Bookworms Library Teacher's Handbooks 2000

in maroon gold a history of sun devil athletics veteran sportswriter bob eger recounts not only the most celebrated moments but many little known items from the university s colorful sports history from turn of the century football legend charlie haigler to the electrifying whizzer white to latterday star jake plummer the rich football lineage is well documented but this is much more than a football book who could forget coach ned wulk s great basketball teams of the early 1960s or the five national basketball titles it s a little known fact that women were participating in an early form of aerobics on campus as early as 1891 and playing basketball in 1898 though the school didn t begin attracting national attention for women s athletics until golfer joanne gunderson and diver patsy willard began to dominate their sports in the late 1950s and early 1960s maroon gold a history of sun devil athletics is must reading for any true sun devil fan from any generation

Performing Arts Yearbook for Europe 2006

written for graduate students and early professionals who are conducting applied sport psychology work for the first time excelling in sport psychology is a guide for planning preparing and executing this work each chapter addresses a critical component of the internship experience such as selecting a site for an internship preparing to begin the work evaluating the completed work and marketing oneself throughout one s early career the diverse experiences of the various authors provide a range of viewpoints for trainees to consider and apply to their growth as sport psychology or mental skills professionals the text is written in a practical manner with suggestions and questions that will drive this personal and professional growth each chapter also includes a personal account from a current student or recent graduate about their experience in that area this book will appeal to students in academic sport psychology programs seeking additional support and guidance about the internship process as well as post graduates who did not have an internship component to their program supervisors will benefit from reading the book as it highlights ways to work with trainees drawn from the experience of the applied sport psychology department at john f kennedy university which has helped students set up internships have successful experiences and attain jobs for over 25 years this book can provide a model for training programs approaching the challenges of
