The Fight

2013-09-17

in 1974 in kinshasa zaïre two african american boxers were paid five million dollars apiece to fight each other one was muhammad ali the aging but irrepressible professor of boxing the other was george foreman who was as taciturn as ali was voluble observing them was norman mailer a commentator of unparalleled energy acumen and audacity whether he is analyzing the fighters moves interpreting their characters or weighing their competing claims on the african and american souls mailer s grasp of the titanic battle s feints and stratagems and his sensitivity to their deeper symbolism makes this book a masterpiece of the literature of sport praise for the fight exquisitely refined and attenuated a sensitive portrait of an extraordinary athlete and man and a pugilistic drama fully as exciting as the reality on which it is based the new york times one of the defining texts of sports journalism not only does mailer recall the violent combat with a scholar s eye he also makes the whole act of reporting seem as exciting as what s occurring in the ring gq stylistically mailer was the greatest boxing writer of all time chuck klosterman esquire one of mailer s finest books louis menand the new yorker

Faith in the Fight

2010-04-11

faith in the fight tells a story of religion soldiering suffering and death in the great war recovering the thoughts and experiences of american troops nurses and aid workers through their letters diaries and memoirs jonathan ebel describes how religion primarily christianity encouraged these young men and women to fight and die sustained them through war s chaos and shaped their responses to the war s aftermath the book reveals the surprising frequency with which americans who fought viewed the war as a religious challenge that could lead to individual and national redemption believing in a christianity of the sword these americans responded to the war by reasserting their religious faith and proclaiming america god chosen and righteous in its mission and while the war sometimes challenged these beliefs it did not fundamentally alter them revising the conventional view that the war was universally disillusioning faith in the fight argues that the war in fact strengthened the religious beliefs of the americans who fought and that it helped spark a religiously charged revival of many prewar orthodoxies during a postwar period marked by race riots labor wars communist witch hunts and gender struggles for many americans ebel argues the postwar period was actually one of reillusionment demonstrating the deep connections between christianity and americans experience of the first world war faith in the fight encourages us to examine the religious dimensions of america s wars past and present and to work toward a deeper understanding of religion and violence in american history

The Fight Against Cancer

2003-08-27

between the two world wars an illness that mainly affects adults over fifty years old became so prominent that it superseded both tuberculosis and syphilis in importance as patrice pinell shows the effect of cancer in france before world war two reached far beyond the question of its mortality rates pinell s socio historical approach to the early developments in the fight against cancer describes how scientific therapeutic philanthropic ethical social economics and political interest combined to transform medicine

The ARVN and the Fight for South Vietnam

2021-08-26

with the withdrawal of french forces from south vietnam in 1955 the u s took an ever widening role in defending the country against invasion by north vietnam by 1965 the u s had americanized the war relegating the army of the republic of vietnam arvn to a supporting role while the u s won many tactical victories it had difficulty controlling the territory it fought for as the war grew increasingly unpopular with the american public the north vietnamese launched two large scale invasions in 1968 and 1972 both tactical defeats but strategic victories for the north that precipitated the u s policy of vietnamization the drawdown of american forces that left the arvn to fight alone this book examines the maturation of the arvn and the major battles it fought from 1963 to its demise in 1975 despite its flaws the arvn was a well organized and disciplined force with an independent spirit and contributed enormously to the war effort had the u s vietnamized the war earlier it might have been won in 1967 1968

The Fight for Freedom

2012-06-01

in the summer of 1965 an eighteen year old boy filled with frustration and anger at the injustices of the segregated society in his hometown of troy alabama volunteers to help civil rights workers sent to alabama by the southern christian leadership conference as part of a campaign to register black people to vote a few short months later he finds himself in atlanta standing in the sanctuary of ebenezer baptist church being interviewed by dr martin luther king jr for a position on sclcs field staff as a young foot soldier in the civil rights movement author john reynolds was an eyewitness to history in the fight for freedom he shares his experiences in some of the hot spots of that day such as selma birmingham and mississippi a passionate and dedicated soldier reynolds was jailed more than twenty times and beaten on numerous occasions as he went through some of the toughest battles of the movement and played a role in awakening the national conscience and redeeming the soul of america the revealing relevant coming of age tale of a man and a nation tracing his years in the civil rights movement reynolds offers an insiders view of the people events and tactics that brought the united states closer to the fulfillment of the founders promise that all men are created equal although this account concerns a time now past its nonetheless a timely reminder that citizens should always be ready to fight the good fight excerpt from kirkus reviews

More about the Fight in Dame Europa's School, with John's Reasons for Not Joining in the Quarrel

1872

they say that ted bundy started his killing spree in 1974 in the state of washington when he tried to get me in the car it was in 1965 nine years earlier he was approximately eighteen and i was twenty one i saw the horror in his face at this time i m sure that i wasn t his first intended victim ted bundy s horror would have been over in a couple days others can put us through misery for years even sabotage us to protect themselves while the blame will be put on us and no one cares why

The Fight of My Life

2019-05-24

historical studies of black youth activism have until now focused almost exclusively on the activities of the congress of racial equality core and the student nonviolent coordinating committee sncc however the naacp youth councils and college chapters predate both of those organizations they initiated grassroots organizing efforts and nonviolent direct action tactics as early as the 1930s and in doing so made significant contributions to the struggle for racial equality in the united states this deeply researched book breaks new ground in an important and compelling area of study thomas bynum carefully examines the activism of the naacp youth and effectively refutes the perception of the naacp as working strictly through the courts his research illuminates the many direct action activities undertaken by the young people of the naacp activities that helped precipitate the breakdown of racial discrimination and segregation in america beginning with the formal organization of the naacp youth movement under juanita jackson the author traces the group s activities from their early anti lynching demonstrations through their post world war ii withholding patronage campaigns to their participation in the sit in protests of the 1960s he also explores the evolution of the youth councils and college chapters including their sometime rocky relationship with the national office and shows how these groups actually provided a framework for the emergence of youth activism within core and sncc the author provides a comprehensive account of the generational struggle for racial equality capturing the successes failures and challenges the naacp youth groups experienced at the national state and local levels he firmly establishes the vital role they played in the history of the civil rights movement in the united states and in the burgeoning tradition of youth activism in the postwar decades

NAACP Youth and the Fight for Black Freedom, 1936-1965

2013-08-30

from the early 1900s liberal protestants grafted social welfare work onto spiritual concerns on both sides of the pacific their goal to forge links between whites and asians that countered anti asian discrimination in the united states their test uprooting racial hatreds that despite their efforts led to the shameful incarceration of japanese americans in world war ii sarah m griffith draws on the experiences of liberal protestants and the young men s christian association in particular to reveal the intellectual social and political forces that powered this movement engaging a wealth of unexplored primary and secondary sources griffith explores how ymca leaders and their partners in the academy and distinct asian american communities labored to mitigate racism the alliance s early work based in mainstream ideas of assimilation and integration ran aground on the japanese exclusion law of 1924 yet their vision of christian internationalism and interracial cooperation maintained through the world war ii internment trauma as griffith shows liberal protestants emerged from that dark time with a reenergized campaign to reshape asian white relations in the postwar era

The Fight for Asian American Civil Rights

2018-03-01

what if your struggles aren't a barrier to thriving but an invitation into your most vibrant days discover how to live a life of joy and fullness even in the midst of disappointment and broken dreams how can you find a way forward when life throws you sucker punches when you face obstacles that seem to snuff out your faith when you lose someone precious to you it is in the sacred space of pain and promise that we can begin to flourish even in the midst of disappointment and broken dreams it is possible to grow be strong and draw near to god in the fight to flourish jennie lusko draws on her experiences after the loss of her five year old daughter lenya to show you that the ingredients for a fresh and thriving life are right in front of you jennie's story will help remind you of how much god loves you even when life feels unbearable with grit and grace jennie will help you discover that flourishing is not an impossible destination but a divine revelation of where you are right now find relief from the weight of overwhelming circumstances by resting in the realization that god is fighting for you trust that god is growing you in the gap between your expectations and your experience the word flourish is written all over you and your future discover the ongoing strength that jennie has found and learn to reengage in life with renewed strength and confidence

The Fight to Flourish

2020-05-05

advance praise the fight of the century brings back memories of a different and troubled time both in sports and in our country it is vividly reported and a perfect example of the old saying that the genius is in the details john feinstein the fight of the century just floats like a butterfly and sings like a canary arkush recaptures the period of the late 60s when america was in a quandary about vietnam ali's refusal to be drafted about smokin joe frazier's claim on the heavyweight title and the amazing build up to this great fight i saw the fight and remember the intensity in madison square garden people were fainting in the aisles the electricity of that fight buzzes through this book phil jackson ali frazier i was the greatest sports event i ever saw or ever expect to see with his landscape portrait of the men and their times michael arkush takes us again to that historic moment in madison square garden when two of boxing's proudest warriors began their blood feud dave kindred author of sound and fury two powerful lives one fateful friendship arkush not only gives us the inside story on one of the century's signature sporting events he frames it politically and socially i was there and now i know much more about what happened this is flesh and blood and history robert lipsyte the fight of the century transcends the mere sports story in michael arkush's capable hands this classic duel and its surrounding pressures and personalities show us where we have been as a society and where we are going it is a story that truly stands for a place and time it is a fully engrossing read michael connelly 1 new york times bestselling author never is a long time but there'll never be another cosmic boxing event like ali frazier i michael arkush brings alive that melodrama with all its political social implications wheeling and dealing hyping and hitting larry merchant author and boxing commentator a richly detailed history of ali and frazier's first big fight and the social and political forces at play a great read ron shelton director of bull durham and tin cup

The Fight for Missouri from the Election of Lincoln to the Death of Lyon

1886

both brawls and elaborate martial arts have kept movie audiences on the edges of their seats since cinema began but the filming of fight scenes has changed significantly through the years mainly for the safety of the combatants from improvised scuffles in the silent era to exquisitely

choreographed and edited sequences involving actors stuntmen and technical experts camera angles prevented many a broken nose examining more than 300 films from the spoilers 1914 to road house 1989 the author provides behind the scenes details on memorable melees starring such iconic tough guys as john wayne randolph scott robert mitchum lee marvin charles bronson clint eastwood bruce lee chuck norris and jackie chan

The Fight of the Century

2007-09-24

in this unflinching and inspiring autobiography the boxing legend faces his single greatest competitor himself sugar ray leonard s brutally honest and uplifting memoir reveals in intimate detail for the first time the complex man behind the boxer the olympic hero multichampionship winner and beloved athlete waged his own personal battle with depression rage addiction and greed coming from a tumultuous impoverished household and a dangerous neighborhood on the outskirts of washington d c in the 1970s sugar ray leonard rose swiftly and skillfully through the ranks of amateur boxing and eventually went on to win a gold medal in the 1976 olympics with an extremely ill father and no endorsement deals leonard decided to go pro the big fight takes readers behind the scenes of a notoriously corrupt sport and chronicles the evolution of a champion as leonard prepares for the greatest fights of his life against marvin hagler roberto duran tommy hearsns and wilfred benitez at the same time leonard fearlessly reveals his own contradictions and compulsions his infidelity and alcohol and cocaine abuse with honesty humor and hard won perspective leonard comes to terms with both triumph and struggle and presents a gripping portrait of remarkable strength courage and resilience both in and out of the ring

challenging conventional views stretching the minds of civil war enthusiasts and scholars as only john michael priest can into the fight is both a scholarly and a new interpretation of the most famous charge in american history using a wide range of sources ranging from the monuments on the gettysburg battlefield to the accounts of the participants themselves priest here rewrites the conventional thinking about this unusually emotional yet serious moment in our civil war starting with a fresh point of view and with no axes to grind into the fight challenges all interested in that stunning moment in history to rethink their assumptions

The Fight for the Argonne: Personal Experiences of a 'Y' Man

2022-07-20

women have always played a part in war but until recently in the u s they were not allowed to fight on the front lines this book will look into the controversy surrounding women in combat while detailing stories of women from today and yesterday finding themselves on the front lines and the courage initiative and uphill battles they face as both soldiers and women hoping to make a difference

The Law Journal Reports

1879

the crisis founded by w e b du bois as the official publication of the naacp is a journal of civil rights history politics and culture and seeks to educate and challenge its readers about issues that continue to plague african americans and other communities of color for nearly 100 years the crisis has been the magazine of opinion and thought leaders decision makers peacemakers and justice seekers it has chronicled informed educated entertained and in many instances set the economic political and social agenda for our nation and its multi ethnic citizens

Notorious

2018-08

faith in the fight tells a story of religion soldiering suffering and death in the great war recovering the thoughts and experiences of american troops nurses and aid workers through their letters diaries and memoirs jonathan ebel describes how religion primarily christianity encouraged these young men and women to fight and die sustained them through war s chaos and shaped their responses to the war s aftermath the book reveals the surprising frequency with which americans who fought viewed the war as a religious challenge that could lead to individual and national redemption believing in a christianity of the sword these americans responded to the war by reasserting their religious faith and proclaiming america god chosen and righteous in its mission and while the war sometimes challenged these beliefs it did not fundamentally alter them revising the conventional view that the war was universally disillusioning faith in the fight argues that the war in fact strengthened the religious beliefs of the americans who fought and that it helped spark a religiously charged revival of many prewar orthodoxies during a postwar period marked by race riots labor wars communist witch hunts and gender struggles for many americans ebel argues the postwar period was actually one of reillusionment demonstrating the deep connections between christianity and americans

experience of the first world war faith in the fight encourages us to examine the religious dimensions of america s wars past and present and to work toward a deeper understanding of religion and violence in american history
