the suggestion within the title accurately sums up the direction that the author has taken with the character story and allegory of the second book the extremely unique and gifted characters of the carpadia legend have journeyed to the skeletal coast of africa in order to bear witness to the birth of a savior she will usher in the fifth civilization of mankind but these followers of that cause are not yet spiritually sufficient toward carpatian divinity quickly begins to outline the direction that these disciples will realize in travels and inner sanctum the chapters are organized as parables and each is a message within the broad communication of integrity and moral code the tools and locations of these metaphysical errands are as diverse and novel as the entire imaginative spectrum holoflux becomes a hive in the creative process of transmigration as it develops from the witchery of a coven of white wiccans claire is introduced as the beautiful and fragile recipient of a powerful magnolia vision that spins away phenomenal debris she is left with the stationary ancient and unfaltering soul of her matriarchal line and gives that hearts desire to dneipo the mystic aboriginal sorcerers become entangled in the source helix of the manifest and are able to cross time and space intent is described as a pawl designed to catch in the ratchet of moment discontinuity ron and vani play a chess like game as pawns able to capture the most superior concepts and vanisila maintains her earthly presence as a valkyrie and bypasses the aging process the parables continue bringing insight and awareness to the characters the final chapter is a eulogy praising the spiritual enlightenment of the illuminati as it opens with we now become divine carpatians

Toward Carpatian Divinity 2010-12-23

the three titles carpadia toward carpatian divinity and carpadiem dark are drawn from a deep sense of quantum sufi gnostic unity displaying provenance throughout the homeric path of those who would contribute michael considers these brief narratives as considerable descriptions of the human condition his research and soul evaluation literary investigation and imaginative allegoric style and again very important passion have opened a gate of soul adventure carpadiem dark is a simple situation that suggests the presence of a dark divine influence in the corner of every moment experienced by a rational organic god is not light which is visibleperhaps the spark so often spoken ofbut the reservoir must be an unknowable dark unity of chaos possibility from which anything and everything may be fashioned

Carpadiem Dark 2014-12-10

the author is speaking about the way method or apparatus of soul and its infusion with the human condition worship as achieved aesthetically embellishes dark chaos energy of possibility a familiar nuclear furnace is allegorically used to describe spiritual emergence the narrative may at times read like a scientific handbook of the life force known as soul perpetuity principle is introduced and the purpose of humankind is unveiled
