descriptions than you knew existed for sexual activities proclivities
untoward incidents accidents of nature and the beast with two backs
addressing the mentally incompetent the cerebrally challenged the
absurdly bureaucratic the impossibly rational and other instances of
ineptitude obfuscation or obstruction and much more most people don't
like the sound of their voice but for some their vocal and communication
habits are holding back professional success typical problems include
voice pitches too high nasal gravelly etc mumbling swallowing of words
speech too soft people constantly asking to speak up speaking too fast
difficulty making small talk difficulty making eye contact stage fright
interrupting others other books address some of these issues but are not
grounded in speech science and professional expertise with dozens of
years under her belt as a ph d speech therapist and pathologist carol
fleming can get every reader to the right solutions quickly can you
sometimes be a pushover do you long for a backbone do you think that your
lack of assertiveness has damage your relationships these questions and
much more are addressed in this assertive communication masterpiece that
is designed to inculcate in the average human habit of refusing to saying
no when such situation mandates such a response it elucidates the art of
nicely and firmly saying no and how to be assertive without creating
enemies bringing the guilt feeling upon oneself and complicating
situations inside you will learn how to analyze your current situation
the value of saying no positive changes for how to spend your time how
and why to say no to loved ones how to say no at work how to say no to
friends positive goal setting you will have tools that will ease the
answer no when you are saying no to family friends significant other boss
co workers and more what would it look like to have time in your day for
some of the things you truly want to do in this book you will learn how
to make room for you how do i say i love you i tell you in so many ways
holding you close when you are small in this warm and cosy book children
grow and families have busy lives but there is always time and just so
many different ways to say i love you love can be a word or a hug it can
be a shared experience or activity a helping hand or a simple wave
goodbye this beautiful picture book shares the idea that love is
expressed differently by many different people but that it is also the
thing that we all have in common sixth grader rory s story of his
impossible to hide speech challenge and middle school drama is perfect
for fans of sharon draper s out of my mind rory still can't say his r s
but that s just the beginning of his troubles first rory s ex best friend
brent started hanging out with the mean lacrosse kids but then a terrible
accident takes brent out of school and rory struggles with how to feel
rory and his new speech teacher put their heads together on rory s r s as
well as a serious love of hard rock and boxing legend muhammad ali but
nobody seems to be able to solve the problem of rory s complicated
feelings about brent brent s accident left him with a 2001 ford expedition
s struggling should rory stand up for his old friend at school even after
brent failed to do the same for him a snappy book of simple conversational
swaps that reveals how to talk so everyone will listen

dynamic relationships invites us to step into the appreciative paradigm where the principles governing our actions and relationships offer a means for increased value and meaning in our lives and communities of work and play they empower us to become a force for creating and sustaining life affirming relationships and success in daily living
100 Ways to Say No 1999 here are some heartfelt words you can draw upon to beg forgiveness they range from the whimsical to anguished to sorrowful the penitent mood shines through in pictures of lonely landscapes a dejected sad eyed dog and unsettled nature but some moments are as light as a child s tiny error easily excused color throughout
The Bar Sinister 1886 anne kellas fourth collection ways to say goodbye reverberates with themes of grief and its legacies within the various contexts of a world disrupted by climate change and social upheaval the poems take the reader through dream sequences abstract ekphrastic and imagistic poems as well as deeply personal poems of loss the effect is a cumulative building of a quiet world of reflective resilience as the poet tries out possible ways to do what is almost impossible to love and to say goodbye
