marko marttila's study is a new contribution to the old question how the i of the psalms should be understood it seems that people who were responsible for editing the hebrew psalter more than two thousand years ago identified the suffering anonymous i with the suffering people of israel thus the editors in their own time attempted to make earlier texts more actual book jacket

Interpreting the Psalms 1986

this book was written for the general reader to provide a clearer understanding and a deeper appreciation of the religious and literary value of the psalms the hebrew psalms have a power of survival which is unparalleled in the spiritual life of the western world composed in the near east twenty five to thirty centuries ago they are still read or sung by jews as well as christians of all denominations what is the secret of their vitality how do the psalms continue to offer a wisdom for living and a consolation for dying dr terrien here gives the twofold reason for their enduring power the psalmists belonged to a nation born to be the servant of the lord they placed god at the center of their existence and held that life on earth is not worth living unless it is related properly to the creator of the universe the giver of life the master of nature and the judge and savior of humanity in history what they said is particularly relevant today for in times of cultural decay and military disasters they found that human existence in spite of its trials and madness remains a truly worthwhile experience they faced the agony of national disintegration and of personal death and yet they were singing the psalmists praised god and prayed to him not only as people of faith but also as poets they formulated their faith with a sublime diction that remains powerful in spite of the obscurities of language and the awkwardness of translation dr terrien shows how these poets captured in words certain dimensions of truth and beauty which defy ordinary expression and why through the marriage of thought and poetic emotion they were able to carry their impact to us across the barriers of time and tongue this book illustrates how best to reap the wisdom and consolation of the psalms so that we too may understand their meaning for today

Exposition of the Psalms 1959

when jesus was dying on the cross for our sins three of the seven statements he made at this critical moment of his life were from a single old testament book the book of psalms first he cried out my god my god why hast thou forsaken me which was a quotation from psalm 22 1 later he said i thirst a quotation from psalm 69 21 finally he prayed father into thy hands i commend my spirit words drawn from psalm 31 5 at the key moment in his life our savior drew his strength from book of psalms jesus made four other statements while he hung on the cross father forgive them for they know not what they do verily i say unto thee today shalt thou be with me in paradise woman behold thy son and it is finished but the only scripture he quoted while on the cross came from the book of psalms in his hour of deepest need he found his help in the psalms this book is written to teach you to do the same understanding the psalms what is a psalm a biblical psalm is a spirit inspired prayer originally voiced in song addressing the need of a human heart a need for mercy and forgiveness a need for miraculous help for healing or deliverance or protection for example the need to praise and worship the creator the need for guidance or comfort or justice or strength or even the need to complain and question the psalms address these and every other human need under the sun the exciting thing is this because the psalms are spirit anointed prayers they have the ability to tap into the presence and power of heaven on behalf of everyone who reads and prays them including you and me that is why the

lord included them in his written word to make them available to his people down through the ages so that he could do miracles in their lives

Open and Unafraid 2020-03-10

at key moments in his life on earth jesus christ the very son of god turned to the psalms for words to express his deepest thoughts and emotions it is not hard to imagine jesus his mind and heart saturated with the words and thoughts of the psalms as they were prayed aloud in the temple going off early in the morning to pray how much must he have mouthed the words of the psalms and given them a fulfillment they became his answering speech to his heavenly father in these pages you will discover how the psalms that relate closely to the mission of jesus can also become our answering speech we will begin our journey into the mind of christ by immersing ourselves in several psalms which jesus himself refers to and fulfills and then in the second half of the book we will immerse ourselves in psalms that jesus would have meditated on during his time on earth focusing on the heart and mind of jesus as he prayed the psalms structural analysis of each psalm will help us grow our ability to read the psalms the guided personal prayer liturgy with each chapter will help us go deeper in the experience of praying the psalms through these psalms we will discover more of the human life of our lord and savior and in the process we will discover more of who we are as we come before our holy god also included a group discussion and prayer experience to accompany each chapter
