A Man of the Church

2012-09-01

remembering the english civil wars is the first collection of essays to explore how the bloody struggle which took place between the supporters of king and parliament during the 1640s was viewed in retrospect the english civil

wars were perhaps the most calamitous series of conflicts in the country's recorded history over the past twenty years there has been a surge of interest in the way that the civil wars were remembered by the men women and children who were unfortunate enough to live through them the essays brought together in this book not only provide a clear and accessible introduction to this fast developing field of study but also bring together the voices of a diverse group of scholars who are working at its cutting edge through the investigation of a broad but closely interrelated range of topics including elite popular urban and local memories of the wars as well as the relationships between civil war memory and ceremony material culture and concepts of space and place the essays contained in this volume demonstrate with exceptional vividness and clarity how the people of england and wales continued to be haunted by the ghosts of the mid century conflict throughout the decades which followed the book will be essential reading for all students of the english civil wars stuart britain and the history of memory

Deliver Us From Evil: From the Case Files of Ed & Lorraine Warren

2014-10-04

if your best friend's deepest secret was a deep internal struggle between good and evil could you keep that secret from everyone for decades elizabeth has done just that for her friend woody she knows of his past about his drunk and abusive mother she knows woody was raised to subdue all emotion into numbness he wants to be normal but he fears he may become a serial killer or that someone else will discover his secret woody finds a place to express his bloodlust in the us navy during the early years of the vietnam conflict once back to civilian life though he has trouble adjusting to the idea that murder is no longer his duty outside the military murder is a crime he still longs for revenge on his childhood torturers but he knows that by hunting them by killing them he will be just like them through these internal battles elizabeth is always there keeping the truth of woody's past and present fantasies a secret together they share details of their own personal defects and romantic relationships their friendship keeps woody from becoming a monster but how long will elizabeth be able to calm woody's demons without awakening some of her own

since the release of the exorcist in 1973 there has been a surge of movies depicting young women becoming possessed by a demonic force that only male religious figures can exorcise thereby saving the women from eventual damnation this book considers this history of exorcism cinema by analyzing how the traditional exorcism narrative established in the exorcist recurs across the exorcism subgenre to represent the effects of demonic possession and ritual exorcism this traditional exorcism narrative often functions as the central plot of the exorcism film with only the rare film deviating from this structure the analysis presented in this book considers how exorcism films reflect reinforce or challenge this traditional exorcism narrative using various cultural and critical theories this book examines how representations of possession and exorcism reflect reinforce or challenge prevailing social cultural and historical views of women minorities and homosexuals in particular exorcism films appear to explore tensions or fears regarding empowered and sexually active women and frequently reinforce the belief that such

individuals need to be subjugated and disempowered so that they no longer pose a threat to those around them even more recent films produced after the emergence of third wave feminism typically reflect this concern about women very rarely do exorcism films present empowered women and feminine sexuality as non threatening in examining this subgenre of horror films this book looks at films that have not received much critical scrutiny regarding the messages they contain and how they relate to and comment upon the historical periods in which they were produced and initially received given the results of this analysis this book concludes on the necessity to examine how possession and exorcism are portrayed in popular culture

a fresh look at a famous prayer there is inherent in this prayer all the strength and compassion of our father in heaven there moves through it a beauty and a serenity which no mortal man can fully explain it reassures our hearts strengthens our resolve and leads us into personal contact with god our father in this moving book by an ordinary man and a child of god phillip keller takes each phrase of the lord s prayer one by one unfolding it in wonderful detail and sharing insights he s gained and experiences he s enjoyed next to psalm 23 the lord s prayer is perhaps the most universally beloved passage in scripture it has been repeated millions of times by countless individuals for nearly 20 centuries yet in spite of so much use and familiarity it has never lost its luster a layman s look at the lord s prayer presents that luster in a fresh way to help you rediscover its incredible power winner of the ecpa s top shelf cover award 2017

Turn Aside from Evil and Do Good

1995-05-01

perhaps the best way to learn to pray is by following the example of jesus the our father guides readers through the prayer jesus taught us and asks us to consider important questions as we learn to pray what are we asking for what are we committing ourselves to what does the our father teach us about prayer a guided discovery of the bible the bible invites us to explore god s word and reflect on how we might respond to it to do this we need guidance and the right tools for discovery the six weeks with the bible series of bible discussion guides offers both in a concise six week format whether focusing on a specific biblical book or exploring a theme that runs throughout the bible these practical guides in this series provide meaningful insights that explain scripture while helping readers make connections to their own lives each guide is faithful to church teaching and is guided by sound

biblical scholarship presents the insights of church fathers and saints includes questions for discussion and reflection delivers information in a reader friendly format gives suggestions for prayer that help readers respond to god s word appeals to beginners as well as to advanced students of the bible by reading scripture reflecting on its deeper meanings and incorporating it into our daily life we can grow not only in our understanding of god s word but also in our relationship with god

what if the american experiment is twofold encompassing both democracy and tyranny that is the question at the core of this book which traces some of ways that americans across the nineteenth century understood the perversions tyranny introduced into both their polity and society while some informed their thinking with reference to classical texts which comprehensively consider tyranny s dangers most drew on a more contemporary source napoleon bonaparte the century s most famous man and its most notorious tyrant because napoleon defined tyranny around the nineteenth century atlantic world its features and emergence its relationship to democratic institutions its effects on persons and peoples he provides a way for nineteenth century americans to explore the parameters of tyranny and their complicity in its cruelties napoleon helps us see the decidedly plural forms of tyranny in the us bringing their fictions into focus at the same time however there are distinctly american modes of tyranny from the tyrannical style of the american imagination to the usurping potential of american individualism elizabeth duquette shows that tyranny is as american as democracy
