Inner Powers to Maximize Your Performance 2003

if you are ready to embark on the best journey of your life making your dreams reality fulfill your destiny then it is time to forget about the past together let s create and celebrate the future there are many secrets to success most people know all the successful methods techniques to succeed laws values principles to live by i believe it is just that people lack self discipline don t know themselves and don t understand the universal laws or do not believe in themselves or the laws of life and you have those people that do believe but fear is holding them back the thing is none of

these so called secrets to success will work unless you do but i represent the idea that whatever you set your mind on if you believe it you can do it the human mind is that powerful we all tend to get in life what we are and believe we are worth but what i have discover is that there is no limit to what we can achieve once you think of something it becomes possible for you to achieve it if you believe it it s that simple and that is the essence of what i teach which let me to write discover your inner powers none of us have any idea of the inner powers that lies dormant in us i suggest that you read this book several times practice the exercises techniques that i share with you consistently and with conviction you can create a successful wealthy life the life that you want for yourself know thy self said socrates to thine own self be true shakespeare but most of us are not you will discover your authentic self your divine self your infinite intelligence to be all that you can be and live to your highest potential and fullest expression and grow from survival and become successful and live ultimately a life of significance missions accomplished living a life on purpose joyful happy prosperous wealthy and in abundance but most of all in peace love if you re reading this book chances are you re looking for a better way of life or know the value of reading personal development books and or seeking to learn more grow more be more let me tell you that i don t believe in coincidence but in divine intervention because this world is governed by universal laws this then is a divine moment it was meant to be so together let s do this discover your inner powers will raise your awareness of everything around you and teach you how to use the universal laws to work for you to create your own miracle there is nothing new under the sun therefore there is nothing that i can teach another man i can only help him find it within himself my mission is to help people discover their inner powers and understand the power that created the laws that govern the universe and controls this world everything you want is already here it is just a matter of becoming aware of it so you see it is awareness that we are after your awareness dictates your life you can tap into this highest source of power with your inner powers and become one with the highest

source and you let this power flow through you with you in you once you are connected with this universal power nothing is impossible for you to achieve using your inner powers you can create or co create anything you want so together let s go on this discovery and unleash your inner powers into the universe which is ready to conspire with you to help you get anything you can think of discover your inner powers will guide you on what to do and how to do it are you ready the first step of this creative process is to buy the book

The 12 Powers of Man 2023-12-11

if you are ready to embark on the best journey of your life making your dreams reality fulfill your destiny then it is time to forget about the past together let s create and celebrate the future there are many secrets to success most people know all the successful methods techniques to succeed laws values principles to live by

Powers Within 1999
