Shakespeare's English: A Practical Linguistic Guide provides students with a solid grounding for understanding the language of Shakespeare and its place within the development of English with a prime focus on Shakespeare and his works. Keith Johnson covers all aspects of his language: vocabulary, grammar, sounds, rhetorical structure, etc. and gives illuminating background information on the linguistic context of the Elizabethan age as well as providing a unique introduction to the subject. Johnson encourages a hands-on approach, guiding students through the use of activities towards an understanding of how Shakespeare's English works. This book offers a unique approach to the study of early modern English which enables students to engage independently with the topic. Clear and engagingly written explanations of linguistic concepts, plentiful examples and activities including suggestions for further work, a glossary, further reading suggestions and guidance to relevant websites. Shakespeare's English is perfect for undergraduate students following courses that combine English language, linguistics and literature or anyone with an interest in knowing more about the language with which Shakespeare worked his literary magic.
