From Wakefield to Towton 2001-08-01 the wars of the roses was a complicated bloody affair between the houses of lancaster and york and witnessed much changing of sides that disjointed feuding persisted for a staggering thirty years and was a north versus south affair however the period and conflicts covered by this title are refreshingly clear an intriguing tale of treachery and deceit

**From Wakefield to Towton** 2001-08-01 the wars of the roses was a complicated bloody affair between the houses of lancaster and york and witnessed much changing of sides that disjointed feuding persisted for a staggering thirty years and was a north versus south affair however the period and conflicts covered by this title are refreshingly clear an intriguing tale of treachery and deceit

The English Historical Review 1889 this medieval military history uses archeological research to shed new light on this significant and bloody battle in the wars of the roses the battle at towton in yorkshire on march 29th 1461 was a major turning point in the wars of the roses it was also the largest longest fought and bloodiest day in english medieval history in terms of the number of troops involved the ruthlessness of the fighting the quantity of casualties and the decisive nature of its outcome towton stands out from the long sequence of battles fought for control of england in the fifteenth century drawing on the discoveries of modern archaeological research historian john sadler pieces together what actually happened on that fateful day in this vivid reconstruction of the battle he offers unflinching insight into the cruelties of medieval warfare The English Historical Review 1889 palm sunday 1461 was the date of a ruthless and bitterly contested battle fought by two massive medieval armies on an exposed yorkshire plateau for the prize of the crown of england this singular engagement of the wars of the roses has acquired the auspicious title of the longest biggest and bloodiest battle ever fought on british soil but what drove the contending armies of york and lancaster to fight at towton and what is the truth behind the legends about this terrible encounter where contemporaries record that the rivers ran red with blood andrew boardman answers these questions and many more in the new updated edition of his classic account of towton which provides a fascinating insight into the reality of the battlefield the battle of towton is illustrated throughout with contemporary illustrations modern photographs and specially drawn maps

**Towton** 2014-04-19 the book covers in detail the attacks of 14 18 july 1916 against the bazentin woods and villages and beyond walks and tours of the surroundings areas are included with detailed action maps

**Towton 1461** 2022-03-03 originally published in 1994 an illustrated study of the battle of towton in 1461 between the armies of york and lancashire which discusses what drove the armies to fight at towton and examines the legends and the possible truth about the battle

*Rhymes real and romantic* 1890 this wwii military history and battlefield guide examines a pivotal conflict of the battle of normandy including detailed maps and illustrations over a month after the d day landings the allies were still confined to the normandy peninsula the german line was anchored by the medieval town of caen which the british were supposed to have occupied on d day the key to capturing caen was hill 112 known to the germans as kalverienberg or mount calvary under pressure from churchill montgomery launched a major offensive unfortunately german reinforcements began arriving in the caen area the british now faced four ss divisions and the tigers of the 502nd ss heavy panzer regiment an all out allied effort including heavy bombers and naval bombardment was required to secure the final victory this volume details all the action around hill 112 with numerous illustrations and maps complementing the lively text

**Bazentin Ridge** 2000-09-13 towton the bloodiest battle is illustrated throughout with contemporary illustrations modern photographs and specially drawn maps book jacket

*The Battle of Towton* 1996 international multi disciplinary perspectives on the key question of community engagement in theory and practice in a diverse range of heritage settings

**Normandy: Hill 112** 2008-06-17 this book covers the airborne aspects of the operation focusing on the british 6th airborne division but also includes sufficient background to place varsity into its correct context alongside the other operations to cross germany s last strategic barrier introd

**Towton** 2009 by christmas 1944 the allies were on the threshold of victory having remorselessly rolled the germans back to the very borders of the fatherland the the shock of a massive nazi counter attack through the ardennes in the depth of winter threw the allies into confusion bastogne was at the very centre of this dramatic and most dangerous setback

Engaging Heritage, Engaging Communities 2017 flers is of course best remembered for the first use of tanks in modern war but the battles at flers and gueudecourt were also memorable as forming part of the last great advance of the british army in this slogging match that was the battle of the somme in 1916

*Operation Varsity* 2008-01-01 the battle of naseby was the decisive engagement of the english civil war and the battlefield is the first to have been radically reinterpreted in the light of metal detector research this guide co authored by the principal authorities on the battle links contemporary accounts to their findings in the context of today s landscape the book also offers the chance to develop alternative personal interpretations while visiting the key viewpoints and walking the few paths currently accessible to the public

*Bastogne* 2011-06-12 in 1917 bourlon wood on the western front was the scene of fierce back and forth fighting between the british and the germans with british gains on at least one occasion thrown away by lack of proper follow up the wood formed the left flank of the massive british tank attack at cambrai the first of its kind on november 20 1917 bourlon wood once again came into prominence in september 1918 with the attack of the canadian corps against the german defenders an action that rivaled the canadian assault on vimy ridge

**Flers & Gueudecourt** 2000-09-12 a guide to the landing areas used by the 1st british airborne division in its attempt to take the arnhem bridge and describes some of the fighting in and around oosterbeek a small town to the west of arnhem preface

**Naseby-June 1645** 2002-01-22 a battlefield guide to the scene of an austro hungarian attack on the british corps sector of the allied front line on the asiago plateau forty miles north of venice in northern italy on 15 16 june 1918 this comprehensive and attractive guidebook describes the terrain the forces involved and the fighting including the action leading to the award of two vcs

**Bourlon Wood** 2008-03-05 the guide describes the ground and operations covered by the british french and us expeditionary forces deployed from france to the area north of venice between november 1917 and spring 1919 these forces supported the italians after their disastrous defeat at caporetto and helped stem the austrian and german onslaught this is the first guide to the allied contribution and the piave defence line it also covers the rear areas supply and repair services training and recreation and describes the movement to italy and subsequent service and care of the 16 000 british and 20 000 french horses and mules the us contribution has never been adequately described before

**Arnhem** 2002-01-01 beaucourt is one of the last parts of the battle of the somme still to be covered until now by the splendid battleground europe series it was also one of the last actions of the battle of the somme 1916 the eventual capture of beaucourt along with beaumont hamel forced the germans to retreat to their new defensive position known as the hindenburg line the battle of beaucourt was also known as the gough offensive led by general gough with a large proportion of the troops involved being from the royal naval division indeed beaucourt is where bernard freyberg of that division won his victoria cross following the usual battleground style readers are taken on a voyage of discovery through the village of beaucourt and along the banks of the ancre in the direction of cambrai

**Asiago** 2001-05-03 this is the story of the battle of calais a short but bloody struggle to delay the german advance in may 1940 it is a story of uncertainty of taut nerves of heat dust raging thirst and hand to hand fighting in the narrow streets of the channel port now known to millions of britons as a gateway to the continent the guide will take the visitor beyond the ferry terminal and supermarkets to reveal the hidden calais and the actions of individuals and units

**Touring the Italian Front, 1917-1919** 2008-10-17 now thanks to this guide it will be possible to study possibly the most visited site at least by those whose ancestors served in the british expeditionary force on the western front with a solid understanding of how the enemy fought its battles in the area of beaumont hamel and to be moved also by their professionalism courage tenacity and comradeship hard work has also identified a number of the casualties of the fighting here who are now buried in the german cemeteries it is difficult not to feel the grief of their fortunate comrades who survived the war and came back in search of their graves only to find traces of so very few of them these brave soldiers every bit as committed as their british or french enemies deserved a better memorial than that hopefully this book will serve as something of a memorial for them and help us also to understand why the battles of that war were so bitterly fought series editor intro

**Beaucourt** 2003-11-19 ninety years after the battle of the somme was fought visitors continue to flock in very large numbers to the massive memorial to the missing at thiepval site of a bitter three month struggle during the summer of 1916 this book explains in detail how from the autumn of 1914 onwards the german defenders turned this key feature into a virtually impregnable position from which they were able for weeks on end to repulse every attempt to capture it drawing on original maps photographs and personal accounts of the german defenders the reader is taken stage by stage through the battles for the german front line between ovillers and saint pierre divion during the two years from september 1914 to september 1916 it explains why the british attacks of 1st july 1916 failed so catastrophically and culminates with an account of its eventual loss at the end of september 1916

**Calais** 1999-03-16 the war memoirs of these two officers with the royal welsh fusiliers have never been out of print since their first publication both men won instant and enduring fame with these very different narratives which made them two of the most influential participants in shaping later attitudes to the war graves gave offence in many quarters with his factual inaccuracies and or slurs on various units of the british army sassoon s nostalgic evocation of his cricketing and fox hunting background contrast with the detailed narrative of personalities and life in the battle of the somme and the battle of arras the thinly disguised names of real fellow officers are unravelled to help illustrate sassoon s poetry and actions

**The British National Bibliography** 2001 in this guide to the battle of ramillies the author provides an account of the campaign and the action and takes the reader across the battleground itself relating the course of the fighting to the terrain as it can be viewed today

**The Germans at Beaumont Hamel** 2006-01-01 in early 1942 shipping losses in the atlantic threatened britain s very survival in addition to the u boat menace there was real concern that the mighty german battleship tirpitz be unleashed against the vital allied convoys yet only the normandie dock at st nazaire could take her vast size in the event of repairs being required destroy that and the tirpitz would be neutralized thus was born operation chariot the daring commando raid that while ultimately successful proved hugely costly using personal accounts james dorrian describes the background and thrilling action that resulted in the award of five victoria crosses in a dramatic final twist of events once the battle was over the converted former us warship campelton blew up wrecking the dock gates and killing many germans who thought the battle was won

**The Germans at Thiepval** 2006-01-01 en bog i battleground serien som delvis udgør en rejsefører for de som besøger kampområderne delvis en bog med informationer som kan studeres individuelt forfatteren beskriver luftmilitære installationer i frankrig normandiet kanalkystområdet samt materiel og personel involveret under den 1 verdenskrig 1914 18 en oversigt og beskrivelse af kirkegårde udgør en del af bogen

**Sassoon & Graves** 2001-03-15 in spring 1945 the outcome of the war was beyond doubt yet with the russians closing fast on berlin the speed of the us british advance was of the essence one major hurdle remained the mighty rhine this text follows the river crossings by 30th 79th us divisions the parachute assault by 17th us airborne division

Ramillies 1706 2006-09-15 on 14 april 1471 the forces of lancaster under the earl of warwick and those of york under edward iv clashed at barnet in hertfordshire in one of the decisive battles of the wars of the roses in a bloody encounter the two armies fought to resolve a bitter dynastic dispute that had already fuelled twenty years of war warwick s death and edward s victory changed the course of english history in this new guide to the battle david clark one of the leading battlefield historians gives a gripping account of the fighting and of the intrigue that led to it and he provides a full tour of the battlefield itself

**Saint-Nazaire** 2006-01-01 st albans is unique in having been the site of two pivotal battles during the wars of the roses yet this is the first book length account to have been published it offers a gripping account of the fighting and of the politics and intrigue that led to it and it incorporates the results of the latest research the authors also plot the events of over 500 years ago onto the twenty first century landscape of st albans so that the visitor can retrace the course of each battle on the present day ground

Airfields and Airmen 2006-01-01 this wwii history and battlefield guide examines the allied push across the rhine with maps photos and informative text by late march of 1945 the advance through europe had brought allied forces to hitler s doorstep second british army and ninth us army were poised to carry out an assault crossing of the rhine in the british part of the operations field marshal montgomery s best assault divisions were assembled to carry out the british and canadian part of the attack between emmerich and wesel a commando brigade and two scottish divisions carried out the initial assault under cover of darkness and a tremendous bombardment on the evening of march 23rd they fended off the german first parachute army and by dawn they had established a bridgehead during the following morning 6th british airborne division dropped around hamminkeln in the immediate rear of the germans in an operation codenamed varsity by march 27th after some heavy combat the allies were prepared to launch their final drive to the baltic the rhine crossing though by no means the final battle sealed the fate of nazi germany this comprehensive guide provides essential information on historic sites along with maps and photographs

*The Rhine Crossing* 2006-01-01 on 21 february 1916 the german fifth army launched a devastating offensive against french forces at verdun and set in motion one of the most harrowing and prolonged battles of the great war by the time the struggle finished ten months later over 650 000 men had been killed or wounded or were missing and the terrible memory of the battle had been etched into the histories of france and germany this epic trial of military and national strength cannot be properly understood without visiting and walking the battlefield and this is the purpose of christina holstein s invaluable guide in a series of walks she takes the reader to all the key points on the battlefield many of which have attained almost legendary status the spot where colonel drian was killed the forts of douaumont vaux and souville the mort homme ridge and verdun itself reviews a new guide book from one of the most knowledgeable western front historians and guides a new work by long time battlefield guide and wfa member who also wrote an earlier pen sword book on ft douaumont e wwii historical association

**Barnet 1471** 2007-03-08 this wwii history and battleground guide offers a fascinating look at the vital and infamous stretch of road through the netherlands after the allied victory at normandy operation market garden was intended to cut a path to germany through the netherlands essential to the plan was a two lane road that came to be known as hell s highway this was the route that the british 3rd guards armored division had to advance down rapidly to relieve the american paratroopers of the 82d airborne at nijmegen and the british 1st airborne division at arnhem beginning with the famous capture of joe s bridge by the irish guards an essential preliminary action before the start of operation market garden historian tim saunders guides visitors through the seizure of bridges the liberation of small towns and other actions undertaken by the famous screaming eagles with vivid personal accounts throughout this guide features practical visitor information about monuments and other important sites

*The Battles of St Albans* 2013-09-09 the battle of waterloo marked the climax of four extraordinary months napoleon returned from exile ousted the unpopular king louis xviii and then turned to launch a pre emptive strike against the allied armies assembling in the united netherlands here napoleon met wellington who had cobbled together an army with contingents from the british the united netherlands and the prussians firstly at quatre bras and then finally at waterloo this is the second book in the series to cover the battle following on from hougoumont

**Operation Plunder** 2007-03-26 this book guides the reader through the battle for the v corps beachhead the fiercest and bloodiest of the landings a must for those inspired by saving private ryan and many more

*The Battles and Battle Fields of Yorkshire* 1854 this book describes the action of 9 may 1915 when the battalions of the 1st division 7th division and the indian army attacked aubers ridge their objective was to break the german line and cut the supply route to the enemy troops fighting to the south against a french offensive at vimy ridge in true battleground style the dramatic story is told through the actions of those involved in the fighting places and points of interest are highlighted and for those fortunate enough to visit the area there are excellent directions and hints on how to best capture the atmosphere

**Walking Verdun** 2009-01-01 operation epsom was montgomery s third attempt to take the city of caen which was a key british d day objective this book takes us through the actions in vivid detail delayed by a storm the attack designed to envelop caen from the west eventually began at the end of june 1944 the territorial army battalions of 15th scottish division spearheaded the attacks through the well developed positions of 12th

*Hell's Highway* 2009-05-18

**Waterloo** 2002-01-01

**Omaha Beach** 1990-12-31

Aubers Ridge 2005-09-19

*Operation Epsom* 2002-06-06
