**Moody's International Manual** 1998  
Moody's International Manual 1998 provides a comprehensive overview of the global financial markets and the performance of various countries. It includes detailed information on the economic and financial conditions of major nations, as well as a list of the top 1000 international companies. The manual is a valuable resource for investors, analysts, and business professionals who need to understand the global market landscape.

**PC World** 2001 for more than 20 years network world has been the premier provider of information intelligence and insight for network and it executives responsible for the digital nervous systems of large organizations readers are responsible for designing implementing and managing the voice data and video systems their companies use to support everything from business critical applications to employee collaboration and electronic commerce
