The Mission of Theology and Theology as Mission 1997

the author proposes that the health of the entire christian community hinges on getting the theological task right which includes showing why and how theology and mission are inextricably linked after surveying the nature of the theological task from the academy to the grassroots level j andrew kirk discusses factors that are pushing the theological task in new directions he focuses especially on the twofold task of making sense of the whole of life by reference to god and becoming agents of transformation the book concludes by expanding upon david bosch s proposition that theology ceases to be theology if it loses its missionary character

Theology and Sanity 1993

presents a comprehensive study that examines how the layman can take a more active role in the church by understanding the basic aspects of theology and its importance in today s world

The Culture of Theology 2019-10-15

john webster one of the world s leading systematic theologians published extensively on the nature and practice of christian theology this work marked a turning point in webster s theological development and is his most substantial statement on the task of theology it shows why theology matters and why its pursuit is a demanding but exhilarating venture previously unavailable in book form this magisterial statement now edited and critically introduced for the first time presents webster s legendary lectures to a wider readership it contains an extensive introductory essay by ivor davidson

Religion Past & Present 2007

this book is about the crisis brought about by doctrine s estrangement from reality that is from actual lives experiences histories and from god by invoking the end of doctrine christine helmer opens a new discussion of doctrinal production that is engaged with the challenges and possibilities of modernity the end of doctrine refers on the one hand to unquestioning doctrinal reception which helmer critiques and on the other represents an invitation to a new way of understanding the aim of doctrine in deeper connection to the reality that it seeks the book s first section offers an analysis of the current situation in theology by reconstructing a trajectory of protestant theology from the turn of the twentieth century to today this history focuses primarily on the status of the word in theology and explains how changes in theology in the context of the political and social crisis in europe in the 1920s and 1930s led to a distancing of the word from reality helmer then turns to the constructive section of the book to propose a repositioning of theology to the world and to god helmer s powerful work will inspire revitalized interest in both doctrine and theological inquiry itself

Theology and the End of Doctrine 2014-01-01

what is catholic theology in order to reach an answer the authors use various definitions of theology to identify the principal elements of the discipline elements that include the human person faith the scriptures philosophy morality and everyday human experience the authors also provide examples from the history of theology to highlight the dynamic nature of catholic theology and its evolution in a variety of cultural and historical settings book jacket title summary field provided by blackwell north america inc all rights reserved

An Introduction to Catholic Theology 1998

to many christians theology is something alien overly intellectual and wholly unappealing even seminary students are known to balk at the prospect of a course on theology yet theology most simply the knowledge of god is essential to the life and health of the church in this short introduction stanley grenz and roger olson two theologians who care deeply about the witness of ordinary christians and the ministry of the church show what theology is what tools theology uses why every believer advanced degrees or not is a theologian and how the theological enterprise can be productive and satisfying their clear easily understood book is ideal for students church study groups and

individual christians who want to strengthen understanding belief and commitment by coming to know god more fully

Who Needs Theology? 2009-08-20

theology and the university presents a compelling argument as to why theology still matters it considers how theology has been marginalized in the academy and in public life arguing that doing so has serious repercussions for the integrity of the academic study of religion its chapters demonstrate how theology as the only discipline which represents religion from within provides insight into aspects of religion which are hidden from the social sciences against a backdrop of heated debates on the role of the humanities in the university the book highlights the specific contribution of theological education and research to the work of a university providing essential information for academic and social political decision making whilst the book has an emphasis on the catholic tradition it explores the prospect of fruitful complementarity and interdisciplinarity both with secularized studies of religion and other disciplines in the university such as literature philosophy and the social sciences this book provides orientation for decision makers particularly those concerned with the broader question of humanities in the university students in their choice of study those interested in the wellbeing of today s universities and ecclesial authorities seeking to form leaders capable of intelligent responses to the issues of contemporary society it is a must read for all researchers of theology as well as anyone interested in the role of the humanities more broadly

The Monthly Repository of Theology and General Literature 1810

theology and the social consciousness a study of the relations of the social consciousness to theology 2nd ed authored by henry churchill king is a seminal work that explores the intricate relationship between theology and societal values king delves into how theological beliefs intersect with the ever evolving social consciousness reflecting on the influence of religion on ethics justice and social reform with thoughtful analysis and philosophical insights king's book remains a significant contribution to the study of theology's impact on human society

Evangelical Theology 2021-04-08

called to believe teach and confess offers an overview of the major doctrines of christianity in a comprehensive but accessible way written from a lutheran perspective this book is a helpful resource to those within that tradition and to others who seek a deeper theological understanding firmly rooted in scripture this book emphasizes the interrelatedness of all christian teaching with its central teaching being the doctrine of justification by grace through faith in jesus christ this book is ideal as a text for university students and other educated christian adults who seek to expand their knowledge of god's revelation and its application in human lives it introduces and uses classical theological vocabulary and terminology while offering clear definitions and application key terms study questions glossary and sidebars help make this a valuable resource suggested readings from scripture the lutheran confessions and other secondary sources guide the reader into deeper study

Theology and the Social Consciousness 2019-12-12

if the secular university by definition is non sectarian or non denominational then how can it accommodate a discipline like christian theology doesn't the traditional goal of theological study which is to attain knowledge of the divine fundamentally conflict with the main goal of secular academic study which is to attain knowledge about ourselves and the world in which we live so why should theology be admitted or even care about being admitted into secular academic life and even if theology were admitted what contribution to secular academic life could it make working from a christian philosophical and theological perspective but also engaging a wide range of theologians philosophers and religious studies scholars christian theology and the secular university takes on these questions arguing that christian theology does belong in the secular university because it provides distinct resources that the secular university needs if it is going to fulfill what should be its main epistemic and educative ends this book offers a fresh and unique perspective to scholars working in the disciplines of theology philosophy and religious studies and to those in other academic disciplines who are interested in thinking critically and creatively about the place and nature of theological study within the secular university

Called to Believe, Teach, and Confess 2005-07-01

in this book the author argues for a rigorous scientific theology under the double constraint of the reality of god and the reality of the world of space and time careful attention is given to the common commitment of theological and natural science to objective knowledge and the deeply natural relation between knowledge of god the creator and knowledge of the world he has made stress is laid upon the stratified structure of theology and the need for a radical simplification and unification of christian doctrine is theology the science of god and is it concerned with objective knowledge like natural science is there a natural theology and how is it related to knowledge of god through divine relation how is the community of faith within which dogmatic theology arises related to the social coefficient of scientific inquiry what is the place of mysticism and of art in theology does theology have a special notion of truth and does it have its own inner logic and structure these are some of the main questions which this book seeks to answer

Christian Theology and the Secular University 2017-02-24

this handy accessible introduction to reading theology helps readers engage doctrine critically and charitably it serves as a primer to theological texts offering practical guidelines for assessing theology and equipping the next generation of pastors and theologians to read theological literature wisely even when they might disagree with it an ideal theology textbook it is especially well suited for students reading theological literature and discussing doctrine for the first time

Reality and Scientific Theology 2001-11-28

christianity in the united states is in crisis liberalism is declining evangelicalism is splintering increasing numbers of christians are slipping away from churches and more and more young people are for various reasons finding christianity as they conceive it a metaphysical thought system or society of science deniers or an ideology for oppressors not just implausible but repellent at the same time christians across denominational and ideological divides are rediscovering a moral core especially in the jesus of the gospels that reactivates and unites them and this kind of faith appeals to many who consider themselves averse to all traditional organized religion but any revitalized christian faith is going to need to understand its rootedness in and interpretation of christianity's foundational texts and traditions noted theologian douglas f ottati steps in to offer a theology for this new era combining deep learning in texts and traditions with astute awareness of contemporary questions and patterns of thought and life he asks what does it mean in our time to understand the god of the bible as creator and redeemer distilling the content of christian faith into seventy concise propositions he explains each in lucid cogent prose a theology for the twenty first century will be an essential textbook for those training for ministry in our current climate a wise guide for contemporary believers who wonder how best to understand and communicate their faith and an inviting and intelligent resource for serious inquirers who wonder whether the way of jesus might help them grasp the real world while remaining open to the transcendent

The Goal of Our Instruction 2015-01-29

matthew farlow traces the thoughts of balthasar and barth so as to enter into theological truth of god s being in act this exploration embarks on a journey into the reality of our triune god who has engaged his creation so as to elicit fellow actors god seeking out humanity is god with us a truth that not only informs our theological endeavors but invites us into the dramatic performance of reconciliation as farlow illumines god is an acting god who seeks fellow participants in his ongoing drama of salvation through the dramatizing of theology the church and her theologians come to realize god s threefold movement revelation invitation and reconciliation it is a unified act that startles humanity and thus theology out of its spectator s seat so as to drag it onto the world s stage as farlow discusses it is through the dramatizing of theology that we find ourselves best equipped to participate faithfully in the role of a lifetime

Opening the Field of Practical Theology 2014-04-10

the moody handbook of theology leads the beginner into the appreciation and understanding of this essential field of study it introduces the reader to the five dimensions that provide a comprehensive view of theology biblical systematic historical dogmatic and contemporary the apostle paul wrote that all scripture is profitable for teaching 2 tim 3 16 that timothy should pay close attention to your teaching 1 tim 4 16 and that leaders should be able both to exhort in sound doctrine and to refute those who contradict titus 1 9 when he wrote these statements paul was referring to theology beyond giving basic definitions and general descriptions author paul enns summarized the substantial features of theology in this way he provides a concise doctrinal reference tool for the newcomer as well as the seasoned scholar seeking a refresher there are fifty five informative charts located at strategic points throughout the book

The Dramatizing of Theology 2017-07-14

systematic theology in 3 volumes is one of the best known works by the american baptist minister and theologian augustus hopkins strong this carefully crafted digicat ebook is formatted for your ereader with a functional and detailed table of contents excerpt under the influence of ritschl and his kantian relativism many of our teachers and preachers have swung off into a practical denial of christ s deity and of his atonement we seem upon the verge of a second unitarian defection that will break up churches and compel secessions in a worse manner than did that of channing and ware a century ago american christianity recovered from that disaster only by vigorously asserting the authority of christ and the inspiration of the scriptures we need a new vision of the savior like that which paul saw on the way to damascus and john saw on the isle of patmos to convince us that jesus is lifted above space and time that his existence antedated creation that he conducted the march of hebrew history that he was born of a virgin suffered on the cross rose from the dead and now lives forevermore the lord of the universe the only god with whom we have to do our savior here and our judge hereafter without a revival of this faith our churches will become secularized mission enterprise will die out and the candlestick will be removed out of its place as it was with the seven churches of asia and as it has been with the apostate churches of new england contents idea of theology method of theology the existence of god origin of our idea of god s existence corroborative evidences of god s existence the scriptures a revelation from god the nature decrees and works of god the attributes of god doctrine of

the trinity the decrees of god the works of god anthropology or the doctrine of man the original state of man sin or man's state of apostasy soteriology christology the reconciliation of man to god ecclesiology or the doctrine of the church eschatology

The Moody Handbook of Theology 2008-02-01

this very short introduction provides both the believer and non believer with a balanced survey of the central questions of theology david ford's approach draws us in to considering the principles underlying religious belief including the centrality of salvation to most major religions the concept of god in ancient modern and postmodern contexts the challenge posed to theology by prayer and worship and the issue of sin and evil he also probes the nature of experience knowledge and wisdom in theology and discusses what is involved in interpreting theological texts in this new edition ford considers the contemporary relevance of theology including the effect of globalization and digitized communication examines the theological responses to change and development in science considers the impact of increased engagement between islam and the west and looks at the development and importance of theology between the different faiths about the series the very short introductions series from oxford university press contains hundreds of titles in almost every subject area these pocket sized books are the perfect way to get ahead in a new subject quickly our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Systematic Theology (Vol. 1-3) 2023-11-15

this handbook surveys the many relationships between scientific studies of the world around us and christian concepts of the divine from the ancient greeks to modern ecotheology from augustine to hildegard of bingen genesis to frederick douglass and physics to sociology this volume opens the intersections of christian theology and science to new concepts voices and futures the central goal of the handbook is to bring new perspectives to the foreground of christian theological engagement with science and to highlight the many engagements today that are not often identified as science theology discussions the handbook thus includes several aspects not found in previous handbooks on the same topic significant representation from the three major branches of christianity orthodox roman catholic and protestant multiple essays on areas of modern science not traditionally part of the theology and science dialogue such as discussions of race medicine and sociology a collection of essays on historical theologians approaches to nature and science t t clark handbook to christian theology and the modern sciences is divided into 3 sections historical explorations encompassing a eleven chapters from aristotle to frederick douglass catholic protestant and orthodox surveys of theology science scholarship in the 20th and 21st centuries and ten explorations in christian theology today from einsteinian physics to decolonial sociology the 24 chapters than span the volume offer the reader whether scholar student or layperson an essential resource for any future conversations around science and christian theology

Theology: A Very Short Introduction 2013-10-24

agreeing with scholars such as david tracy martin marty and rheinhold niebuhr michael and kenneth himes affirm that there is indeed such a thing as public theology and take up the task of proposing themes and the framework for bringing theology into dialogue with societal issues and concerns a great resource for those wishing to understand the social implications of religious belief

T&T Clark Handbook of Christian Theology and the Modern Sciences 2020-10-01

in the 1970s theologians in asia and africa showed an interest in the way different cultural contexts influenced the interpretation of christian belief manifestations of contextual theologies have since appeared in many parts of the world animated international discussion about expressions methods and theories for contextual theology have continued with the spread of contextual theology from the south to the north the object of these theologies is to shed new light on the concept of incarnation how does the incarnated god act in a liberating way contextual theology explores awareness of the interrelatedness of god and culture this book surveys important concepts positions and problems of contextual theology dealing with different criteria for the interpretation of context and providing explanations of different theoretical models for contextual theology particular topics discussed include the importance of place for the experience of god a dynamic correlative and communicative view of tradition the approach to knowledge in contextualism and the greater right of the poor to aesthetic knowledge human ecological formation of theology and the contributions of pictorial art and

architecture to contextual theology clearly explaining the importance of contextual theology for all theology this book offers an invaluable text for students and others exploring theology in context

Fullness of Faith 1993

encountering theology for the first time is exciting but it can also be daunting some struggle to connect with doctrinal discussion they perceive to be abstract or abstruse others may find the scope of theology and the connections between different theological issues dizzying in order to address these difficulties and keep the initial excitement alive a new introduction to theology offers a range of accessible practical experiential and interactive encounters with the major elements of academic christian theology the guiding motif of this book is the claim that theology is full bodied thought the phrase full bodied shows both the richness of the experience of theology and its nature as a thoroughly embodied encounter with ways of knowing god and god s ways with the world this motif allows the authors to bring together topics ranging from theology through the arts sexuality and the body and the nature of the church s everyday life to mystical theology spirituality political action and ecology working imaginatively with the five senses and the notions of loving and resting each chapter provides a range of activities guided discussions and reflections on key theological texts authors and issues this is a unique introduction to the key innovative and interdisciplinary elements from contemporary theology ideal for individual reflection classroom work or flexible and distributed learning

God in Context 2017-03-02

engaging variously with the legacy of paul i lehmann these essays argue for a reorientation in christian theology that better honours the formative power of the gospel to animate and shape doctrine and witness as well as ethical and political life the authors explore key themes in christian theology and ethics forgiveness discernment responsibility spirituality the present day tasks of theology and the role of faith in public life making plain the unabated importance of lehmann s work at this juncture in contemporary theology the internationally recognized contributors draw crucial connections between the gospel of reconciliation the form of christian theology and witness and the challenges of contemporary ethical and political reflection this book demonstrates why this close friend of dietrich bonhoeffer and author of ethics in a christian context and the transfiguration of politics continues to influence generations of theologians in both the english speaking world and beyond

A New Introduction to Theology 2020-09-17

faith comes from what is heard an introduction to fundamental theology informs both the heart and mind as it brings together dogmatic and biblical theology the thomistic tradition the teachings of the fathers of the church and the contemporary magisterium drawing heavily upon the works of st thomas aquinas bl john henry newman joseph ratzinger and st john paul ii the author examines the foundations of catholic theology or fundamental theology which is theology s reflection on itself as a discipline its method and its foundation in god s revelation transmitted to us through scripture and tradition although faith comes from what is heard is useful for all catholics who want to understand the foundations of their faith it is specifically designed to serve as a textbook for courses in fundamental theology in seminaries and in graduate and undergraduate programs in theology it can also serve as a textbook for introductory theology and scripture courses the topics covered in faith comes from what is heard include revelation and faiththeologytradition and the magisteriumbiblical hermeneuticthe historicity of the gospelsand biblical typology

Explorations in Christian Theology and Ethics 2009

winner of the 2010 lynlea rodger australia theological form atf press theological book prize the eyes of faith presents a systematic theology of the sense of the faithful sensus fidelium and shows the fundamental and necessary interrelationship between sensus fidelium tradition scripture theology and the magisterium ormond rush provides fresh perspectives on a number of issues he proposes that tradition and scripture are the products of the sensus fidelium and that the inspiration of scripture is best understood in terms of the holy spirit working through the sensus fidelium in addressing the role of the sensus fidei in the lives of individual believers the book provides a unique approach to the way christians make sense of their faith within the diverse contexts of daily life it shows how the imaginative capacity of the sensus fidei forms a foundational notion for understanding the diversity of spiritualities inculturations and contextualizations of the gospel in the history of the church up to the present this

ecclesial activity of interpreting the christ event through the *sensus fidelium* enables the church to proclaim the gospel in new times and cultures throughout history the eyes of faith proposes that for an effective teaching of the faith to contemporary christians the distinctive roles of the magisterium and of theology must be conceived primarily in terms of and in relationship to the ecclesial spirit given capacity of the *sensus fidelium* about the author ormond rush is lecturer of theology and former president of st paul s theological college in banyo australia and is president of the australian catholic theological association he is the author of still interpreting vatican ii some hermeneutical principles and the reception of doctrine an appropriation of hans robert jauss reception aesthetics and literary hermeneutics praise for the book in addition to its internal argumentation the book s extensive footnotes scriptural references and church documents will make it a tremendously valuable tool for advanced researchers in several theological areas including pneumatology ecclesiology scripture studies and hermeneutics highly recommended c a montevecchio choice some works of scholarship stand out providing a point of reference and showing the way forward ormond rush s study is in this class and it is not surprising that its first release by cua press is a splendid hardback volume this work makes a significant contribution to catholic theology rev john thornhill sm the australasian catholic record rush provides a theologically perceptive panorama of the *sensus fidelium* at work in the church under the guidance of the holy spirit in addition to offering numerous insights usually beneficial and sometimes provocative rush s study is extraordinarily well researched t his volume is an outstandingly creative and comprehensive theological study of the grace of the holy spirit acting through the *sensus fidelium* in the reception of revelation in the church john ford c s c theological studies rush has here provided us with a sophisticated study of theological hermeneutics as well as a foundational work in ecclesiology lawrence s cunningham commonweal this detailed and well argued book explores the phenomenon of reception in both the bible and in contemporary roman catholic tradition an insightful study for those interested in the newest wave of roman catholic dogmatic theology which tends to draw deeply from biblical sources as well as vatican teaching this book genuinely advances discussions of the doctrine of reception aaron klink religious studies review
