minute strategies for calculating how much debt is safe and assessing and paying off the right debts first and if you're too far in debt Weston will gently and non-judgmentally guide you back into your safety zone. Finally, in there are no dumb questions about money Weston offers up to date common sense answers to the financial questions people ask most often. You'll find quick sensible advice on setting priorities, choosing investments, saving for college, home buying, retirement or other major expenses, getting past the pain arguments and guilt surrounding money and doing what works from award winning personal finance expert Liz Weston. Today people struggling with debt have far fewer options. Lenders are stingier which makes it harder to avert disaster or to recover from setbacks like foreclosure, short sales or bankruptcy. Meanwhile people with good credit have more options than ever including some of the lowest interest rates in decades. Debtors need an up to date guide that can help them assess options, find help, discover opportunities and take action that works. Liz Weston's deal with your debt updated and revised edition is that guide. In this extensively updated guidebook Weston shows which debts can actually help build wealth over time and which are simply toxic. She presents up to date real world strategies for assessing and paying off debt including money saving insights on which debts to tackle first. She also offers practical guidelines for assessing how much debt is safe and compassionate realistic guidance for people who've gone beyond the safety zone. In there are no dumb questions about money. Nationally renowned personal finance journalist and best selling author Liz Weston answers your most pressing questions helping you navigate today's more complicated than ever financial world through real life reader questions and clear to the point answers. Weston shows how to manage your spending, figure out what you can and can't afford and choose the smartest ways to pay off your debt. You'll discover why most investment strategies don't work and identify better ways to save for retirement but you'll also learn to handle the trickier emotional side of money, how to avoid fights with your partner, deal with spendthrift children or parents and spot con artists or lousy advisors before you get robbed. Using humor, keen insight and time tested financial planning principles Weston can help you wrangle your money into shape and find your own path to financial freedom. Struggling with debt get realistic help that's actually useful from Liz Weston, one of the most popular and respected personal finance experts today.

have far fewer options lenders are stingier which makes it harder to avert disaster or to recover from setbacks like foreclosure short sales or bankruptcy meanwhile people with good credit have more options than ever including some of the lowest interest rates in decades you need an up to date guide that can help you assess options find help discover opportunities and take action that works liz weston s deal with your debt updated and revised edition is that guide weston reveals why most conventional wisdom about debt is just dead wrong for most people it s simply impractical to pay off every dime of debt and live forever debt free in fact doing that can leave you a lot poorer in the long run you re more likely to give up or pay off the wrong debts you could leave yourself too little flexibility to survive a financial crisis you could neglect saving for retirement you might even wind up in bankruptcy just what you re trying to avoid for most people it s smarter to control and manage debt effectively in this extensively updated guide weston shows how to do that you ll learn which debts can actually help build wealth over time and which are simply toxic you ll find up to date real world strategies for assessing and paying off debt money saving insights on which debts to tackle first and crucial information about everything from debt consolidation loans to credit scores and credit counseling weston offers practical guidelines for assessing how much debt is safe and compassionate realistic guidance if you ve gone beyond the safety zone if you ve ever worried about debt you ll find the new edition of deal with your debt absolutely indispensable struggling with debt get realistic help that s actually useful from liz weston one of the most popular and respected personal finance experts today people struggling with debt have far fewer options lenders are stingier which makes it harder to avert disaster or to recover from setbacks like foreclosure short sales or bankruptcy meanwhile people with good credit have more options than ever including some of the lowest interest rates in decades you need an up to date guide that can help you assess options find help discover opportunities and take action that works liz weston s deal with your debt updated and revised edition is that guide you ll learn which debts can actually help build wealth over time and which are simply toxic weston offers practical guidelines for assessing how much debt is safe and compassionate realistic guidance if you ve gone beyond the safety zone today a good credit score is essential for getting decent terms on credit or for getting credit at all but that s just the beginning your credit score
