each chapter includes these features an overview of the character scripture passages related to the character breakthrough articles that pertain to the character a list of similarities between young adolescents and the biblical figure biblical quotes that point to god s presence n the character s story and a getting to know the biblical character activity or activities that explores who the biblical character is and makes connections between his or her relationship with god and the young people s own life experience back cover

Teaching Activities Manual for Breakthrough! the Bible for Young Catholics

2006

english biblical drama of the sixteenth century resounds with a variety of jewish and christian voices whether embodied as characters or manifested as exegetical and performative strategies these voices participate in the central reformation project of biblical translation such translations and dramatic texts are certainly enriched by studying them within the wider context of medieval and early modern biblical scholarship which is implemented in biblical translations commentaries and sermons this approach is one significant contribution of the present project as it studies the reciprocal illumination of bible and drama chanita goodblatt explores the way in which the interpretive cruxes in the biblical text generate the dramatic text and performance as well as how the drama s enactment underlines the ethical and theological issues as the heart of the biblical text by looking at english reformation biblical drama through a double edged prism of exegetical and performative perspectives goodblatt adds a new dimension to the existing discussion of the historical resonance of these plays jewish and christian voices in english reformation biblical drama integrates jewish and christian exegetical traditions with the study of reformation biblical drama in doing so this book recovers the interpretive and performative powers of both biblical and dramatic texts

Breaking the Stronghold of Food

2017-01-03

the book of genesis portrays the character jacob as a brazen trickster who deceives members of his own family his father isaac brother esau and uncle laban at the same time genesis depicts jacob as yhwh s chosen from whom the entire people israel derive and for whom they are named these two notices produce a latent tension in the text jacob is concurrently an unabashed trickster and yhwh s preference how is one to address this tension scholars have long focused on the implications for the character and characterization of jacob the very question however at its core raises an issue that is theological in nature the jacob cycle gen 25 36 is just as much if not more a text about god as it is about jacob a point startlingly absent in a great deal of genesis scholarship anderson argues for the presence of what he has dubbed a theology of deception in the jacob cycle yhwh operates as a divine trickster who both uses and engages in deception for the perpetuation of the ancestral promise gen 12 1 3 through a literary hermeneutic emphasizing the symbiotic relationship between how the text means and what the text means and a keen eye to the larger task of old testament theology as literally a word about god anderson examines the various manifestations of yhwh as trickster in the jacob cycle the phenomenon of divine deception at every turn is intimately tethered in diverse ways to yhwh s unique concern for the protection and advancement of the ancestral promise which has cosmic implications attention is given to the ways that the multiple deceptions some previously unnoticed evoke advance and at times fulfill the ancestral promise anderson s careful and thoughtful interweaving of trickster texts and traditions in the interest of theology is a unique contribution of this important volume oftentimes scholars who are interested in the trickster are unconcerned with the theological ramifications of the presence of material of this sort in the biblical text while theologians have often neglected the vibrant and pervasive presence of the trickster in the biblical text equally vital is the necessity of viewing the old testament s image of god as also comprising dynamic subversive and unsettling elements attempts to whitewash or sanitize the biblical god fail to recognize and appreciate the complex and intricate ways that yhwh interacts with his chosen people this witness to yhwh s engagement in deception stands alongside and paradoxically informs the biblical text s portrait of yhwh as trustworthy and a god who does not lie anderson s jacob and the divine trickster stands as a stimulating and provocative investigation into the most interesting and challenging character in the bible god and marks the first true comprehensive treatment of yhwh as divine trickster anderson has set the stage to continue the conversation and investigation into a theology of deception in the

this book provides a fundamental knowledge of the bible and a comprehensive view of god's interactions with man from the beginning adam's fall from grace and god's redemptive plan was set in motion to restore what he had lost god destroyed all flesh from off the face of the earth except eight persons he saved only noah and his family scores of decades later god made a covenant promise to a man called abraham which he said that he would bless his seed along with his descendants and the nations of the world god would provide through abraham hope faith and love to his physical descendants and to the nations of the earth god mightily blessed abraham his son isaac his grandson jacob and his great grandson joseph through whom god promises to bring salvation and blessings to the whole world god shall ultimately triumph victoriously over evil as we shall discover in the life of joseph god re-directs evil to accomplish his divine will and purpose thus humanity was saved

Goodness is its Own Reward

2009-12-29

the ancient israelites believed things that the writers of the bible wanted them to forget myths and legends from a pre-biblical world that the new monotheist order needed to bury hide or reinterpret ancient israel was rich in such literary traditions before the bible reached the final form that we have today these traditions were not lost but continued passed down through the ages many managed to reach us in post-biblical sources rabbinic literature jewish hellenistic writings the writings of the dead sea sect the aramaic greek latin and other ancient translations of the bible and even outside the ancient jewish world in christian and islamic texts the bible itself sometimes alludes to these traditions often in surprising contexts written in clear and accessible language this volume presents thirty such traditions it voyages behind the veil of the written bible to reconstruct what was told and retold among the ancient israelites even if it is not what the bible tells us

2015-11-03

when john m glen s highlander no ordinary school 1932 1962 first appeared in 1988 it was hailed as a full and authoritative study of one of the south s most extraordinary and controversial institutions now in this second edition glen updates highlander s story through the 1990s he incorporates newly available materials and the latest scholarship to detail the school s recent work in appalachia its efforts to bring international grassroots groups together on common issues and its support of emerging economic and environmental justice campaigns first named the highlander folk school and established in 1932 by myles horton and don west near monteagle tennessee this adult education center has been both a vital resource for southern and appalachian activists and a catalyst for several major movements for social change during its first thirty years highlander served as a community folk school as a training center for southern labor and farmer s union members and as a meeting place for black and white civil rights workers its advocacy of racial equality ultimately prompted the state of tennessee to revoke the charter of the original institution in 1962 undaunted the school s officers reorganized the institution as the highlander research and education center in knoxville where it gave ongoing support to the civil rights movement and promoted a multiracial poor people s coalition today operating in new market tennessee it continues to devise new strategies of progressive change from the experiences of ordinary people this comprehensive history offers a unique perspective on the movements institutions organizations and individuals that permanently reshaped our understanding of the south and appalachia in the twentieth century it also suggests the range of problems and possibilities of using education to achieve economic political and racial justice

The Teacher Training Manual

2007

when i started thinking about building a faith based curriculum for the early childhood classroom my goal was to create a curriculum that would catch the interest of children 0 kindergarten see i have worked in the early childhood classroom for almost two decades and while the goal is at the heart of the curriculum i have used the interest it has sparked in our young ones is mild and dulled down at best how can we best instill an excitement to learn in our young ones by making the material and manipulatives hands on and exciting i don t mean by reading a story and pulling out paper puppets on craft sticks although this may be what some children like and want to explore what i mean is presenting values and morals in an explorative manner in conjunction with developmentally appropriate learning standards that help engage your students in learning experiences while getting them excited including stories and sensory materials story buckets role playing with dress up materials including a variety of mixed media to spark your student s interests is absolutely necessary create an environment that appeals to learners of various ages backgrounds and learning styles make your lesson times fun and interesting and your learners will gravitate back for more

Highlander

1996

the district of epiros in north western greece became an independent province following the fourth crusade and the dismemberment of the byzantine empire by the latins in 1204 it retained its independence despite the recovery of constantinople by the greeks in 1261 each of its rulers acquired the byzantine titles of despot from which the term despotate was coined to describe their territory they preserved their autonomy partly by seeking support from their foreign neighbours in italy the fortunes of epiros were thus affected by the expansionist plans of the angevin kings of naples and the commercial interests of venice until 1318 it was governed by direct descendants of its byzantine founder thereafter it was taken over first by the italian family of orsini then conquered by the serbians infiltrated by the albanians and appropriated by an italian adventurer carlo tocco like the rest of byzantium and eastern europe it was ultimately absorbed into the ottoman empire in the fifteenth century the despotate of epiros illuminates part of byzantine history and of the history of greece in the middle ages

Pathways With Purpose

2018-08-21

newest research into drama and performance of the middle ages and tudor period medieval english theatre is the premier journal in early theatre studies its name belies its wide range of interest it publishes articles on theatre and pageantry from across the british isles up to the opening of the london playhouses and the suppression of the civic religious plays and also includes contributions on european and latin drama together with analyses of modern survivals or equivalents and of research productions of medieval plays the papers in this volume explore richly interlocking topics themes of royalty and play continue from volume 43 we have the first in depth examination of the employment of the now famous black tudor trumpeter john blanke at the royal courts of henry vii and henry viii an entertaining survey of the popular european game of blanket tossing accompanies the translation of a raucous sophisticated but surprisingly humane dutch rederijkers farce the towneley plays remain fertile ground for further research and this blanket tossing farce illuminates a key scene of the well known second shepherd s play new exploration of a colloquial reference to stafford blue in another towneley pageant noah not only enlivens the play s social context but contributes to important current re thinking of the manuscript s date two papers bring home the theatrical potential of food and eating we learn how the tudor interlude jacob and esau dramatises the preparation and provision of food from the genesis story serving and eating meals becomes a means of social theological and theatrical manipulation contrastingly in the n town last supper play and a french convent drama we see how the bread of passover the last supper and the mass could be evoked layered and shared in performance in both these plays the audiences experiences of theatre and of communion overlap and inform each other

The Despotate of Epiros 1267-1479

1984

the student workbook covers the same people as the teaching activities manual each biblical figure has a puzzle for the young person to work with that guarantees that they have the basics of the story down encouraging them to read about each person a second page has a short introduction to the character that explains their place in salvation history this page also contains reflection questions for the young people to consider as they make connections between this biblical figure and their own lives

Medieval English Theatre 44

2023-06-13

while the so called new perspective in paul has been in the focus of new testament exegesis for more than 25 years now ancient interpretations of pauline texts and ideas have been neglected widely the present volume aims to fill this gap its articles concentrate on three different foci of modern exegesis interpretations of paul s conversion his ideas about the relation of grace and works and the fate of israel several additional articles contrast these ancient perspectives with answers of modern exegesis
