The Structural Lie 2011 bookaholic 2017 10 1

2022-05-20 psychologist dory hollander explores relations and communications between men and women focusing on the lies that men tell women and offering advice on how to recognize deception and get at the truth

101 Lies Men Tell Women 1995 most people value honesty they want to tell the truth they also value kindness sometimes though honesty and kindness collide that happens when telling the truth would be hurtful but being kind involves telling a lie how do people negotiate this clash of noble intentions when the truth hurts lying to be kind is a brief book with two parts part 1 is adapted from this chapter depaulo bella m morris wendy l sternglanz r weylin 2009 when the truth hurts deception in the name of kindness in anita l vangelisti ed feeling hurt in close relationships pp 167 190 cambridge cambridge university press in part 2 questions that various reporters have asked professor depaulo over the years are collected and answered professor bella depaulo is an award winning social scientist and harvard ph d who has been studying the psychology of deceiving and detecting deceit for decades she is one of the most renowned scholars in the field dr depaulo s previous books on deception include behind the door of deceit the hows and whys of lies the lies we tell and the clues we miss is anyone really good at detecting lies with charles f bond jr and the psychology of dexter bella depaulo is also an expert on single life and has published singled out single with attitude and singlism

When the Truth Hurts 2013-04-15 can you tell if someone is trying to pull the wool over your eyes deception is all around us whether it s our friends assuring us that our radical new hairstyle is great lovers insisting they have been faithful or marketeers misleading us with extravagant claims we are barraged with varying forms of deception in our everyday lives while many of us believe we are naturals at detecting lies most of us look in all the wrong places for signals of deception so how can you tell is someone is misleading you via a well intentioned white lie or a full blown scam with the right tools inside knowledge from the latest psychological research and a bit of practice anyone can improve their ability to sniff out lies in this book psychologists dr paul seager and dr sandi mann debunk the popular myths and show the true methods of lie detection learn how good you are at spotting lies the real clues in body language how to use an honest baseline the verbal and vocal cues to lying how to detect the lies of children friends lovers colleagues customers clients con artists salespeople and politicians would i lie to you is an indispensable guide for anyone who wants both to understand the art of lying and indeed to enhance their lie detection skills

Would I Lie to You? 2013-10-28 deception at work tells you how to recognize and deal with lies in meetings negotiations discussions and in writing it is guaranteed to make you a more effective and confident operator no matter what job you do simply leaving the book on your desk for others to see will improve your chances of not being deceived the book exposes deception in all of its forms linking the authors 40 years of experience in dealing with fraudsters with the most recent findings on mri scanning and the human brain it explains how why and in what circumstances both achievement and exculpatory lies are told and how they can be resolved it sets out a low key but effective plan for dealing with liars in all shapes and sizes from confidence tricksters to malingers and hard nosed fraudsters this ground breaking work includes the most comprehensive summary of the clues to deception of any book currently in print

Deception at Work 2017-05-15 the structural lie tackles one of social science s most mysterious problems how is it possible to derive statements about the grand structures of social life from their effects in the small movements of everyday life prominent sociologist charles lemert shows how marx and freud provide some answers to this question marx derived from the commodity his picture of the capitalist system freud diagnosed the character of psyches from the details of dreams slips and jokes this wonderfully readable and engaging book lays the foundation for a new social science in an age where a microchip can convey a world of information

The Structural Lie 2010-11-30 busy human s sales pitchyou are a busy human you don t have time to read piles of books think about the best way to understand them and then write possibly the most awesome notes on the planet luckily for you i don t really have much going on in my life so here we are in this special volume of busy human s summary i provide you my dear reader with simple and entertaining summaries of five of the top books on deception detection annnnnnnnd here they are what every body is saying an ex fbi agent s guide to speed reading people by joe navarro with marvin karlins this summary will set the groundwork for how the mind tries to keep the body honest and how you can read nonverbal signs to tell what someone is really thinking telling lies clues to deceit in the marketplace politics and marriage by paul ekman the gold standard in deception detection research this work will

serve as our baseline approach to catching lies spy the lie former cia officers teach you how to detect deception by philip houston michael floyd and susan carniceo with don tennant this is a really smooth work that offers an alternative and arguably more foolproof approach to catching liars you can t lie to me the revolutionary program to supercharge your inner lie detector and get to the truth by janine driver with mariska van aalst i can t lie to you there will be a lot of overlap by this point but there are also a whole bunch of new tools that this summary will put on your deception detection belt liespotting proven techniques to detect deception by pamela meyer at this point most of the techniques will be a review for you but there are some new thoughts in lie detection as well as specific applications of lie detection in the business world such as liespotting in negotiations resumes and the workplace by reading all five summaries not only will you learn different lie catching techniques but you will also study different approaches in methodology developed by separate groups and agencies of course there is going to be significant overlap in some ways but i ve found that the review helped me to remember what i d learned and isn t that the point these are not any old summaries i ve tried hard to summarize these five useful works in a very understandable manner and i ve added just enough humor to keep you entertained throughout the journey please note that these summaries are for educational aid and entertainment purposes only i sincerely hope that all of the content is totally true but i m mostly just trying to summarize books that other people wrote thanks for reading you busy human the mighty jewmanberg
