<u>The Crappiest Author (PDF + EPUB)</u> 2014-02-23 borges svelt set a goal a goal that he has no hope of
achieving writing 100 000 words in one day at first he takes baby steps averaging 25 000 words per day
before encountering his first obstacle with a little ingenuity can the eccentric author conquer his dream
or is he totally out of his league approximately 5 400 words in all excerpt from the crappiest author
borges svelt wasn t about to hit the new york times bestseller list anytime soon heavens no he was one of
those dreadful self published authors eek shunned by the industry and despised by his traditionally
published peers like them he was eccentric in many ways from his tacky plaid socks that doubled as hand
warmers to naming every member of the brady bunch whenever he reached a mental roadblock while some
writers prefer to stand while they write or sail the seven seas while banging away on their trusty
typewriter borges felt right at home on his shiny porcelain throne of course he didn t mount the toilet
with all of his clothes on that would suggest that he was the least bit sane on the contrary he did not
wear a shred of clothing he was the pantless author ready for anything that came rumbling through his
feeble brain or lower intestine
