by Lewis de Bougainville, etc.).***

1814

this edition contains the descriptions of the three voyages of captain cook which resulted in  
the complete round the world expedition captain and his team were the first europeans to  
meet the indigenous people of australia and oceania captain cook took a great interest in

the locals style of life and customs thus the book doesn't just present an account of one of the most daring sea expeditions in history but also impressions of the first encounter of seamen with the people of unknown worlds and places

commander of hm bark endeavour for the first of three pacific voyages in three voyages cook sailed thousands of miles across largely uncharted areas of the globe he mapped lands from new zealand to hawaii in the pacific ocean in greater detail and on a scale not previously achieved as he progressed on his voyages of discovery he surveyed and named features and recorded islands and coastlines on european maps for the first time he displayed a combination of seamanship superior surveying and cartographic skills physical courage and an ability to lead men in adverse conditions cook was killed in hawaii in a fight with hawaiians during his third exploratory voyage in the pacific in 1779 he left a legacy of scientific and geographical knowledge which was to influence his successors well into the 20th century and numerous memorials worldwide have been dedicated to him

## **A General History and Collection of Voyages and Travels**

2020-07-17

captain james cook s first two voyages of exploration in 1768 71 and 1772 75 had drawn the modern map of the south pacific ocean and had opened the door on the discovery of antarctica these expeditions were the subject of volumes i and ii of dr j c beaglehole s edition of cook s journals the third voyage on which cook sailed in 1776 was directed to the northern hemisphere its objective was the discovery of a northern passage by sea from the
