Guide to Labor Market Terminology

1984

an essential resource for workers navigating their retirement and pension options from the labor organizer s perspective researching retirement plans should not take the rest of your life even if deciphering the relevant paperwork seems to have become a full time job deliberately elaborate legalese is obscuring the efforts of financial elites to seize control of workers collective retirement savings and the labor guide to retirement plans is here to translate neoliberal retirement reforms have escalated elites efforts to replace guaranteed workplace retirement plans with weak 401 k like savings accounts and risky stock market investment schemes the result is arguably the largest source of labor value expropriation over the last four decades in light of all this what do workers need to know as they assess their future prospects especially in terms of the security their retirement plans may or may not bring what should union activists keep in mind as they push for the national and workplace reforms needed to produce greater retirement security this nuts and bolts book provides a much needed demystification of the retirement system even more than that the labor guide to retirement plans enables us to take charge of our own personal futures as a first step towards taking back what belongs to us all

Construction Labor Report's 1974-1975 Wage Rate Guide

1975

whether you are new to the flsa or have years of experience with it a comprehensive guide to the fair labor standards act for public employers is for you written in clear easy to understand language this publication covers the basic rules of flsa exempt status and digs into difficult issues involving employee classification employers will find the book s discussion of allowable deductions from employee pay particularly helpful along with its in depth coverage of issues of compensable time including on call time travel time training time and gap time other topics addressed include hourly rate vs regular rate cash overtime vs comp time the regular forty hour week worked by most employees vs the longer work period for public safety employees volunteers vs employees employees working second jobs for their employers and employees volunteering for their employers a comprehensive guide to the fair labor standards act for public employers will answer questions on these topics and more
