despite only nine years of production vincent's continue to be ridden regularly in rallies hard in racing and certainly well beyond the normal lifespan of a motorcycle this book tells the vincent story from 1946 until the present day including the stories of those significant individuals who helped to make vincent's such legendary machines

this book examines the classic period of grand prix racing from 1960 to 1969 and the men and machines involved a fascinating exploration of the last decade of traditional grand prix racing before significant events changed the nature of the sport forever
