winner of the award of excellence of the foundation for pentecostal scholarship 2010 the teaching of kenyon hagin and copeland that jesus died spiritually jds is important because of the influence of these men not least on pentecostalism jds originated with kenyon and has been taught in the word faith movement by hagin and copeland despite much criticism it incorporates three elements in this death jesus was separated from god partook of a satanic nature and was satan s prey this theological appraisal takes research far further than previous works both in method and in scope it concludes that adoption of jds by pentecostalism would be damaging in several respects and thus draw the latter away from its moorings in traditional christianity pentecostals and others are advised to reject the bulk of this teaching

sin un cambio de percepción y perspectiva la iglesia está en un horroroso peligro el autor de gran éxito de ventas hank hanegraaff dice que una tendencia peligrosa está haciendo estragos en el cuerpo de cristo a menos que se le detenga ahora las consecuencias para el cristianismo podrían ser catastróficas hanegraaff atestigua que el verdadero cristo y la verdadera fe de la biblia están siendo reemplazados rápidamente por sustitutos enfermos que ofrecen un grupo de maestros que pertenecen a lo que se le ha calificado como el movimiento de fe muchos en el mundo han sido engañados por lo que se podría llamar cristianismo estilo comida rápida un cristianismo grande en apariencias pero pequeño en sustancia y popularizado por figuras reconocidas como joyce meyer paula white creflo dollar y otros no todo lo que promueven estos maestros es erróneo dice hanegraaff pero es el error fatal mezclado con la verdad lo que hace que este movimiento sea peligroso este libro se enfoca en estos errores potencialmente mortales y está lleno de estudios perspicaces de las escrituras y sugerencias para la investigación personal

nearly two decades ago hank hanegraaff's award winning christianity in crisis alerted the world to the dangers of a cultic movement within christianity that threatened to undermine the very foundation of biblical faith but in the 21st century there are new dangers new teachers who threaten to do more damage than the last these are not obscure teachers that hanegraaff unmasks we know their names we have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel they are virtual rock stars who command the attention of presidential candidates and media moguls through make believe miracles urban legends counterfeit christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe god cannot do anything in this earthly realm unless we give him permission keep saying it i have equality with god talk yourself into it being poor is a sin the jews were not rejecting jesus as messiah it was jesus who was refusing to be the messiah to the jews you create your own world the same way god creates his he speaks and things happen you speak and they happen christianity in crisis 21st century exposes darkness to light pointing us back to a christianity centered in christ from the preface having lost the ability to think biblically postmodern christians are being transformed from cultural change agents and initiators into cultural conformists and imitators pop culture beckons and postmodern christians have taken the bait as a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas
