written by a local and true insider insiders guide to florida keys key west is the essential source for in depth travel and relocation information each guide is packed with useful tips on places to stay restaurants events attractions fun things to do with the kids nightlife recreation shopping local history and much more as well as information on real estate education health care and more the new edition features comprehensive listings of restaurants attractions activities nightlife and accommodations countless details on shopping arts entertainment and children s activities advice on how to live and thrive in the area from recreation to relocation the book is divided into three major sections the first presents a theoretical discussion that underlies the other essays the second section deals with privatization issues from the perspective of the united states the third describes research addressed to the u k and canada in the first chapter richard zeckbauser and murray horn develop a wide ranging theoretical framework for assessing the capabilities and role of state owned enterprises it provides a foundation for the analyses that follow in the control and performance of state owned enterprises they describe state owned enterprises as an extreme case of the separation of ownership and control the focus is on management the incentives it faces and the conflicts to which it is subjected the distinguishing chapter 14 the

characteristics of public enterprise the authors suggest give it a comparative advantage over both public bureaucracy and private enterprise in certain situations they argue that legislators are more likely to prefer soes over private enterprise when the efficiency of private enterprise is undermined by regulation or the threat of opportunistic state action when the informational demands of subsidizing private production to meet distributional objectives are high when it is difficult to assign property rights or when state ownership is ideologically appealing these considerations suggest why soes are usually assigned special rights and responsibilities and they help explain observed regularities in the distribution of soes across countries and sectors

zeckhauser and horn apply principal agent theory to identify the key factors underlying the performance of state owned enterprises completely updated with new listings and statistics throughout this comprehensive resource goes beyond the current literature on local government performance measurement and provides benchmarks on more than 40 key topics against which performance can be assessed in all areas of operation ammons has assembled a remarkable volume of benchmark data for a comprehensive range of municipal government services municipal benchmarks will be of considerable help for municipalities in laying the groundwork for an accountable government harry hatry the urban institute i am delighted to see that ideas for advancing our industry are alive and thriving ammons s collection does an incredible service to every municipal manager in the country and perhaps the world these benchmarks clearly set standardized ways of looking at measuring the performance of municipal services
