FORD RANGER

2019-05-15

axelrod and his protagonist bring an amused judicious and ultimately tolerant eye to the foibles large and small of a mixed santa s bag of characters kirkus reviews it s christmas eve on nantucket and prominent businessman jackson blum is about to live out his own version of a christmas carol no visions no ghosts just the past represented by the exhumed skeleton of his old partner ted coddington with a bullet from blum s ruger pistol in its skull the present in the form of a horribly mistreated employee who reveals blum as the scrooge he is and the future invoked by a family crisis that threatens to ruin the rest of his life past present and future all colliding on the same dark night of the soul nantucket police chief henry kennis is investigating the so cold coddington case with blum as the main suspect while he roots out a plot to rig the traditional five thousand dollar red tickets raffle and struggles to close down a local opioid dealer who s selling to high school kids from a house on tuckernuck island a bleak vista of wild moors dirt roads and unpainted homes a century old it s a time machine says kennis with a whaling history henry s own son has been accused of cheating his daughter s been pushed out of the high school a capella singing group and his girlfriend s christmas play is careening toward disaster it looks like a calamitous holiday for everyone all the scandals tragedies and intrigues of the season close in on blum and kennis as the two of them face off amid the carolers and colored lights finally there s nothing to save the modern day scrooge from his terrifying future but a decades old secret scribbled on a stolen slip of paper and the uncertain mercy of the son he s lost but it s christmas and as the snow finally starts to fall on the decorated trees that line main street it s just possible that all sins will be forgiven and all sinners redeemed god bless us every one

West of England Emergency Service Vehicles

1975

this book imparts the experiences of a wartime child and tells of the fears and horrors of life in england during w w ii daily bombing attacks left ordinary people wondering why this was all happening to them but they learned to cope and survive many of these people lost all of their worldly possessions and were bewildered and confused as to what the future had to bring the breakup of families should never be taken lightly and the effects of broken marriages will always have a profound adverse effect on children the experiences of this young boy shows how a child looked at the war and what it was like to be both loved and hated by the people that surrounded him the complex and sometimes cruel nature of people in what to him were highly trusted positions in our society would dog him throughout life his naiveté would sometimes be his downfall and then sometimes it would be his success his friendship with a dying boy would transform his life and give him hope for the future his need to be loved and wanted were paramount to him he tried to fit in wherever he could each time he became attached to someone he would eventually be separated from him or her life does not always have a happy ending for a child and most bad memories do not go away

how do otherwise decent people become mesmerized by a doctrine of hate how can its grip be broken in seeking answers to these pressing questions for our times barbara leimsner confronts the past to discover how one ordinary man her adored german papa became thoroughly indoctrinated with nazi ideology during the hitler years its hateful tentacles reached into her young life as he filled her head with beliefs about aryan superiority racist stereotypes and conspiracy theories leimsner sweeps the reader from immigrant working class life in 1960s suburban ontario back to fascism s rise in her father s former sudeten homeland and into war as she weaves together the roots of her shameful inheritance she also discovers deeper truths about herself and the cure for hate this thoughtful compelling story will appeal to anyone concerned about the resurgence of racism nationalism and far right ideologies today and those interested in the nazi legacy and second world war it will speak to all readers with german ancestry grappling with the past and those interested in the immigrant experience issues of inter generational memory identity and trauma

Nantucket Red Tickets

2003-12

this book highlights the contributions and careers of native americans who have carved impressive careers in hollywood from the silent film era of the early 1900s to the present becoming advocates for their heritage this book explores how the heritage and behind the scenes activities of native american actors and filmmakers helped shape their own movie images native artists have impacted movies for more than a century but until recently their presence had passed largely unrecognized from the silent era to contemporary movies this book features leading native american actors whose voices have reached a broad audience and are part of the larger conversation about the exploitation of underrepresented people in hollywood each chapter highlights native actors in lead or supporting roles as well as filmmakers whose movies were financed

2023-10-27

4/9

and distributed by hollywood studios the text further explores how a pan indian heritage that applies to all tribes in terms of spirituality historical trauma and a version of ceremony and storytelling have shaped these performers movie identities it will appeal to a wide range of readers including fans of westerns history buffs of american popular cinema and students and scholars of native american studies a note from the author since the publication of this book the cbc news magazine the fifth estate released an investigative documentary on october 27 2023 alleging that buffy sainte marie had been fraudulently posing as a native canadian throughout her career
