Illustrations of the lives of the saints are one of the most powerful ways God draws people to Himself, showing us the love and the joy we can find in Him. But so often these saints seem distant, impossibly holy, or dull, or unlike us in race and age and state in life. In *Lives of the Saints Around the World*, you'll meet over one hundred saints from more than sixty countries, including saints with different disabilities, strengths, and struggles. The beautiful illustrations and captivating storytelling will introduce you and your children to new heavenly friends while also helping you fall more in love with Jesus. Each story in this book is written not only to capture the imagination but also to speak about God's tremendous love and our call to be saints. There are stories in *Lives of the Saints Around the World* for when you feel like life isn't fair, when people are being unkind to you, when you've made a terrible mistake, when you're struggling at school, when prayer is hard, and there are stories of shouting down Nazis, of fleeing a murderous villain, of making scientific discoveries, of smoking a cigar while enemy soldiers amputate your leg. There are scared saints, brilliant saints, weak saints, adventurous saints, abused saints, overjoyed saints, disabled saints, and the point of every one of them is the love of God. Whether you're checking the map to find saints who look like you, or perusing the extensive indices to find saints with your skills or struggles, you'll find countless stories in this book that remind you how very possible holiness is. Inspirational tales of remarkable people, especially selected for their appeal and relevance to children aged about 7 to 11, the lives of the saints throughout the ages have inspired admiration and worship.
