war wikipedia *May 12 2024*

war is a state of armed conflict between states or other organized groups. It is often characterized by the use of violence and the destruction of property. The term "war" is used to describe a wide range of conflicts, from small-scale local wars to large-scale international wars. The word "war" is derived from the Old English word "wara", which means "to be aware of" or "to be on guard against".
