Apple Pro Training Series 2010-10-26

when the videocassette recorder was launched on the consumer market in the mid 1970s it transformed home entertainment bringing together complementary but also competing interests from the consumer electronics industry and the film television and other copyright industries video created a new sector of media business two decades later dvd reinvented video media for the digital age dvd provided consumers with an innovative form of entertainment technology and almost instantaneously became the catalyst for a huge boom in the video market although the vcr and dvd created major markets for video hardware and software the video business has been continually shaped by industry conflicts and tensions repeatedly the video market has become divided when faced with the introduction of competing formats easy reproduction of films and other works on cassette or disc made video software a lucrative market for the copyright industries but also intensified struggles to combat the effects of commercial piracy video and dvd industries examines the business of video entertainment and provides the first study looking at dvd from an industrial perspective detailing divisions in the video business

the book outlines industry battles over incompatible formats from the betamax vhs war to competing laserdisc systems alternatives such as video compact disc or digital video express and the introduction of hddvd and blu ray high definition systems chapters also look at the formation of international markets in the globalization of video media the contradictory responses of the hollywood studios to video and dvd and the legal and technological measures taken to control industrialized video piracy

PC Mag 2004

according to guins these new control technologies are designed to embody an ethos of neoliberal governance through the very media that have been previously presumed to warrant management legislation and policing repositioned within a discourse of empowerment security and choice the action of regulation he reveals has been relocated into the hands of users book jacket
