aryan controversy it also provides a template for the basic issues addressing four major areas archaeological research linguistic issues the interpretation of vedic texts in their historical contexts and ideological roots the volume ends with a plea for a return to civility in the debates which have become increasingly and unproductively politicized and suggests a program of research and inquiry upon which scholars from all sides of the debate might embark issues for 1919 47 include who s who in india 1948 who s who in india and pakistan for decades bilingualism has resisted definition if bilingualism is defined as habitual fluent correct and accent free use of two languages few individuals would qualify as bilinguals a more viable approach may be to concede that bilingual can be seen instead as a range of points on a continuum that allows for differences the psychological study of bilingualism encompasses a wide range of phenomena including the organization and representation of the grammar the perception and production of language mixing cerebral lateralization of language functions and patterns of recovery of aphasic patients this book collects together an international array of researchers in experimental psychology linguistics and neuropsychology who bring their expertise to bear on the critical issues that are raised by the bilingual phenomena india has a rich literary assemblage produced by its many different regional traditions religious faiths ethnic subcultures and linguistic groups the published literature of the 20th century is a particularly interesting subject and is the focus of this book as it represents the provocative conjuncture of the transitions of indian modernity this reference book surveys the major regional literatures of contemporary india in the context of the country s diversity and heterogeneity chapters are devoted to particular regions and the arrangement of the work invites comparisons of literary traditions chapters provide extensive bibliographies of primary works thus documenting the creative achievement of numerous contemporary indian authors some chapters cite secondary works as well and the volume concludes with a list of general works providing further information an introductory essay overviews theoretical concerns ideological and aesthetic considerations developments in various genres and the history of publishing in regional literatures the introduction provides a context for approaching the chapters that follow each of which is devoted to the literature of a particular region each chapter begins with a concise introductory section the body of each chapter is structured according to social and historical events literary forms or broad descriptive or analytic trends depending on the particular subject matter each chapter then closes with an extensive bibliography of primary works thus documenting the rich literary tradition of the region some chapters also cite secondary sources as an aid to the reader the final chapters of the book address special topics such as sub cultural literatures or the interplay between

literature and film a list of additional sources of general information concludes the volume a study of the lives of popular theater artists stigmas of the tamil stage is the first in depth analysis of special drama a genre of performance unique to the southernmost indian state of tamilnadu held in towns and villages throughout the region special drama performances last from 10 p m until dawn there are no theatrical troupes in special drama individual artists are contracted specially for each event the first two hours of each performance are filled with the kind of bawdy improvisational comedy that is the primary focus of this study the remaining hours present more markedly staid dramatic treatments of myth and history special drama artists themselves are of all ages castes and ethnic and religious affiliations the one common denominator in their lives is their lower class status artists regularly speak of how poverty compelled their entrance into the field special drama is looked down upon by the middle and upper classes as too popular too vulgar and too mixed the artists are stigmatized people insult them in public and landlords refuse to rent to them stigma falls most heavily however on actresses who are marked as public women by their participation in special drama as susan seizer s sensitive study shows one of the primary ways the performers deal with such stigma is through humor and linguistic play their comedic performances in particular directly address questions of class culture and gender deviations the very issues that so stigmatize them seizer draws on extensive interviews with performers sponsors audience members and drama agents as well as on careful readings of live special drama performances in considering the complexities of performers lives both on stage and off includes entries for maps and atlases no detailed description available for syntax jacobs u a hsk 9 2 e book it is a collection of papers devoted to various linguistic aspects of marathi with special reference to other south asian languages papers are related to broad areas of subjects and agreement anaphora and pronouns facts and propositions structure of causatives correlatives and modals it includes a few articles co authored by her with other scholars dr kashi wali is a visiting professor of linguistics at cornell and syracuse universities she has worked extensively on marathi and kashmiri languages no detailed description available for syntax jacobs u a hsk 9 2 vol 5 has also special t p v s sukthankar memorial volume 21st january 1944 the sociolinguists contributing to this study of indian language and society contend that the focus of such a study should be the native speaker of a language and his her struggle to regain sovereignty in their language the individual essays discuss hindustani indian english and sanskrit in the context of communication strategies they examine specific issues of power gender social identity and a multi lingual society annotation copyright by book news inc portland or this book features a collection of high quality peer reviewed research papers presented at the 9th international conference on innovations in computer science engineering icicse 2021 held at guru nanak institutions hyderabad india on september 3 4 2021 it covers the latest research in data science and analytics cloud computing machine learning data mining big data and analytics information security and privacy wireless and sensor networks and iot applications artificial intelligence expert systems natural language processing image processing computer vision and artificial neural networks the encyclopaedic dictionary of marathi literature has been developed with a specific planning to include not only men of letters but also all aspects characterising the growth of marathi literature it also presents a clear picture of development of marathi literature from early period to the present day the contributions of many poets writers playwrights essayist and critics are given along with their biographical accounts supported by bibliography it has successfully converted a long journey of marathi since saint dnyaneshwar to today s new little magazine movement the encyclopaedic dictionary serves the purpose of research and survey of marathi literature very well bringing in full contributions of progressive poets and writers it is bound to be gita for researchers as well as every common marathi individual as it has rich reference value
