Silicon Valley Girl (Hardcover Version)

2017-06-29

silicon valley girl hardcover version by maya morrow inspired by the life and works of poet sylvia plath including plath s published journals maya morrow presents her own coming of age journey in this collection of raw and uncensored diaries spanning a decade and a half the story begins christmas 1984 and ends in 1999 when the author twenty six rediscovers the handwritten diaries for the first time these diaries are compelling enough on their own morrow writes however what makes this coming of age story different from many others is that it gives the reader a glimpse of not just an average american middle class girl s life it highlights the fact that my life was that and i m afro american when the cosby show came on i saw my family on television and didn t understand why the media said the show was an unrealistic depiction of african american life it was realistic it was my life set against a backdrop of cultural touchstones any gen xer would recognize silicon valley girl my adolescent life and times and an ode to generation x offers a deeply personal look at the emotional life of a teenager of color trying to make sense of race class and sexuality at the dawn of post cold war america 2017 hardcover 242 pages
