in the 1970s and 80s the brewing industry shifted was from large corporate suppliers to smaller independent microbrewers typified by producers such as the boston beer company and sierra nevada brewing company today the market is going even smaller with tiny independent brewers setting up shop in neighborhood brew houses nationwide focusing on crafting unique flavorful brews specifically

for their extremely local clientele the reality is that beer is in the midst of a renaissance in this country driven by a new class of these dedicated craft nanobrewers and growing communities of drinkers looking for something more from their daily brew something higher quality more unique more local these microbrewers rent out small spaces or buy industrial equipment to install in their garages they re accountants middle school teachers and plumbers who are passionate about beer and who dedicate their free time to producing three or so barrels of their own brew at a time they sell their bottles to close friends and gift it to family members for birthdays and holidays they enjoy what they do and they re proud of their product what s it like inside these small time brewing operations what happens behind the scenes what goes into making high end craft beer on a small scale true beer takes an on the ground look at the ultra small side of the craft brewing movement from the inside out by profiling a number of independent american breweries in detail and using that as a jumping off point to examine the art and science of brewing the local farmers and providers behind the scenes the market itself as well as national trends in nanobrewing and modern craft beer production skyhorse publishing along with our good books and arcade imprints is proud to publish a broad range of cookbooks including books on juicing grilling baking frying home brewing and winemaking slow cookers and cast iron cooking we ve been successful with books on gluten free cooking vegetarian and vegan cooking paleo raw foods and more our list includes french cooking swedish cooking austrian and german cooking cajun cooking as well as books on jerky canning and preserving peanut butter meatballs oil and vinegar bone broth and more while not every title we publish becomes a new york times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
