this collection interrogates and stimulates deep cross disciplinary engagement with the various understandings and interplays of radio modernisms from the early decades of the twentieth century through to the 1950s academics from a range of different disciplines explore their common interests in the richness and heterogeneity of bbc radio s imaginative programming in terms of sound as cultural events from specific moments in time as team creations as something experienced live in the domestic context and as cultural works that in many cases attracted a certain canonical pedigree radio modernisms are as these chapters demonstrate a combination of the particular the contingent and the contextual more than a decade after the publication of the first scholarly works to yoke together modernism and radio this collection emphasises the plurality of modernisms as a defining aspect of contemporary bbc historiography the authors bring multiple lenses to bear including race gender and transnationalism in order to re locate twentieth century radio programming in broad expansive contexts they also underline the dynamic entanglements of radio and radiogenic feature programmes in particular with other kinds of media and cultural forms and formats reframing radio as a site of and vehicle for remediation and intermediality in examining the myriad ways in which radio gave shape to new modernities and both evolved and constituted new forms of modernism

this collection offers fresh perspectives on the interconnected significance of radio modernisms within the socio cultural literary and political landscapes of twentieth century britain this book was originally published as a special issue of media history

Hearings 1952

there has been little serious attempt in britain to deal critically and historically with the subject of radio drama this volume of essays concentrates upon a small group of influential writers who have devoted all or part of their attention to writing plays for radio the introduction charts the development of radio drama since its inception in the 1920s and its changing relationships with the theatre and later with television it shows how the early ideal of broadcasting significant works of established literature and drama helped to provide a broad foundation for the growth of a body of dramatic literature which fully exploited the medium s reliance upon sound alone separate contributions contain full appraisals of the radio writing of louis macneice dylan thomas and henry reed while detailed studies of particular aspects of the work of dorothy l sayers susan hill giles cooper and samuel beckett explore the practical as well as the critical issues involved in the study of radio drama

the supernatural has become extraordinarily popular in literature television and film vampires zombies werewolves witches and wizard have become staples of entertainment industries and many of these figures have received extensive critical attention but one figure has remained in the shadows the female ghost inherently liminal often literally invisible the female ghost has nevertheless appeared in all genres subversive spirits the female ghost in british and american popular culture brings this figure into the light exploring her cultural significance in a variety of media from 1926 to 2014 robin roberts argues that the female ghost is well worth studying for what she can tell us about feminine subjectivity in cultural contexts subversive spirits examines appearances of the female ghost in heritage sites theater hollywood film literature and television in the united states and the united kingdom what holds these disparate female ghosts together is their uncanny ability to disrupt illuminate and challenge gendered assumptions as with other supernatural figures the female ghost changes over time especially responding to changes in gender roles roberts s analysis begins with comedic

female ghosts in literature and film and moves into horror by examining the successful play *The Woman in Black* and the legend of the weeping woman *La Llorona*. Roberts then situates the canonical works of Maxine Hong Kingston and Toni Morrison in the tradition of the female ghost to explore how the ghost is used to portray the struggle and pain of women of color. Roberts further analyzes heritage sites that use the female ghost as the friendly and inviting narrator for tourists. The book concludes with a comparison of the British and American versions of the television hit *Being Human* where the female ghost expands her influence to become a mother and savior to all humanity.

International Film Guide, 1990-1991

In this final volume of Christopher Isherwood's diaries, a capstone of a million-word masterwork, he greets advancing age with poignant humour and an unquenchable appetite for the new. Isherwood journeyed and changed with his century until, by the 1980s, he was celebrated as the finest prose writer in English and the grand old man of gay liberation. The mainstays of his mature contentment: his Hindu guru Swami Prabhavananda and his long-term companion Don Bachardy. Draw from him an unexpected high tide of joy and love, gifted friends both anonymous and infamous take a turn through Isherwood's densely populated human comedy sketched with ruthlessness and benevolence against the background of the Vietnam War and the Nixon-Carter and Reagan-White House. Bachardy's burgeoning career pulled Isherwood into the 1970s art scene where we meet Rauschenberg, Ruscha, and Warhol serving fetid meat for lunch as well as Hockney adored and Kitaj from Hollywood and the worlds of music and letters enter John Huston, Merchant and Ivory, John Travolta, John Voight, Elton John, David Bowie, Joan Didion, and Armistead Maupin. These are the most concrete and the most mysterious of his diaries, candidly revealing the fear of death that crowded in past Isherwood's fame and showing how his life-long immersion in the day-to-day lifted him paradoxically toward transcendence.
