how to articulate and assess what success looks
like the social profit handbook offers those who
lead govern and support mission driven
organizations and businesses new ways to assess
their impact in order to improve future work
rather than merely judge past performance for
profit institutions measure their success
primarily by monetary gains but nonprofit
institutions are different they aim for social
profit how do you measure the success of these
social profit institutions where missions are
focused on the well being of people place and
planet drawing upon decades of leadership in
schools and the foundation and nonprofit worlds
author david grant offers strategies from creating
mission time to planning backwards to constructing
