of the decisions which must be made when the tigress awakens to play with the small mouse which dared invade it s territory memory is a funny thing sometimes the past is so distant but when things conspire just right yesterday can be as clear and vibrant as if all of the years have fallen away and the engines drone once again as those lonely hours require once again the hard decisions be made once again whoever it was that told you not to talk to strangers needs to have a talk with emily emily the strange that is emily knows that nothing is better than talking with strangers in fact the stranger the better but that s emily for youshe s the thirteenyearold queen of the cultural underground and she s too busy making up her own rules to follow anyone else s that s how we ve come up with so many insanely inspired ideas for the stories you ll find in dark horse s emily the strange volume 2 this big bizarre book collects the five most recent issues of dark horse s bestselling emily the strange comics so you won t miss a single strange moment from the rock issue the death issue the fake issue the revenge issue or the alone issue we ve all got issues man isn t it time you dealt with at least these five includes strange celebrity interviews with rocker marilyn manson gerard way and more collects the rock issue 4 the death issue 1 the fake issue 2 the revenge issue 3 and the alone issue 4 one of the most heartrending choices a mother can make is giving up her newborn child tenderly beats the lonely heart is an epic novel about the plight of one such mother who gave up her child at birth but decides twenty three years later to find him to reassure her that she had made the right choice while such journeys are commonplace the tragic events that occur on miriam walton s odyssey are far from ordinary each step fraught with turmoil and tragedy can miriam walton overcome the catastrophic obstacles that are thrown in her way as she seeks to reunite with the son she gave up at birth will her husband support her plan to reveal herself to her son thomas will her son thomas recover from the traumatic brain injury he sustained in a stage collapse and will he accept miriam as the mother he had hoped to find one day what of the parents that raised him as a foster child thomas s fiancé and the attorney that has fallen in love with miriam this is one you won t want to put down until all of these questions are answered a brave and revealing examination of an overlooked affliction that affects one in four canadians despite having a demanding job good friends and a supportive family emily white spent many of her nights and weekends alone at home trying to understand why she felt so disconnected from everyone to keep up the façade of an active social life and hide the painful truth that she was suffering from severe loneliness the successful young lawyer often lied to those around her and to herself in this insightful soul baring and

illuminating memoir white chronicles her battle to understand and overcome this debilitating condition and contends that chronic loneliness deserves the same attention as other mental difficulties such as depression right now loneliness is something few people are willing to admit to she writes there s no need for this silence no need for the shame and self blame it creates by investigating the science of loneliness challenging its stigma encouraging other lonely people to talk about their struggles and defining one person s experience lonely redefines how we look at loneliness and helps those afflicted see and understand their mood in an entirely new light ultimately providing solace and hope it is a moving compassionate and important book about a topic that is affecting more among us each day lily fairfield seemed to be rushing along a dark tunnel it was as if she were being borne on wings a keen delicately perfumed air was blowing in her face far ahead of her there was a pin point gleam of bright light that surely must be the end of the tunnel but as she swept on and on farther and farther the gleam did not grow larger or brighter it seemed to remain a white fixed star of light infinitely far away from the books a lonely cat meets a new friend in a traffic jam i loved it there s nothing out there like all the lonely people it s uniquely brilliant bold and not afraid to shout about what s wrong with the world while still showing how subtle changes and hope can save lives original shocking eye opening and thoroughly enjoyable simon p clark author of eren everyone tells kat that her online personality confident funny opinionated isn t her true self kat knows otherwise the internet is her only way to cope with a bad day chat with friends who get all her references make someone laugh but when she becomes the target of an alt right trolling campaign she feels she has no option but to escape delete disappear with her social media shut down her website erased her entire online identity void kat feels she has cut away her very core without her virtual self who is she she brought it on herself or so wesley keeps telling himself as he dismantles kat s world it s different seeing one of his victims in real life and not inside a computer screen but he s in too far to back out now as soon as kat disappears from the online world her physical body begins to fade and while everybody else forgets that she exists wesley realises he is the only one left who remembers her overcome by remorse for what he has done wesley resolves to stop her disappearing completely it might just be the only way to save himself all the lonely people is a timely story about online culture both good and bad that explores the experience of loneliness in a connected world and the power of kindness and empathy over hatred can bedivere win cat back bedivere is trapped in a snare of drugs and violence deep in the bowels of the galaxy while catherine works

with devlin woodward who campaigns tirelessly for varkan rights devlin s great deeds make him the most influential man in the known worlds when human and varkan life is shattered by the emergence of the periglus from the silent sector and their ruthless annexation of human worlds devlin s varkan allies may be the only people who can save the galaxy can bedivere claw his way back to civilization and win catherine back despite the periglus devlin s power and bedivere s own flawed humanity this book is part of the interspace origins science fiction romance series 1 0 faring soul 2 0 varkan rise 3 0 cat and company 3 5 interspace origins series boxed set a science fiction romance novel praise for cat and company a magnificent world with twist and turns and complex characters and if there isn t another sfr award in the future for this series i will be more than surprised i will be sorely disappointed i couldn t wait for this book to come out simply because i was dying to know what happens next with cat and bevidere i wasn t disappointed tracy really ended this series on a amazing note wow this story blew me away and i could not put it down until the very satisfying end i love bedivere and cat and find them among the most interesting characters i have read you ll love the roller coaster ride what i truly like is the stories never go in the direction i would expect these stories are in my to be read time and again file if i could get it more than five stars this would be the series this was such a fantastic series never had i read one that hit me so profoundly a remarkable conclusion to this refreshing and captivating sci fi series for a couple of days i hadn t been able to put the book down it draws you in mrs posey has the knack to enthralled the reader with her confident passionate writing this is a great trilogy and it has a beautiful ending with so much drama suspense and intrigue and love the middle it keep me through a couple of nights not wanting to put it down it was worth it this book never went the way i expected there were numerous plot twists that made this an amazing story bedivere and catherine are wonderfully complex and flawed beings i usually find it very easy to put a book down when i am reading it and to walk away from a book once i am done with it not so much this time when hat the cat s doting human friend doesn t come home for a while will a young visitor offer the lonely kitty a taste of freedom a gentle touching story for cat lovers of all ages ever since the old man found a little kitten under his hat the two have been the best of friends there are always plenty of kitty rubs and food and talk to go around every day hat watches as the old man goes outside to sit and feed the squirrels with nuts he places on top of his hat but hat the cat is not allowed to join him what if hat ran away or chased the squirrels or worse then the old man leaves and does not come back the next day or the one after that when people come

one hot summer s day a small tortoiseshell manx cat appears on my doorstep she looks hungry and frightened with no place to go where has she come from where is her home after a meal and some kindness it s easy to see that the little lonely cat is eager to stay but is she lost is anyone looking for her a search turns up nothing has this little cat been abandoned perhaps she will find her way home in the evening as day turns to night the clouds get quite gloomy and soon the little cat returns clearly she is in need of a loving home family and a new name how about lulu kitty safely inside she shakes off the chill and sets out to explore night settles

in and our sweet lulu kitty snuggles up in her new favorite spot at the foot of the bed this little cat has found her forever home where she sleeps that night and all the nights thereafter sadly stories of pets who are neglected and abandoned are common and many don't have happy endings the responsibilities of having a pet are considerable but the benefits of kindness and the joy that comes with four legged family members are much greater the day lulu kitty came to visit is a story of compassion trust and the lasting bond that develops between a pet and its owner

i loved it there s nothing out there like all the lonely people it s uniquely brilliant bold and not afraid to shout about what s wrong with the world while still showing how subtle changes and hope can save lives original shocking eye opening and thoroughly enjoyable simon p clark author of eren everyone tells kat that her online personality confident funny opinionated isn t her true self kat knows otherwise the internet is her only way to cope with a bad day chat with friends who get all her references make someone laugh but when she becomes the target of an alt right trolling campaign she feels she has no option but to escape delete disappear with her social media shut down her website erased her entire online identity void kat feels she has cut away her very core without her virtual self who is she she brought it on herself or so wesley keeps telling himself as he dismantles kat s world it s different seeing one of his victims in real life and not inside a computer screen but he s in too far to back out now as soon as kat disappears from the online world her physical body begins to fade and while everybody else forgets that she exists wesley realises

he is the only one left who remembers her overcome by remorse for what he has done wesley resolves to stop her disappearing completely it might just be the only way to save himself all the lonely people is a timely story about online culture both good and bad that explores the experience of loneliness in a connected world and the power of kindness and empathy over hatred
