The spirits of the past 1850

when speaking of the spirit world people in general tend to think of the deceased for whatever reason when speaking of spirits whenever the spirit world is mentioned it hasn't anything to do with the deceased nor deceased loved ones scripture says in ecclesiastes 9 5 as for the dead they are conscious of nothing at all also 1 corinthians 5 3 says absent in body but present in spirit with the lord then who are pretending to be spirits of the dead masquerading as spirits of the deceased or deceased loved ones wicked spirits or demons they are the angelic sons of god who joined satan in rebellion against god then war broke out in heaven michael and his angels or angelic sons of god fought against the dragon who fought back with his one third of angels or angelic sons of god but was defeated and cast out of heaven down to earth never allowed to stay in heaven any longer they are now on the earth coexisting with us as spirit persons or demons demons are invisible wicked spirit persons sometimes called fallen angels having superhuman power the first to make himself one was satan the devil who became the ruler of other angelic sons of god who also made themselves demons though restrained from materializing they still have great power and influence over the minds and lives of mankind even having the ability to enter and possess humans and animals as well as to use inanimate things such as houses these invisible wicked spirit persons known as demons have the ability to enter humans and possess their bodies to dwell in as their own and control individuals to perform their will and purposes which is to harm steal kill or destroy neither age nor gender are exceptions world demons are the culprits pretending and masquerading to be spirits of the deceased or loved ones to spread the sickness and advance the idea that the dead are still living on the earth

The Coming of the Spirits 2021-03-11

the communications in this little volume purporting to come from disembodied spirits came in the manner hereinafter stated and all that i had to do with them was to faithfully and to the letter transcribe them from the slate on which they were written into blank memorandum books which i procured for the purpose before laying before the reader the modus operandi of their delivery i deem it proper that i should give a brief outline of my own history especially do i feel the importance of this since i am little known outside of the circle of my immediate acquaintances it has always been my aim in life to live uprightly before god and man and as to the success of this noble purpose formed in early life i may confidently refer to my neighbors and many of the leading citizens of cincinnati ohio with whom i have enjoyed an intimate social and business acquaintance for nearly forty years i do not know why i should have been made the recipient and custodian of the truly remarkable spirit communications contained in the following pages except from a long lifetime of honest endeavor to do right i was deemed worthy and from the additional consideration that the spirits interested in the work knew i would cordially co operate with them in laying the matter presented before the world and

that happily i possessed the pecuniary means to do so

A Book Written by the Spirits of the So-Called Dead **2016-09-01**

the jailer s evil spirit torments residents the demonic black entity appears in broad daylight the ghost of a trapped child still searches for her mother these examples are just a taste of the terrifying phantoms and tortured souls that dwell in the cage a cottage in essex england that was used to imprison those accused of witchcraft in the 16th century when vanessa mitchell moved into the cage she had no idea that a paranormal nightmare was waiting for her from her first day living there vanessa saw apparitions walk through her room heard ghostly growls and was even slapped and pushed by invisible hands after three years of hostile paranormal activity vanessa moved out fearing for her young son s safety then paranormal researcher richard estep went in to investigate spirits of the cage chronicles the time that vanessa and richard spent in the cage uncovering the frightening and fascinating mysteries of the spirits who lurk within it

Spirits of the Cage 2017-09-08

asthi valley becomes a haunted town after sunset everyone who lives here follows one strict rule be home before dark at night vicious creatures roam around attacking anyone they see the people call these creatures the spirits it is believed the spirits are souls of abused dogs seeking revenge against humans one tragic afternoon sonia ends up comatose and her soul wanders through the forest her lost soul comes face to face with the spirits they chase her and when she has nowhere else to hide an unexpected spirit saves her that spirit tells her she has to go back into her body as soon as she can or her body will keep deteriorating and eventually die if this happens she will be a lost soul forever without any clear direction out of the forest sonia must escape the spirits and find her way back home before time runs out this book has content similar to the yulin dog meat festival

The House of the Spirits 2015-12-15

being a highly rewarded professional in a very successful international business does not always bring happiness john fitzpatrick could get the job done and was envied by most of his associates but he was a lonely lonely man then it happened he met and fell in love with that very special someone she was a young widow with a daughter she had a slight problem with a love for irish whiskey but so did john she was sometimes odd but always loving john knew all those things but he knew their love could and would conquer all then he lost her she simply disappeared but john knew in some strange way that she would return he soon met another young lady who looked and sounded like his lost love but strange apparitions seemed to haunt their friendship then his first love was found then lost once more forever out of such chaos can a loving happy marriage and a wealthy lifestyle evolve it can if your name is john fitzpatrick and you are blessed with a special talent and taste

The Spirits of Sorrow 2024-04-17

spirits can be haunters informants possessors and transformers of the living but more than anything

anthropologists have understood them as representations of something else symbols that articulate facets of human experience in much the same way works of art do the social life of spirits challenges this notion by stripping symbolism from the way we think about the spirit world the contributors of this book uncover a livelier more diverse environment of entities with their own histories motivations and social interactions providing a new understanding of spirits not as symbols but as agents the contributors tour the spiritual globe the globe of nonthings in essays on topics ranging from the holy ghost in southern africa to spirits of the people of the streets in rio de janeiro to dragons and magic in britain avoiding a reliance on religion and belief systems to explain the significance of spirits they reimagine spirits in a rich network of social trajectories ultimately arguing for a new ontological ground upon which to examine the intangible world and its interactions with the tangible one

good spirits bad spirits how to distinguish between them is an explanation of the invisible world of occult spirits variously known in the new age as channeled spirits spirits from god god himself spirits of sorcery or magic and prophetic spirits good spirits gives the reader a broad overview of occult spirit intentionality embodied in hidden goals and multi generational plans given the benefit of an eternity in which to achieve their goals occult spirits have honed the tricks of their supernatural trade to a fine art the art of persuading humans this skill is evident in channeled books such as conversations with god and messages from the masters through channeling and other means of contact such as the harmless ouija board occult spirits can wage spiritual and sometimes physical destruction in the lives of ordinary individuals the purpose of the spirits are most easily achieved through their creation of the famous personality whom they shepherd from childhood by lending their human agents the use of apparent occult powers such as contacting of the dead and foreseeing the future the spirits are able to spread their influence over the many while concealing their own malicious motives

a subdivision built over an indian burial ground pets dying and now people being murdered by shadow warriors they stashed the indian bones and bodies in a hole later discovered by a paranormal activities professor who deals in the spirit world she tries to save the people and warn them of the slaughter about to occur what happens next is awaiting you inside

Spirits of Death 2014-05-16

among the spirits tells the story of irene allen block who discovered at a very early age that she wasn t like the other children she played with while growing up in england she could see and communicate with spirits this would lead irene down a unique and sometimes lonely path of self discovery filled with laughter tears and frightening visions of the other side among the spirits is a personal story of one woman s spiritual journey as she travels through the world of the strange and paranormal from crossing over the spirits of young victorian era children to battling demonic forces in a terrifying fight to the death irene uses her gifts to help out people in need on both sides of the spiritual veil and as

you journey with her you will see first hand how her experiences have not only effected her own life but those closest to her if the title suggests a nice warm heart rendering book about being surrounded by spirits then you re in for a real surprise from the age of 4 irene saw and spoke with the dead and by the time she had moved to london aged 9 she was helping spirits move to the light well the good ones anyway imagine being that age and confronted by demons this is one woman s terrifying story about the tormented souls that have been with her for most of her life however it s more than a book about naughty ghosts it s an honest down to earth account of irene s life including her mischievous teenage years her journey into the paranormal and the tormented dark side of the paranormal that is hardly ever spoken about let s not forget that wherever there is good there is bad and this lady has a habit of encountering the bad spirit out there this is why she created spirit rescue international a worldwide agency dedicated to helping rid the world of the bad spirits the demons and the tortured souls that choose to hang around and torment the living from demons to devilish poltergeists irene and her team have solved cases all over the world using their natural gifts and scientific remote viewing this book is a must read if you want to know the real truth about how to get rid of spirit then this is the book for you paul stevenson haunted magazine

Among the Spirits 2014-11-30

allan kardec s supreme handbook about the world of the spirits and the movement of spiritism is a valuable and insightful guide to existences beyond our corporeal realm in the mid 19th century allan kardec was a noted scholar working in paris with qualifications in the medicine and the natural sciences a fashionable trend at the time was seances something which kardec undertook with enthusiasm struck by the results of the process he commenced to write several studies which would prove popular among those convinced in the power of spirits to demonstrate influence or power kardec begins this work by delving into the historical significance of spirits their connection with god and the physical universe how spirits are situated in the world and how they move unseen between the planes of existence is discussed the second part concentrates on the spirit world in greater detail the types of spirits and how they are incarnated are detailed with kardec proposing that several distinct planes of existence are extant and that most individuals proceed through life without knowing or seeing their influence a chapter is devoted to how spirits might intervene in our everyday corporeal world often these excursions have a purpose the spirits are on a mission to inform someone or change something that harmony may be restored the third part concerns the ten eternal and unchanging moral laws which govern both humanity and the spirits proclaimed by god these laws offer insight into the behavior of the spirits who largely seek to conform to these laws through spiritual consultations we may learn more about the moral laws that we grasp the truths behind good and evil each of the laws receives a thorough examination by the author the fourth concluding part of this book discusses how people may treat their knowledge of the spirits although we are subject to earthly joys sorrows good fortune and misfortune the knowledge that spirits are present is a consolation from the hardships of existence the book is arranged so as to pose a series of questions which the author then answers this format is retained for the entirety of the work with a total of over one thousand questions regarding spirits answered the reader will emerge knowledgeable and poised to begin their own investigations into the spiritual realms beyond our own

The Spirits' Book 2017-09-05

Among the Spirits 2012-05

spirits of the place is a rare and timely contribution to our understanding of religious culture in laos and southeast asia most often studied as a part of thai vietnamese or khmer history laos remains a terra incognita to most westerners and to many of the people living throughout asia as well john holt s new book brings this fascinating nation into focus with its overview of lao buddhism and analysis of how shifting political power from royalty to democracy to communism has impacted lao religious culture the book offers an integrated account of the entwined political and religious history of laos from the fourteenth century to the contemporary era holt advances the provocative argument that common lao knowledge of important aspects of theravada buddhist thought and practice has been heavily conditioned by an indigenous religious culture dominated by the veneration of phi spirits whose powers are thought to prevail over and within specific social and geographical domains the enduring influence of traditional spirit cults in lao culture and society has brought about major changes in how the figure of the buddha and the powers associated with buddhist temples and reliquaries indeed how all ritual spaces and times have been understood by the lao despite vigorous attempts by buddhist royalty french rationalists and most recently by communist ideologues to eliminate the worship of phi spirit cults have not been displaced they continue to persist and show no signs of abating not only have the spirits resisted eradication but they have withstood synthesis subordination and transformation by buddhist political and ecclesiastical powers rather than reduce buddhist religious culture to a set of simple commonalities holt takes a comparative approach using his nearly thirty years experience with sri lanka to elucidate what is unique about lao buddhism this stimulating book invites students in the fields of the history of religion and buddhist and southeast asian studies to take a fresh look at prevailing assumptions and perhaps reconsider the place of buddhism in laos and southeast asia

Spirits of the Place 2009-07-29

the battle of this generation is intense and satan has vowed to unleash terror on god s children among other spirits which satan has deployed to cripple believers is the spirit of infirmity the spirit of infirmity was of major concern to the lord jesus christ even when he was physically on earth this is the reason why deliverance and healing were prominent in his earthly ministry to open a door the right key is required this book in your hand is a kingdom key that will open the door to deep revelations about deliverance from spirits of infirmities among other spiritual insights revealed in this book you stand to learn the following the reason why every believer needs the bread of deliverance the gateways deployed by the spirits of infirmities to attacking believers what gives the spirits of infirmities the power to resist medications and therapy spiritual havoc which the spirits of infirmities cause immediately after entering the body of their victims and how to combat them how to deal with the spirits of infirmities headlong how to keep off the spirits of infirmities after receiving deliverance this book also contains diverse testimonies of people put together to establish the faith of god s children

Accessing the Deliverance Power of the Holy Spirit over All Spirits of Infirmities 2020-05-28

journey through terror ghostly images caught on camera spirit voices calling her name everywhere dorothy turk went the spirits of the dead would find and torment her she tried to ignore them but that only forced them to use more aggressive behavior in their attempt to communicate why her what do they want the answers to those questions may shock you

Surrounded By Spirits 2017-03

speaking towards the end of the catastrophic great war rudolf steiner reveals the spiritual roots of the crises of our times since 1879 he says human minds have been influenced by backward angels spirits of darkness who following their defeat in battle with archangel michael were forced out of the heavens and fell to the earth this war in the spiritual worlds had consequences and it is essential that people today are sufficiently awake to the retrogressive influences around them in a positive sense we can choose freely to engage with the spirits of light who seek to emancipate human beings from bonds of race nation and blood in this extraordinary series of lectures rudolf steiner throws light on hidden aspects of world affairs with the bolshevik revolution having just taken place he discusses events in russia and humanity s attempts to build theoretically perfect social orders steiner also speaks about the roles and spiritual backgrounds of significant individuals such as the mystics johann valentin andreae vladimir soloviev and saint martin the american and british politicians woodrow wilson and lloyd george and world historic figures including charles darwin and johann wolfgang von goethe the new edition of this classic work features a revised translation notes and extensive appendices by editor frederick amrine plus a new introduction by christopher schaefer

The Fall of the Spirits Of Darkness 2022-10-17

in august 1986 alice auma a young acholi woman in northern uganda proclaiming herself under the orders of a christian spirit raised an army called the holy spirit mobile forces and with it waged a war not only against the national resistance army of the government but also against internal enemies in the form of impure soldiers witches and sorcerers she came close to her goal of overthrowing the government but was defeated and fled to kenya this book gives an account of the movement from within based on interviews with and writings of its members and concludes with an account of the successor movements into which alice s forces fragmented including the lord s resistance army actively involved in the civil wars of the sudan and uganda north america ohio u press uganda fountain publishers
