google chrome network connection a high speed connection with throughput of 256 kbps or more is recommended to use audio and video components equipment you will need speakers or a headset to listen to audio and video components and a microphone is necessary for recording activities for best performance we recommend you use a usb microphone for partner recording activities plug ins you must have the latest version of adobe flash player the revised and repackaged part two has been restructured to reflect pedagogical developments over the last eight years updated with new authentic reading and listening texts and expanded with new video materials features provides basic texts of printed media to help students connect the written and aural oral aspects of arabic features intensive reading that is focused on grammar and pronunciation not just comprehension each chapter centers on a text that deals with a social historical literary or cultural issue covers approximately 150 contact hours of instruction students completing part two should reach advanced proficiency this arabic language textbook program uses a communicative proficiency oriented approach with fully integrated audio visual media to teach modern arabic as a living language intended primarily for college and graduate students but accessible enough for anyone interested in learning modern arabic the series focuses on developing skills in standard arabic and gradually introducing students to the most widely spoken dialect in the arabic speaking world newly packaged with a set of three audio cds alif baa introduction to arabic letters and sounds is the first part of the al kitaab language program in teaching the sounds and letters of arabic alif baa provides a variety of exercises aimed at developing all skills reading listening writing speaking and cultural understanding along with an english arabic glossary alif baa lays the groundwork for the rest of the al kitaab language program this answer key is to be used with al kitaab fii tacallum al carabiyya a textbook for beginning arabic part one third edition please note that this answer key contains answers for exercises that are in the book it does not contain answers for exercises only on the smart sparrow companion website the second volume in the bestselling al kitaab arabic language program al kitaab part one with website helps students develop skills in formal and colloquial arabic across the four skill areas the accompanying companion website offers fully integrated exercises to use alongside the text al kitaab part one develops skills in standard arabic while providing additional material in both colloquial and classical arabic with new video material and revised and updated text and exercises the bound in and revised dvd supersedes both the former cd audio set and video dvd previously available only as separate items making this singular volume a comprehensive whole for those immersed in the early and intermediate stages of learning arabic providing approximately 150 contact hours of college level instruction parts of this revised edition are updated with contemporary selections for reading comprehension the organization of the chapters has been adapted to reflect the most current pedagogical developments audio tracks for vocabulary sections now allow students to hear a new word followed by a sentence using it in context with previously acquired vocabulary and grammatical structures enabling students to build new vocabulary skills while reviewing old material the basic texts have been refilmed with a new cast of actors the dvd also contains substantially more material that exposes the learner to egyptian arabic students have the options of seeing and hearing the video of each lesson in both modern standard arabic and egyptian colloquial arabic in addition a short dialogue in egyptian colloquial arabic appears at the end of each lesson new video materials also feature interviews with egyptians subtitled in english about various aspects of arab culture such as gender issues fasting in the muslim and christian traditions social clubs and their significance and more features of part one second edition develops all language related skills including reading listening speaking writing and cultural knowledge immediately incorporates extensive use of authentic materials for reading listening and grammatical practice thus relating abstract grammatical concepts to practical skills presents narrative based content through audio and video media rather than written text to develop meaning focused language processing skills utilizing two main characters and their extended families develops reading skills through the use of composed texts derived from the main narrative and authentic texts from newspapers and journals introduces grammar using spiraling and inference challenging students to discover the grammar of the language by means of analogy problem solving and educated guessing reinforces grammar and vocabulary through extensive classroom and homework exercises that provide constant review and expand to challenge students as their skills develop introduces students to egyptian colloquial through scenes based on the main narrative to promote the use of shared vocabulary and structure of the two registers to increase listening comprehension skills contains arabic english and english arabic glossaries and reference charts as well as a new grammar index the best selling alif baa is the first volume of the al kitaab arabic language program third edition is now available as a multimedia textbook with added functionality and ease of use for students and teachers in this edition of the introduction to arabic letters and sounds english speaking students will find an innovative integration of colloquial and formal spoken and written arabic together the book and new companion website provide learners with all the material necessary to learn the sounds of arabic write its letters and begin speaking arabic including interactive self correcting exercises to enhance learning the companion website also gives instructors additional online grading options this multimedia textbook includes alif baa third edition and a companion website access key for alif baa third edition features four color design throughout the book features over 100 illustrations and photographs gives learners and instructors color coded options for the variety of language they wish to learn in speaking egyptian levantine or

formal arabic msa introduces over 200 basic vocabulary words in all three forms of spoken and written arabic side by side including expressions for polite social interaction and activates them in interactive homework exercises and classroom groupwork includes video dialogues in egyptian and levantine filmed in cairo and damascus includes video footage of an arabic calligrapher capsules on arabic culture and images of street signs from morocco egypt and lebanon includes new english arabic and arabic english glossaries searchable in the companion website companion website features a
