Book 1, The Upheaval (Serial Story #1): The Survivor Chronicles

2012

this book is the first compilation of an ongoing serial story due to this fact it does not have a conclusion the fourth and final book the risen is now available this book is not a survivalist story though they are not in this book the following books in this series do contain almost zombie like people the first tremors of the earth were felt at 7 22 est time every single person felt the rumbling and experienced the tremors that would forever alter the course of history most did not survive these are the accounts of some of those that did due to language and graphic content this book is recommended for readers 17 and older edited by kevin mills edited by leslie mitchell at g2 freelance editing cover art by ebooklaunch

The Survivor's Guide to Theology

2016-04-11

men and women embarking on the study of systematic theology quickly find themselves awash in a sea of unfamiliar theological terms historical names and philosophical isms the survivor s guide to theology is both a life preserver to help stay afloat and a compass to help navigate these often unfamiliar waters while many books on systematic theology provide introductory material still the reader is often forced to dive right into actual theology without adequate framework for understanding resources for building this framework are available but scattered this unique book brings them together in one place the survivor s guide to theology is ideal for both introduction and review reference the first part deals with the question what is theology it addresses issues categories theory of knowledge and more the second part surveys

nine major theological systems for each the author provides history and background overview of content and theological distinctive and a critique the final part provides the reader with biographical sketches of significant theologians a brief dictionary of common theological terms and an annotated bibliography of major theological works

2010-10-12

anarchism sexuality aims to bring the rich and diverse traditions of anarchist thought and practice into contact with contemporary questions about the politics and lived experience of sexuality both in style and in content it is conceived as a book that aims to question subvert and overflow authoritarian divisions between the personal and political between sexual desires categorised as heterosexual or homosexual between seemingly mutually exclusive activism and scholarship between forms of expression such as poetry and prose and between disciplinary categories of knowledge anarchism sexuality seeks to achieve this by suggesting connections between ethics relationships and power three themes that run throughout the key objectives of the book are to bring fresh anarchist perspectives to debates around sexuality to make a queer and feminist intervention within the most recent wave of anarchist scholarship and to make a queerly anarchist contribution to social justice literature policy and practice by mingling prose and poetry

theory and autobiography it constitutes a gathering place to explore the interplay between sexual and social transformation this book will be of use to those interested in anarchist movements cultural studies critical legal theory gender studies and queer and sexuality studies

The Ultimate Lost and Philosophy
