~~be used by a student who does not find time for a thorough~~
preparation with stacks of standard text books this is quite
helpful for revising the subject in short time the guide
contains 37 short notes and 10 important case laws these
are based on the important topics from the examination
point of view the book is to be read in conjugation with dr
siva s guide to the indian companies act sec 1 to sec 75
which deals with a number of topics a lucid and crisp manner
last but not the least is that only hard work will give results
and seldom luck replaces hard work good luck

Dutt on Contract 2013 the survey compares the rules on

contractual non performance and remedies under the unidroit principles of international commercial contracts the principles of european contract law and indian statutory contract law including the indian contract act 1872 given that most indian statutes were derived from english law and may therefore be viewed as codified common law this comparison may contribute to the question of whether especially in view of contract law harmonisation in the eu the civil law and common law traditions could be merged in a common code moreover it may help identify legal differences that are relevant to doing business between india and europe the general conclusion of the survey is that the principles and indian statutory contract law share a close proximity especially because many of their provisions on non performance and remedies appear to be derived from the same concepts and also provide for very similar consequences

The Indian Contract Act, No. IX of 1872 1878 this is a legal commentary on the indian contract act of 1872 it provides a detailed analysis of the act s provisions with a focus on the commercial and contractual practices of the time written by charles colin macrae a british lawyer and scholar of indian law this book is a valuable resource for legal scholars and practitioners as well as historians and economists interested in the development of the indian economy this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright
