harry and his brother alex are dying to fit in at camp spirit moon but the camp has so many weird traditions like the goofy camp salute the odd camp greeting and the way the old campers love to play jokes on the new campers then the jokes start to get really serious really creepy really scary first a girl sticks her arm in the campfire then a boy jams a pole right through his foot still they re just jokes aren t they harry and his brother alex go from creeped out to downright frightened when the strange goings on at camp spirit moon take a supernaturally dangerous turn original and thought provoking you re only young twice reveals the complexities that underlie even the sparest picture book text and the lessons that reside in even the most familiar family movie plots moving from classic texts the secret garden goodnight moon to ephemera the hardy boys goosebumps and harry potter series from the printed page to the silver screen willie wonka jumanji 101 dalmatians beethoven tim morris employs his experience as a parent and teacher to interrogate children s culture and reveal its conflicting messages books and films for children favorites accepted as wholesome fare for impressionable young minds do not always teach straightforward lessons instead they reflect the anxieties of the times and the desires of adults at the heart of many a children s classic lies power often expressed through racism sexism or violence under morris s gaze revered animal stories like black beauty turn into litanies of abuse fantasies of childhood like big are revealed as patriarchal struggles you re only young twice redirects the focus on children s literature asking not what messages should children receive but what messages do adults actually send for example morris recounts his own childhood confusion upon viewing peter pan with its queenish inept pirate and a grown woman mary martin in tights who pretends to be a crowing boy morris shatters our long held assumptions and challenges our best intentions demonstrating how children s literature and films lay bare a troubled and troubling worldview goosebumps now on disney next summer you ll stay home if you survive the food isn t great the counselors are a little strange and the camp director seems demented billy can handle all that but then strange things start to happen after dark his parents won t answer his letters and his fellow campers start to disappear what s going on camp nightmoon is turning into camp nightmare and billy might be next reader beware you choose the scare give yourself goosebumps heads up you re on your way to sports camp if only uncle ed can find the place he s the lamest driver ever a sign up ahead says camp running leaf hey that s not the name of the camp you signed up for but uncle ed is already driving away oh well running leaf is a sports camp too isn t that why the campers call it camp run for your life you ve got a choice of events if you enter the athletic competition called the selection you could be selected for a free trip to be a slave on plant xentron yikes maybe you d better choose the wilderness hike instead just look out for that mountain lion over there oh and try to steer clear of the zombies with rotting limbs the choice is yours in this scary goosebumps adventure that s packed with over 20 super spooky endings for fans of vintage ya a humorous and in depth history of beloved teen literature from the 1980s and 1990s full of trivia and pop culture fun those pink covers that flimsy paper the nonstop series installments that hooked readers throughout their entire adolescence these were not the serious issue novels of the 1970s nor the blockbuster ya trilogies that arrived in the 2000s nestled in between were the girl centric teen books of the 80s and 90s short cheap and utterly adored in paperback crush author gabrielle moss explores the history of this genre with affection and humor highlighting the best known series along with their many diverse knockoffs from friendship clubs and school newspapers to pesky siblings and glamorous beauty queens these stories feature girl protagonists in all their glory journey back to your younger days a time of girl power nourished by sustained silent reading let paperback crush lead you on a visual tour of nostalgia inducing book covers from the library stacks of the past featuring tons of fun facts about the series alongside a walkthrough of all books and covers in the goosebumps collections this art book is a must have for old and new fans alike in the summer of 1992 scholastic tasked two terrifyingly talented artists with creating the cover paintings for the books that would premiere the goosebumps series at that time four books in the line were being market tested by the publisher to see how young readers would react to r l stine s particular brand of humor tinged horror one element that was sure to catch

the attention of little eyes everywhere was striking cover art and boy did they find it the imagery provided by the covers of the goosebumps series is part and parcel to the 90s kid zeitgeist helping to create a visual brand for r l stine s smash hit horror series the covers helped set the tone for the numerous adaptations of the series including a television series a theatre experience and more recently blockbuster films [risk in children s adventure literature](#) examines the way in which adults discuss the reading and entertainment habits of children and with it the assumption that adventure is a timeless and stable constant whose meaning and value is self evident a closer enquiry into british and american adventure texts for children over the past 150 years reveals a host of complexities occluded by the term and the ways in which adults invoke adventure as a means of attempting to get to grips with the nebulous figure of the child writing about adventure also necessitates writing about risk and this book argues that adults have historically used adventure to conceptualise the relationship between children and risk the risks children themselves pose to society the risks that threaten their development and how they can be trained to manage risk in socially normative and desirable ways tracing this tendency back to its development and consolidation in victorian imperial romance and forward through various adventure texts and media to the present day this book probes and investigates the truisms and assumptions that underlie our generalisations about children s love for adventure and how they have evolved since the mid nineteenth century reader beware you re in for ten holiday scares [school s out and you re packed up and ready to head off to the best summer camp ever boating on the lake tennis courts campfires this place is all fun and games but little do you know that the camp of your dreams is about to turn into the camp of your screams because the counselors aren t exactly what you expected](#) page 4 of cover [will boys be boys what are little boys made of](#) kenneth b kidd responds to these familiar questions with a thorough review of boy culture in america since the late nineteenth century from the boy work promoted by character building organizations such as scouting and 4 h to current therapeutic and pop psychological obsessions with children s self esteem kidd presents the great variety of cultural influences on the changing notion of boyhood kidd finds that the education and supervision of boys in the united states have been shaped by the collaboration of two seemingly conflictive approaches in 1916 henry william gibson a leader of the ymca created the term boyology which came to refer to professional writing about the biological and social development of boys at the same time the feral tale with its roots in myth and folklore emphasized boys wild nature epitomized by such classic protagonists as mowgli in the jungle books and huck finn from the tension between these two perspectives evolved society s perception of what makes a good boy from the responsible son asserting his independence from his father in the late 1800s to the idealized sexually confident and psychologically healthy youth of today the image of the savage child raised by wolves has been tamed and transformed into a model of white middle class masculinity analyzing icons of boyhood and maleness from father flanagan s boys town and max in where the wild things are to elin gonzlez and even michael jackson kidd surveys films psychoanalytic case studies parenting manuals historical accounts of the discoveries of wolf boys and self help books to provide a rigorous history of what it has meant to be an all american boy kenneth b kidd is assistant professor of english at the university of florida and associate director of the center for children s literature and culture the life of best selling young adult horror author r l stine including his childhood the evolution of his writing career and his popularity with both boys and girls in 1932 the mummy starring boris karloff introduced another icon to the classic monster pantheon beginning a journey down the cinematic Nile that has yet to reach its end over the past century movie mummies have met everyone from abbot and costello to tom cruise not to mention a myriad of fellow monsters horrifying and mysterious the mummy comes from a different time with uncommon knowledge and unique motivation offering the lure of the exotic as well as the terrors of the dark from obscure no budgeters to hollywood blockbusters the mummy has featured in films from all over the globe including brazil china france hong kong india mexico and even its fictional home country of egypt with each film bringing its own cultural sensibilities movie mummies have taken the form of teenagers superheroes dwarves kung fu fighters satanists cannibals and even mummies from outer space some can fly some are sexy some are scary and some are hilarious and mummies quickly moved beyond horror cinema and into science fiction comedy romance sexploitation and cartoons from the universal classics to the aztec mummy series from hammer

s versions to mexico s guanajuato variations this first ever comprehensive guide to mummy movies offers in depth production histories and critical analyses for every feature length iteration of bandaged horror

a badge of injury is a contribution to both the fields of queer and global history it analyses gay and lesbian transregional cultural communication networks from the 1970s to the 2000s focusing on the importance of national socialism visual culture and memory in the queer atlantic provincializing euro american queer history it illustrates how a history of concepts which encompasses the visual offers a greater depth of analysis of the transfer of ideas across regions than texts alone would offer it also underlines how gay and lesbian history needs to be reframed under a queer lens and understood in a global perspective following the journey of the pink triangle and its many iterations a badge of injury pinpoints the roles of cultural memory and power in the creation of gay and lesbian transregional narratives of pride or the construction of the historical queer subject beyond a success story the book dives into some of the shortcomings of euro american queer history and the power of the negative writing an emancipatory yet critical story of the era indexes popular fiction series for k 6 readers with groupings based on thematics consistant setting or consistant characters annotated entries are arranged alphabetically by series name and include author publisher date grade level genre and a list of individual titles in the series volume is indexed by author title and subject genre and includes appendixes suggesting books for boys girls and reluctant esl readers
