The Kindergarten and First Grade 1923

what does it mean to have high expectations for five year old learners in one of the author's classrooms children are treated as authors as world citizens and as confident responsible community and family contributors kindergartners publish their own stories and keep them on the same shelves as books from libraries and bookstores in addition to books these young students also produce their own plays thank you cards and math problems zaragoza dwyer and brownie the class mascot invite new teachers along as they take one class of children through a month by month journey of authorship literacy development poetry positive interaction and imagination this book is appropriate for both undergraduate and graduate students of education early childhood and teachers of english language learners it can also be of value to scholars of constructivist and or critical theory

Blended Learning: Concepts, Methodologies, Tools, and Applications 2016-08-18

creative writing practice reflections on form and process explores the craft of creative writing by illuminating the practices of writers and writer educators demonstrating solutions to problems in different forms and genres the contributors draw on their professional and personal experiences to examine specific and practical challenges that writers must confront and solve in order to write this book discusses a range of approaches to writing such as the early working out of projects the idea of experimentation of narrative time and of failure with its strong focus on process creative writing practice is a valuable guide for students scholars

and practitioners of creative writing

Look, I Made a Book 2005

meet heather becky and rachel foster teens who have become a file a case a problem for the system add five year old may a sweet cherub with a cruella mother each has her own private hell of heartbreaking backgrounds knowing they have to say good bye just as they start to feel comfortable these girls seek trustworthy friendship as well as acceptance and a place to belong their foster home headed by a no nonsense matriarch and her easy going husband is a safe place for them to try to make sense out of their fragmented lives and develop resiliency to meet life s blows but trusting and caring for one another is easier said than done first in a series of three this book reveals an inside view of child rearing in the system with a touch of mystery emanating from the abandoned shanty in the woods and the fairy tale wonder of a horse ranch called haven follow heather s remarkable journey to cope with the taunts of the in crowd at a small town school and to shed her burden of shame which has come about from circumstances beyond her control explicit language

Creative Writing Practice 2021-10-09

a most unlikely life marc estrin discovers that another writer s novel the nose not only has spawned a bizarre cult among the nation s youth but is based on the extraordinary life of a real person an outcast named alexei pigov estrin searches alexei out and asks him to provide annotations to the nose alexei says that although the events of the novel might for the most part be real the purported reasons for them are all damnable lies on the left hand page of the annotated nose we read the nose itself and take in its beautifully unsettling illustrations on the right hand page we follow alexei s complaints always surprising and often far reaching the layers in estrin s remarkable comic book are as multiple eclectic and outrageous as the sequence of masks alexei wears to hide his face from the world over the caroming trajectory of his most unlikely life the annotated nose is at once marc estrin s most playful and his most ambitious work to date a signed and numbered limited edition of 75 copies is also available

The Well of Wishing 2011-11-02

this seminal text provides a scholarly overview of evidence based approaches to emergent literacy intervention as a necessary component of clinical practice in speech language pathology numerous books are available on the topic of emergent literacy yet few are developed specifically for the speech language pathologist the scope of this book is comprehensive yet focused it is tailored to identify state of the art approaches on a range of topics in the area of emergent literacy yet focuses its emphasis on children from toddlerhood to kindergarten this period corresponds to the emergent literacy years which precedes children s transition to beginning reading each chapter provides scientifically cited background information relevant to the content of the chapter before discussing the how to and the why figures tables and charts throughout the text are easily accessible to the busy practicing clinician by providing a usable integration of theory and research it encourages readers to think about building early foundations in literacy to promote healthy early development and emphasizes the specific approaches speech language pathologists need to employ when targeting literacy in childhood intervention designed for speech language pathologists at both pre professional and post graduate levels the book will also be of value to reading specialists literacy coaches special educators preschool and kindergarten teachers and others

Frontiers in Education 1992
