Cultural Politics: Volume 1 Issue 2 2005-07-22 the stories people tell about themselves are interesting not only for the events and characters they describe but for something in the construction of the stories themselves the ways in which individuals recount their histories what they emphasize and omit their stance as protagonists or victims the relationship the story establishes between teller and audience all shape what individuals can claim of their own lives personal stories are not merely a way of telling someone or oneself about one s life they are the means by which identities may be fashioned from the introduction in this provocative book psychologists anthropologists and sociologists analyze interviews with a range of subjects a minister who uses the death of his son to reaffirm his identity as a man of god women who have given up their children at birth for adoption and who blame society for their action holocaust survivors a victim of marital rape and many others together these studies suggest a new way of thinking about autobiographical narratives that these life stories play a significant role in the formation of identity that the way they are told is shaped and at times curtailed by prevalent cultural norms and that the stories and at times the lives to which they relate may be liberated from their psychic and social constraints if the social conditions of story telling can be critically engaged

presenting a wide range of life stories these studies demonstrate how telling one's life has the potential to clarify or mystify one's commitments and to animate or encumber one's future development

The Cultural Politics of Talent Migration in East Asia 2013-09-13 in immigrant acts lisa lowe argues that understanding asian immigration to the united states is fundamental to understanding the racialized economic and political foundations of the nation lowe discusses the contradictions whereby asians have been included in the workplaces and markets of the u s nation state yet through exclusion laws and bars from citizenship have been distanced from the terrain of national culture lowe argues that a national memory haunts the conception of asian american persisting beyond the repeal of individual laws and sustained by u s wars in asia in which the asian is seen as the perpetual immigrant as the foreigner within in immigrant acts she argues that rather than attesting to the absorption of cultural difference into the universality of the national political sphere the asian immigrant at odds with the cultural racial and linguistic forms of the nation displaces the temporality of assimilation distance from the american national culture constitutes asian american culture as an alternative site that produces cultural forms materially and aesthetically in contradiction with the institutions of citizenship and national identity rather than a sign of a failed integration of asians into the american cultural sphere this critique preserves and opens up different possibilities for political practice and coalition across racial and national borders in this uniquely interdisciplinary study lowe examines the historical political cultural and aesthetic meanings of immigration in relation to asian americans extending the range of asian american critique immigrant acts will interest readers concerned with race and ethnicity in the united states american cultures immigration and transnationalism

Degeneration and Revolution 2015-03-31 in the years of the reagan bush era the controversy over political correctness erupted on american campuses spreading to the mainstream media as right wing pundits like dinesh d souza and roger kimball prosecuted their publicity campaign against progressive academics michael bérubé s brilliant new book explains how and why the political correctness furore emerged and how the right s apparent stranglehold on popular opinion about the academy can be loosened

traversing the terrain of contemporary cultural criticism bérubé examines the state of cultural studies the significance of postmodernism the continuing debate over multicultural curricula and the recent revisions of literary history in american studies also included is bérubé s witty and self deprecating autobiographical reflection on why interpretive theory has emerged as an indispensable part of education in the humanities over the past decade public access insists that academics must exercise more responsibility towards the publics who underwrite but often misunderstand their work and its significance taken seriously as a potential audience bérubé argues such publics can be weaned from their present inclination to believe the distortions and half truths peddled by the right s ideologues the goal of such public access criticism is not just a better environment for teachers and scholars but a world in which education itself achieves its proper place in a society committed to equality of opportunity and true critical thinking

Cultural Politics 1985 this text provides an explanation of the political correctness argument how it emerged and how right wing pundits have used it to undermine contemporary criticism in a series of linked essays berube examines the current state of cultural studies the significance of postmodernism the continuing debate over multicultural curricula and recent revisions of literary history in american studies

Cultural Politics Volume 7 2011-11-01 they allow for a painstaking analysis of the political and aesthetic priorities of a developing stalinist culture while raising intriguing questions about the early stages of the cold war and the subsequent division of germany in particular the gradual introduction of zhdanovist or socialist realist political norms and aesthetic forms into soviet occupied germany closely paralleled developments in the soviet union during the infamous zhdanovshchina 1946 1948 smear campaigns against formalism decadence and cosmopolitanism carefully tailored to local circumstances were the natural consequence simultaneously the german communists worked behind the scenes with the soviet occupation regime to establish the administrative apparatus for the enforcement of these standards imported from the soviet union and calculated to infuse german art and literature with the proper political priorities

Making Culture Count 2016-04-29 the culture wars intertwining art culture and politics have sparked prominent political debates across the globe for many years but particularly in europe and america since 2001 focusing specifically on the experience of denmark during this period culture war aims to analyze and understand the rise of right wing nationalism in europe as part of the globalization and mediatization of the modern nation state and the culture war and affective politics arising from it this

culture war provides an example of an affective cultural politics in which institutional structures become entwined with media representations events and patterns of belonging employing a detailed and critically reflective argument covering social media television political campaigns advertising and activism camilla mohring reestorff refuses the traditional distinction between the world of visual culture and the political domain and she provides multiple tools for understanding the dynamics of contemporary affective cultural politics in a highly mediatized environment

The Cultural Politics of Tel Quel 2010-11-01 questions of cultural representation and contestation central to political and ethical thinking after the so called cultural turn of recent decades have if anything intensified in a twenty first century of new media globalization migration and ever renewed struggles over identity memory and cultural performance at the same time theoretical debate is increasingly marked by a concern to retrieve a properly political sphere of action as such the essays collected in this interdisciplinary volume aim to break new ground by exploring the critical space between the apparently enduring political vitality of cultural representation and contestation today on the one hand and the possible limits of a cultural politics on the other combining concrete researches and theoretical reflection and including a final chapter exploring the issues raised by the essays this volume will be of interest to those in the disciplines of cultural studies sociology political philosophy and ethics

Immigrant Acts 1996 the volume brings together some excellent new scholarship on the idea and practice of development it rescues the complex history of development encounters from the prison of monolithic modernization discourse without splintering it into endless postmodernist narrative fragments

Public Access 1994-06-17 examining the middle classes in multiple sites of social action this book looks at the historical evolution of these classes their changing relationships with colonial power the indian state and other social groups as well as their influence in shaping contemporary cultural politics in india
