Bible Teetotalism and the Voice of Facts; being the substance of lectures, etc

2014-06-10 this book recalls an era when criticism could change the way we look at the world in the tradition of matthew arnold and edmund wilson james wood reads literature expansively always pursuing its role and destiny in our lives in a series of essays about such figures as melville flaubert chekhov virginia woolf and don delillo wood relates their fiction to questions of religious and philosophical belief he suggests that the steady ebb of the sea of faith has much to do with the revolutionary power of the novel as it has developed over the

last two centuries to read james wood is to be shocked into both thinking and feeling how great our debt to the novel is in the grand tradition of criticism wood s work is both commentary and literature in its own right fiercely written polemical and richly poetic in style this book marks the debut of a masterly literary voice
