do it all as long as he didn't have to save the elephants and the kangaroos from the white best selling author of the sword and the stone the once and future king and the book of beasts comes this long unavailable satirical fantasy of twentieth century ireland first published in 1947 the elephant and the kangaroo is something of a modern day gulliver's travels exploring an english writer's journey through a land at once familiar and alien as he answers an almighty challenge to save a world which he's not sure is really worth preserving and it doesn't take him long to find out that building an ark just isn't as easy as it used to be a stinging commentary a mad flight of fancy kirkus hilariously funny library journal alex comes face to face with an elephant and together they work out a way to solve a problem this wonderfully illustrated book from children's author keith harvey is a delight to read for parents and kids alike reprint of the original first published in 1873 a 2012 sibert honor book in the sprawling african scrub desert of etosha national park in namibia they call her the mother of all elephants holding binoculars closely to her eyes american scientist caitlin o'connell could not believe what she was seeing from these african elephants as the mighty matriarch scanned the horizon the other elephants followed suit stopped midstride and stood as still as statues this observation would guide the scientist to a groundbreaking discovery about elephant communication elephants actually listen with their limbs the elephant scientist was named a 2012 robert f sibert honor book this is a reproduction of the original artefact generally these books are created from careful scans of the original this allows us to preserve the book accurately and present it in the way the author intended since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions we're happy to make these classics available again for future generations to enjoy maya and victor green hope to see some elephants on their latest trip to visit their friend maatla in africa but the elephants have been declining in numbers and not many are left it will take the green kids and all of africa's animals to complete this adventure members of the green kids club are working with animals to improve our world by using basic sustainability concepts of preservation reduction prevention and mitigation this full color illustrated story also includes a science section with photos and facts about african elephants featured in the adventure when the elephant came to town tad and cissie went to the show like everyone else little did they know it would change their lives for ever because of the elephant tad and cissie get involved in a chase across america by train by flatboat and steam boat close behind is hannibal jackson who is determined to have the elephant for himself and how do you hide a large indian elephant blthis book was the winner of the whitbread children's novel award and the smarties prize gillian cross has also won the carnegie medal and is a highly acclaimed author immerse yourself in a world of wonder with the special edition of the lion and the elephant this enchanting tale of friendship and courage comes alive through black and white illustrations ready to be made vibrant by the reader what makes this edition truly exceptional is its cover a work of art made by anya toor winner of bootstrap publications 2020 coloring contest which supports creativity and learning in children moreover a portion of the proceeds are donated to libraries without walls an initiative dedicated to expanding literacy and sparking creativity in marginalized communities in ghana west africa the lion and the elephant special edition isn't just a story it's an invitation to explore the power of art imagination and friendship with every turn of the page you'll experience the magic of a timeless fable while knowing that your journey contributes to making a positive impact on young lives unleash your creativity celebrate friendship and be a part of something greater as you join the lion and the elephant on their remarkable adventure this edition is more than a book it's an opportunity to ignite change and nurture the next generation of leaders through the joy of reading and creative expression when bunbo the elephant escapes from barny bigshott's terrible zoo gumdrop comes to the rescue and leads him on an exciting journey in search of a new home but there's plenty of trouble in store along the way especially with barny bigshott in hot pursuit a fun and engaging story perfect for sharing at story time or for independent reading brought to life with val biro's much loved illustrations despite its immense strength the elephant is a timid creature that uses its power only to defend itself against predators kids will be fascinated by these gentle pachyderms and will discover how they use their trunks the herd's social structure and the threat posed by poachers and the ivory trade from an award winning illustrator comes a tender magical and gorgeously rendered wordless picture book about a boy who saves the trees in the lot next door from being cut down amongst the hustle and bustle of the city is an overgrown piece of land where trees and animals thrive

boy who lives in a house on the lot next to it loves to visit he has a friend there an elephant an animal that he sees within the shapes of the trees no matter the weather the boy visits and as the seasons change so does the elephant thick green foliage changes to autumnal colors before the bare branches of harsh winter appear but one day builders arrive the land has been sold and the trees have been marked for removal the boy can't lose his elephant and so he comes up with a plan unbearably beautiful and moving and with a touch of magical realism here is a wordless picture book about conservation and children's ability to be powerful agents of change because of his satiable curiosity about what the crocodile has for dinner the elephant's child and all elephants thereafter have long trunks bored with her little brother pog's childish games dindy decides that she's finally grown up enough for a real adventure while her mother is sleeping and the servants are busy she takes pog deep into the tea gardens a place they are never supposed to go alone terrified by wild animals and snubbed by the local children dindy starts to realize how little she really knows about india even though it's the only place she's ever called home but little does she know her life is about to be turned upside down when her mother is taken ill and her father tells her they are leaving india for good this is a wonderful portrait of a young british child coming to terms with leaving her beloved childhood home while at the same time realizing that many of the things she has been raised to believe are wrong unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy
