**existence of god history philosophy  
arguments britannica Nov 27 2023**

2024 3 28 according to anselm the concept of god as  
the most perfect being a being greater than which none can be  
conceived entails that god exists because a being who was  
otherwise all perfect and who failed to exist would be less  
great than a being who was all perfect and who did exist
