in an age where history is a global battleground and fake news proliferates culture wars are being waged across india over its future majoritarian or inclusive neoliberal or socialist religious or secular fake gods and false history takes us to the bdd chawls a central mumbai neighbourhood of tenement blocks chawls on the brink of a controversial redevelopment it reveals how contested narratives of indian history play out in the daily life of this divided neighbourhood and how the legacies of certain godlike but very human historical figures such as dr babasaheb ambedkar and chhatrapati shivaji are invoked by different communities jonathan galton draws on research conducted among the formerly untouchable dalit buddhist community who are staunchly opposed to the redevelopment plans and deeply critical of the religious nationalism they perceive in their hindu neighbours we also meet young male migrants living in village linked dormitory rooms called gramastha mandals trapped in a liminal space between urban and rural throughout the book which is woven through with candid reflections on methodology and research ethics readers are challenged into drawing connections with their own experiences of history impinging on their lives a story that might initially seem parochial will thus resonate with a diverse global audience

the present book ethnobotany and medicinal plants of india and nepal is next publication in the series on indian medicinal plants the contributors of the papers in this book are well known indian ethnobotanists who have furnished authenticated data for further scientific and clinical tests the information about the medicinal plants spread over 325 pages covers various tribal communities from north to south and east to west and different ailments cured in nature s dispensary beautiful phtographs of some medicinal plants have also been

provided by some contributors the information furnished in the book will be useful for controlling biopiracy backing conservation strategies and facilitate better understanding of phytotherapy research

Rethinking India's Oral and Classical Epics

1999-05

they say in jhansi that the best thing that ever happened to their town was lakshmi bai the 400 year old town of jhansi still feels that it owes its fame to a young rani who ruled for four and a half years in the uprising of 1857 which came to be known as the first war of indian independence she was a singular figure in a gallery of heroes rani lakshmi bai also became the protagonist in a different kind of story fiction by british writers to dramatize the horrific experience of the mutiny in which an oriental queen full of passion added a thrilling dimension but despite an incredible career it took eighty years for indians to write a comprehensive description of rani lakshmi bai s life it was not because she was forgotten but that people who lived in her time did not leave any writing behind and the few who knew her were too afraid of reprisals to profess links with her how did a young marathi woman come to wield so much influence in a strongly rajput dominated region in the grip of an alien power the life of the warrior queen has inspired historians writers and more recently film makers but for the first time in biographer tapti roy s vivid rendition lakshmi bai is located within the wider context of her time and space
